Philip K. Dick HarperCollins
UK
A dark, dystopian portrait of

artists struggling to resist violent suppression— “ queer, English, a masterpiece. ” (Hilton Als) Set amid the rolling hills and the sandy shingle beaches of coastal Sussex, this disquieting novel depicts an England in which bland conformity is the terrifying order of the day.

Violent gangs roam the country destroying art and culture and brutalizing those who resist the purge. As the menacing “ They ” creep ever closer, a loosely connected band of dissidents attempt to evade the chilling mobs, but it ’ s only a matter of time until their luck runs out. Winner of the 1977 South-East Arts Literature Prize, Kay Dick ’ s *They* is an uncanny and prescient vision of a world hostile to beauty, emotion, and the individual.

The Man in the High Castle

Hachette UK

This early work by Philip K. Dick was originally published in 1953 and we are now republishing it with a brand new introductory biography. 'Small Town' is a short story about a man with godlike power over two towns. Philip Kindred Dick was born on December 16 1928, in Chicago, Illinois. Dick and his family moved to the Bay Area of San Francisco when he was

young, and later on to Washington DC following his parents divorce. Dick attended Elementary school and then a Quaker school before the family moved back to California. It was around this time that Dick began to take an active interest in the science fiction genre, reading his first magazine 'Stirring Science Stories', at age twelve. Dick married five times between 1959 and 1973, and had three children. He sold his first story in 1951 and from that point on he wrote full-time, selling his first novel in 1955. In addition to 44 published novels, Dick wrote an estimated 121 short stories, most of which appeared in science fiction magazines during his lifetime. In addition to 44 published novels, Dick wrote an estimated 121 short stories, most of which appeared in science fiction magazines during his lifetime. After his death, many of his stories made the transition to the big screen, with blockbuster films such as *Blade Runner*, *Total Recall* and *Minority Report* being based on his works.

The Three Stigmata of

Palmer Eldritch

National Geographic
Books

In *The Divine Invasion*,
Philip K. Dick asks:

What if God--or a
being called Yah--were
alive and in exile on
a distant planet? How
could a second coming
succeed against the
high technology and
finely tuned

rationalized evil of
the modern police
state? *The Divine
Invasion* "blends
Judaism, Kabbalah,
Zoroastrianism, and
Christianity into a
fascinating fable of
human existence" (West
Coast Review of Books).

From the Trade
Paperback edition.

Philip K. Dick: *VALIS* and
Later Novels (LOA #193)
Houghton Mifflin Harcourt

"Dick is one of the ten best
American writers of the
twentieth century, which is
saying a lot. Dick was a
kind of Kafka steeped in

LSD and rage." —Roberto
Bolaño *What is VALIS?*

This question is at the
heart of Philip K. Dick's
ground-breaking novel, and
the first book in his

defining trilogy. When a
beam of pink light begins
giving a schizophrenic man
named Horselover Fat (who
just might also be known as
Philip K. Dick) visions of an
alternate Earth where the
Roman Empire still reigns,
he must decide whether he
is crazy, or whether a
godlike entity is showing
him the true nature of the
world. *VALIS* is essential
reading for any true Philip
K. Dick fan, a novel that

Roberto Bolaño called
"more disturbing than any
novel by [Carson]

McCullers." By the end, like
Dick himself, you will be
left wondering what is real,
what is fiction, and just

what the price is for divine
inspiration. Over a career
that spanned three decades,
Philip K. Dick (1928 – 1982)
wrote 121 short stories and

45 novels, establishing himself as one of the most visionary authors of the twentieth century. His work is included in the Library of America and has been translated into more than twenty-five languages. Eleven works have been adapted to film, including Blade Runner (based on Do Androids Dream of Electric Sheep?), Total Recall, Minority Report, and A Scanner Darkly.

Valis Simon and Schuster

In a classic work of alternate history, the United States is divided up and ruled by the Axis powers after the defeat of the Allies during World War II. Reissue. Winner of the Hugo Award for Best Novel.

Twenty Thousand Leagues Under the Sea Harvill Press
1992: Humanity now enjoys a range of psychic abilities. Glen Runciter runs his own

organization employing inertials - those capable of blocking telepathic and precognitive waves - to enforce people's privacy. When he and a hand-picked team travel to the moon in order to secure a business magnate's lunar facilities, they walk straight into an explosive trap. And now Runciter is dead. Or is he? SOMEONE died in the bomb blast. But his mourning employees are receiving bewildering messages from him. And the world around them is warping and regressing in ways which suggest that their own time is running out...

Tropic of Cancer (Harper Perennial Modern Classics) Read Books Ltd

Thirteen short stories by the legendary author of The Man in the High Castle and other science fiction classics. Philip K. Dick

didn't predict the future?he summoned the desperate bleakness of our present directly from his fevered paranoia. Dick didn't predict the Internet or iPhones or email or 3D printers, but rather he so thoroughly understood human nature that he could already see, even at the advent of the transistor, the way technology would alienate us from each other and from ourselves. He could see us isolated and drifting in our own private realities even before we had plugged in our ear buds. He could see, even in the earliest days of space exploration, how much of our own existence remained unexplored, and how the great black spaces between people were growing even as our universe was shrinking. Philip K. Dick spent his first three years as a science fiction author writing shorter

fiction, and in his lifetime he composed almost 150 short stories, many of which have gone on to be adapted into (slightly watered down) Hollywood blockbusters. Collected here are thirteen of his most Dickian tales, funhouse realities with trap doors and hidden compartments.

Ubik Hachette UK

The screenplay version of the seminal sf novel, out of print for more than two decades.

Five Novels Subterranean Science fiction-roman om livet på Jorden efter en altødelæggende krig, hvor de få overlevende kommer i konflikt med de menneskelignende robotter, androider, som de selv har skabt

A Maze of Death

Houghton Mifflin Harcourt Palmer Eldritch returns from the edge of the universe with a drug

called Chew-D for the colonists of Mars who are under threat of god-like or satanic psychics that threaten to wage war against the human soul.

Small Town Houghton Mifflin Harcourt

Seven years after the day of the bombs, Point Reyes was luckier than most places. Its people were reasonably normal - except for the girl with her twin brother growing inside her, and talking to her. Their barter economy was working. Their resident genius could fix almost anything that broke down. But they didn't know they were harbouring the one man who almost everyone left alive wanted killed...

Philip K. Dick Hachette UK
Five of Philip K. Dick's best novels in one fantastic value volume: the best of SF's visionary master This volume contains DO ANDROIDS DREAM OF ELECTRIC SHEEP?

(filmed as BLADERUNNER), MARTIAN TIME SLIP, UBIK, THE THREE STIGMATA OF PALMER ELDRITCH and A SCANNER DARKLY. Taken together they represent the best of Philip K. Dick's unique imagination. In Dick's writing nothing is what it seems, our sense of the world's order is fatally undermined and mass media tells us nothing but artful lies. Films such as THE MATRIX and THE TRUMAN SHOW would not have been made but for Philip K. Dick. His work has never been more timely. *Martian Time-Slip* Vintage Valis is the first book in Philip K. Dick's incomparable final trio of novels (the others being are The Divine Invasion and The Transmigration of Timothy Archer). This disorienting and bleakly funny work is about a

schizophrenic hero named Horselover Fat; the hidden mysteries of Gnostic Christianity; and reality as revealed through a pink laser. Valis is a theological detective story, in which God is both a missing person and the perpetrator of the ultimate crime. "The fact that what Dick is entertaining us about is reality and madness, time and death, sin and salvation--this has escaped most critics. Nobody notices that we have our own homegrown Borges, and have had him for thirty years."--Ursula K. Le Guin, New Republic From the Trade Paperback edition.

The Simulacra Smith Press

Eleven short stories and novellas from 1950s periodicals such as Worlds of Science Fiction, Orbit, and

Startling Stories include "Foster, You're Dead," "Prominent Author," "Upon the Dull Earth," and "Adjustment Team."

Five Great Novels

Simon and Schuster

Set in suburban Orange County, California in a future where America has lost the war on drugs.

When one reluctant undercover cop is ordered to start spying on his friends, he is launched on a paranoid journey into the absurd, where identities and loyalties are impossible to decode. Based on the experiences of the author, Philip K. Dick.

Five Novels of the 1960s & 70s Courier Dover Publications

Louis Rosen's company creates historically accurate simulacra of people, such

as Abraham Lincoln, but a billionaire's secret plans for them could cause trouble for Louis

The Twisted Worlds of Philip K. Dick

Vintage
Many readers know Victorian England through the writings of Charles Dickens. Not only did Dickens put a face to the era through his memorable characters, he also captured the spirit of his age in entertaining fiction spun from its social concerns and historical events. This literary omnibus brings together five of Dickens's best-known novels: *Oliver Twist*, *A Christmas Carol*, *David Copperfield*, *Great Expectations* and *A Tale of Two Cities*. Prolific, energetic and committed to social change, no other novelist of the time did as much as Charles Dickens to rally his readers to action

and no other writer at any time has created such an extraordinary collection of well-loved novels. This exquisitely designed Leatherbound edition has distinctive gilt edging and an attractive silk-ribbon bookmark; it will make an artful addition to any home library.

The Library of America Philip K. D

It's the year 2080, and Earth's seemingly insurmountable overpopulation problem has been alleviated temporarily by placing millions of people in voluntary deep freeze. But in election year, the pressure is on to find a solution which will enable them to resume their lives. For Jim Briskin, Presidential candidate, it seems an insoluble problem - until a flaw in the new instantaneous travel system opens up the possibility of finding whole new worlds to colonise.

The Gun Citadel Press

A collection of eighteen science fiction short stories features "The Minority Report," in which Commissioner John Anderton's clever use of "precogs," people who can identify criminals before they can do any harm, turns against him when they identify him as the next criminal.

The Minority Report Echo Point+ORM

Miller's groundbreaking first novel, banned in Britain for almost thirty years.
