From the daring imagination of one of China's greatest living novelists comes a work of startling power and originality—the story of a young man “displaced” to a small village in rural China during the 1960s. Told in the format of a dictionary, with a series of vignettes disguised as entries, A Dictionary of Maqiao is a novel of bold

invention—and a fascinating, comic, deeply moving journey through the dark heart of the Cultural Revolution. Entries trace the wisdom and absurdities of Maqiao: the petty squabbles, family grudges, poverty, infidelities, fantasies, lunatics, bullies, superstitions, and especially the odd logic in their use of language—where the word for “beginning” is the same as the word for “end”; “little big brother” means older sister; to be “scientific” means to be lazy; and “streetsickness” is a disease afflicting villagers visiting

urban areas. Filled with colorful characters—from a weeping ox to a man so poisonous that snakes die when they bite him—A Dictionary of Maqiao is both an important work of Chinese literature and a probing inquiry into the extraordinary power of language.

Astounding Graywolf Press

Moving back and forth in American history, a kaleidoscopic novel follows Hailey and Sam, two wayward teenagers, as they crash New Orleans parties, barrel up the Mississippi, head through the Badlands, and take on other adventures.

It is not very often that we get to read a story told by a dog.  
However O. Henry ' s "Memoirs

---

of a Yellow Dog" gives us a peek through the dog Lovey ' s mind. Lovey feels a strong despise for his mistress - a fat lady who does nothing but eat and gossip. At the same time he is determined to save his owner who is constantly working and trying to provide for his unthankful wife. This comic tale about the love and loyalty between a pet and his owner is turned upside down. But this is exactly why O. Henry ' s stories with surprise endings are so popular and loved. William Sydney Porter, better known as O. Henry, was an American writer who lived in the late 19th century. He gains wide popularity with his short stories which often take place either in New York or some small American towns. The plot twists and the surprise endings are a typical and integral part of O. Henry ' s short stories. Some of his best known works are "The Gift of the Magi", "The Cop and the Anthem", "A Retrieved Reformation". His stories often deal with ordinary people and the individual aspects of life. As a result of the outstanding literature legacy that O. Henry left behind, there is an American annual award after his name, given to exceptional short stories.

How can we talk about World Literature if we do not actually examine the world as a whole?

Research on World Literature commonly focuses on the dynamics of a western center and a southern periphery, ignoring the fact that

numerous literary relationships exist beyond these established constellations of thinking and reading within the Global South. *Re-Mapping World Literature* suggests a different approach that aims to investigate new navigational tools that extend beyond the known poles and meridians of current literary maps. Using the example of Latin American literatures, this study provides innovative insights into the literary modeling of shared historical experiences, epistemological crosscurrents, and book market processes within the Global South which thus far have received scant attention. The contributions to this volume, from renowned scholars in the fields of World and Latin American literatures, assess travelling aesthetics and genres, processes of translation and circulation of literary works, as well as the complex epistemological entanglements and shared worldviews between Latin America, Africa and Asia. A timely book that embraces highly innovative perspectives, it

will be a must-read for all scholars involved in the field of the global dimensions of literature. [DNA Evidence, Archeology, Analysis of Migrations, and Public and Family Records Show Twelfth Century Semitic Roots](#) Little, Brown  
When Kayu Saitoh wakes up, she is in an unfamiliar place. Taken to a snowy mountainside, she was left there by her family and her village according to the tradition of sacrificing the lives of the elderly for the benefit of the young. Kayu was supposed to have passed quickly into the afterlife. Instead, she finds herself in Dendera, a utopian community built over decades by old women who, like her, were abandoned. Together, they must now face a new threat: a hungry mother bear. "Dendera is riveting, hilarious, dark, gory, and absolutely brilliant...it's as if Elena Ferrante and Stephen King collided on a Japanese mountaintop." —Jami Attenberg, New York Times best-selling author of *The Middlesteins* -- VIZ Media *The Manuscript Found in Saragossa* Vintage Classic An Economist Best Book of the Year A Milwaukee Journal Sentinel Best Book of 2018 "An amazing and engrossing history...Insightful, entertaining, and compulsively readable." — George R. R. Martin "Enthralling...A clarion call to enlarge American literary history." — Washington Post "Engrossing, well-researched... This sure-footed history addresses important

issues, such as the lack of racial diversity and gender parity for much of the genre's history." — Wall Street Journal "A gift to science fiction fans everywhere." — Sylvia Nasar, New York Times bestselling author of *A Beautiful Mind* *Astounding* is the landmark account of the extraordinary partnership between four controversial writers—John W. Campbell, Isaac Asimov, Robert A. Heinlein, and L. Ron Hubbard—who set off a revolution in science fiction and forever changed our world. This remarkable cultural narrative centers on the figure of John W. Campbell, Jr., whom Asimov called "the most powerful force in science fiction ever." Campbell, who has never been the subject of a biography until now, was both a visionary author—he wrote the story that was later filmed as *The Thing*—and the editor of the groundbreaking magazine best known as *Astounding Science Fiction*, in which he discovered countless legendary writers and published classic works ranging from the *I, Robot* series to *Dune*. Over a period of more than thirty years, from the rise of the pulps to the debut of *Star Trek*, he dominated the genre, and his three closest collaborators reached unimaginable heights. Asimov became the most prolific author in American history; Heinlein emerged as the leading science fiction writer of his generation

with the novels *Starship Troopers* and *Stranger in a Strange Land*; and Hubbard achieved lasting fame—and infamy—as the founder of the Church of Scientology. Drawing on unexplored archives, thousands of unpublished letters, and dozens of interviews, Alec Nevala-Lee offers a riveting portrait of this circle of authors, their work, and their tumultuous private lives. With unprecedented scope, drama, and detail, *Astounding* describes how fan culture was born in the depths of the Great Depression; follows these four friends and rivals through World War II and the dawn of the atomic era; and honors such exceptional women as Doña Campbell and Leslyn Heinlein, whose pivotal roles in the history of the genre have gone largely unacknowledged. For the first time, it reveals the startling extent of Campbell's influence on the ideas that evolved into Scientology, which prompted Asimov to observe: "I knew Campbell and I knew Hubbard, and no movement can have two Messiahs." It looks unsparingly at the tragic final act that estranged the others from Campbell, bringing the golden age of science fiction to a close, and it illuminates how their complicated legacy continues to shape the imaginations of millions and our vision of the future itself. *A Lexicon Novel in 100,000*

*Words Text Publishing*  
By the author of the highly acclaimed literary bestseller "Dictionary of the Khazars," "Landscape Painted with Tea," Milorad Pavic's second novel, is a tale of mysterious quest that is part modern *Odyssey* and part crossword puzzle. It begins with the story of a brilliant but failed architect in Belgrade and his search for his father, an officer who vanished in Greece during World War II. The truth about his fate--some of it set in motion 2,000 years ago and some of it by the Nazis--is raveled in the history and secrets of Mount Athos, the most ancient of all monasteries, perched atop its inaccessible mountain on the Aegean.

*Landscape Painted with Tea*  
New Directions Publishing  
An astonishing new novel of loss and grief from "one of our culture's preeminent novelists" (Los Angeles Times) Zach Wells is a perpetually dissatisfied geologist-slash-paleobiologist. Expert in a very narrow area—the geological history of a cave forty-four meters above the Colorado River in the Grand Canyon—he is a laconic man who plays chess with his daughter, trades puns with his wife while she

---

does yoga, and dodges committee work at the college where he teaches. After a field trip to the desert yields nothing more than a colleague with a tenure problem and a student with an unwelcome crush on him, Wells returns home to find his world crumbling. His daughter has lost her edge at chess, she has developed mysterious eye problems, and her memory has lost its grasp. Powerless in the face of his daughter's slow deterioration, he finds a mysterious note asking for help tucked into the pocket of a jacket he's ordered off eBay. Desperate for someone to save, he sets off to New Mexico in secret on a quixotic rescue mission. A deeply affecting story about the lengths to which loss and grief will drive us, Telephone is a Percival Everett novel we should have seen coming all along, one that will shake you to the core as it asks questions about the power of narrative to save.

*Black Jews in Africa and the Americas* Harvard University Press

The popular image of Scotland is dominated by widely recognized elements of Celtic culture. But a significant non-Celtic influence on Scotland's

history has been largely ignored for centuries? This book argues that much of Scotland's history and culture from 1100 forward is Jewish. The authors provide evidence that many of the national heroes, villains, rulers, nobles, traders, merchants, bishops, guild members, burgesses, and ministers of Scotland were of Jewish descent, their ancestors originating in France and Spain. Much of the traditional historical account of Scotland, it is proposed, rests on fundamental interpretive errors, perpetuated in order to affirm Scotland's identity as a Celtic, Christian society. A more accurate and profound understanding of Scottish history has thus been buried. The authors' wide-ranging research includes examination of census records, archaeological artifacts, castle carvings, cemetery inscriptions, religious seals, coinage, burgess and guild member rolls, noble genealogies, family crests, portraiture, and geographic place names.

**Doomi Golo—The Hidden Notebooks** Dial Press Trade Paperback

A survey of western culture covers American studies, art history, economics, film,

literature, music, philosophy, political science, psychology, religion, science and history Penguin

In the spring of 1736 four men and one woman, all traveling under assumed names, are crossing the Devonshire countryside en route to a mysterious rendezvous. Before their journey ends, one of them will be hanged, one will vanish, and the others will face a murder trial. Out of the truths and lies that envelop these events, John Fowles has created a novel that is at once a tale of erotic obsession, an exploration of the conflict between reason and superstition, an astonishing act of literary legerdemain, and the story of the birth of a new faith.

*A Novel* Random House Digital, Inc.

This book traces the history of the ancient Khazar Empire, a major but almost forgotten power in Eastern Europe, which in the Dark Ages became converted to Judaism. Khazaria was finally wiped out by the forces of Genghis Khan, but evidence indicates that the Khazars themselves migrated to Poland and formed the cradle of Western Jewry. To the general reader the Khazars, who flourished from the 7th to 11th century, may seem infinitely remote today. Yet they have a close and unexpected bearing on our world, which emerges as Koestler recounts the fascinating history of the ancient Khazar Empire. At about the time that Charlemagne was Emperor in

---

the West. The Khazars' sway extended from the Black Sea to the Caspian, from the Caucasus to the Volga, and they were instrumental in stopping the Muslim onslaught against Byzantium, the eastern jaw of the gigantic pincer movement that in the West swept across northern Africa and into Spain. Thereafter the Khazars found themselves in a precarious position between the two major world powers: the Eastern Roman Empire in Byzantium and the triumphant followers of Mohammed. As Koestler points out, the Khazars were the Third World of their day. They chose a surprising method of resisting both the Western pressure to become Christian and the Eastern to adopt Islam. Rejecting both, they converted to Judaism. Mr Koestler speculates about the ultimate faith of the Khazars and their impact on the racial composition and social heritage of modern Jewry. He produces a large body of meticulously detailed research.

Bringing together original contributions from scholars across the world, this volume traces the history of travel writing from antiquity to the Internet age. It examines travel texts of several national or linguistic traditions, introducing readers to the global contexts of the genre. From wilderness to the urban, from Nigeria to the polar regions, from mountains to rivers and the desert, this book explores some of the key places and physical features

represented in travel writing. Chapters also consider the employment in travel writing of the diary, the letter, visual images, maps and poetry, as well as the relationship of travel writing to fiction, science, translation and tourism. Gender-based and ecocritical approaches are among those surveyed. Together, the thirty-seven chapters here underline the richness and complexity of this genre.

**The Swallowed Man** Open Road + Grove/Atlantic

In 1988 Milorad Pavic burst upon the literary scene with his critically acclaimed, international best seller, *Dictionary of the Khazars*. In it he asked his readers to experience his book in a new and exciting way, as he challenged their traditional concepts of the reading process. In his next two novels, *Landscape Painted With Tea* and *The Inner Side of the Wind*, he continued to challenge as he joined a modern *Odyssey* with a crossword puzzle, and then he told the same tale of two lovers from two perspectives -- male and female -- and asked us to read it from either front or back. His new novel, *Last Love in Constantinople*, does not disappoint, as Pavic once again demonstrates himself to be a master of narrative legerdemain.

Unique among his fellow immortals and mortal folk alike, Jant Comet can fly. His talent is a gift and a curse that has earned him a

place in the Castle Circle as Messenger to the Emperor San -- soaring high and free above the bloody battlefields of his world, carrying word back to his master of progress and regress in the ever-escalating conflict between man and the awful armies of giant, flesh-devouring insects. But while Jant's duty is to remain neutral in the petty squabbles and power plays of the fifty who will neither age nor die naturally, bitter rivalries that have festered for centuries now threaten to incite a savage civil war. And Jant may be the only being alive capable of stemming the onrushing tide of destruction and the unstoppable insect infestation. For only he can gain entrance -- through extreme doses of the narcotic that owns his soul -- into a place of darkest wonders and revelations; a strange and horrific alternate reality that none but Jant Comet believes exists. A literary triumph of the first water -- bold, stylish, and breathtakingly original -- Steph Swainston's *The Year of Our War* ascends like a rocket to the upper reaches of the imagination and loudly heralds the arrival of a true modern master of the fantastic.

*A Novel* Pantheon

The Somerset Maugham Prize-winning, international bestselling debut novel: “a dazzling linguistic and formal achievement” set in 18th century London (Salman Rushdie). In eighteenth-century London, John Lempriere works feverishly on a celebrated dictionary of classical mythology that bears his name. But when he discovers a conspiracy against his family dating back 150 years, he embarks on a personal mission that will pit him against enemies he never new he had, allies he never thought he would ever want, and a destiny he never imagined . . . Told with the narrative drive of a political thriller and a Dickensian panorama of place and time, this “superbly entertaining” tale encompasses multinational conspiracies and a motley cast of scholars, eccentrics, prostitutes, assassins, drunken aristocrats, and octogenarian pirates—all brilliantly depicted across three continents and the world of classical mythology (The Washington Post).

*The Inner Side of the Wind, Or The Novel of Hero and Leander* Walter de Gruyter GmbH & Co KG

The baby started to come out. Head first, everything OK. But then I saw that there were no arms. And then no legs. The little girl had only a torso and a head. Lyn Rowe was born in Melbourne in 1962, seven months after her mother Wendy was given a new wonder drug for morning sickness called thalidomide. For fifty years the Rowe family cared for Lyn. Decades of

exhausting, round-the-clock work. But then in 2011 Lyn Rowe launched a legal claim against the thalidomide companies. Against the odds, she won a multi-million-dollar settlement. Former journalist Michael Magazanik is one of the lawyers who ran Lyn’s case. In *Silent Shock* he exposes a fifty-year cover up concerning history’s most notorious drug, and details not only the damning case against manufacturers

Grünenthal—whose enthusiastic promotion of their lucrative drug in the face of mounting evidence beggars belief—but also the moving story of the Rowe family. Spanning Australia, the United States, the United Kingdom, Japan, Canada, Sweden and, of course, Germany, *Silent Shock* is an epic account of corporate wrongdoing against a backdrop of heroic personal struggle and sacrifice. Michael Magazanik has worked as a journalist for the Age, the Australian and ABC-TV, and is now a lawyer with Slater & Gordon. He lives in Melbourne with his partner and three children. ‘Magazanik exposes myths and concealments on a grand scale... A compelling read. Highly recommended.’

BookMooch ‘Magazanik—a lawyer on the Rowes’ legal team and a former journalist—has woven an extraordinary story...Magazanik has moulded [the Rowes’] story

into a modern Australian myth, the battlers who took on the pharmaceuticals and won.’ *Age/Sydney Morning Herald* ‘A harrowing read of the damage wrought by this infamous drug.’ *WA Today* ‘A frightening account of secrets in the pharmaceutical industry and the inspiring story of a family and their legal team that just wouldn’t give up.’ *Law Society Journal* ‘*Silent Shock* is an ambitious, important book...Magazanik does an excellent job.’ *Australian Book Review*

**The Angle Quickest for Flight** Lindhardt og Ringhof

Two lovers in Belgrade, one from the 1700s, the other from the 1900s, reach out to each other across a gulf of time, in a story that parallels the myth of Hero and Leander. By the author of *Dictionary of the Khazars. An Outline of Anthropology and Ethnography* Pan Macmillan

A sports journalist, sent to a Midlands town on a weekly assignment, finds himself confronted by ghosts from the past when he disembarks at the railway station. Memories of one of his best, most trusted friends, a tragically young victim of cancer, begin to flood through his mind as he attempts to go about the routine business of reporting a football match. B S Johnson’s famous ‘book in a box’, in

---

which the chapters are presented a city where everything has a  
unbound, to be read in any price. "Full of dark humor and  
order the reader chooses, is one dazzling writing"  
of the key works of a novelist --Entertainment Weekly

now undergoing an enormous  
revival of interest. The  
Unfortunates is a book of  
passionate honesty and dark,  
courageous humour: a  
meditation on death and a  
celebration of friendship which  
also offers a remarkably frank

A New York Times Book  
Review Best Book of the Year.

A searing and wildly  
entertaining love letter to New  
York City from the bestselling  
author of *Motherless Brooklyn*  
and *Fortress of Solitude*. Chase  
Insteadman, former child  
television star, has a new role  
in life—permanent guest on the  
Upper East Side dinner party  
circuit, where he is consigned  
to talk about his astronaut  
fiancée, Janice Trumbull, who  
is trapped on a circling Space  
Station. A chance encounter  
collides Chase with Perkus  
Tooth, a wily pop culture guru  
with a vicious conspiratorial  
streak and the best marijuana  
in town. Despite their disparate  
backgrounds and trajectories  
Chase and Perkus discover  
they have a lot in common,  
including a cast of friends from  
all walks of life in Manhattan.  
Together and separately they  
attempt to define the  
indefinable, and enter into a  
quest for the most elusive of  
things: truth and authenticity in
