Q: Why are you called the Other People? A: We are people just like you. People to whom terrible things have happened. We've found solace not in forgiveness or forgetting. But in helping each other find justice. Driving home one night, stuck behind a rusty old car, Gabe sees a little girl's face appear in its rear window. She mouths one word: Daddy. It's his five-year-old daughter, Izzy. He never sees her again. Three years later, Gabe spends his days and nights traveling up and down the highway, searching for the car that took his daughter, refusing to give up hope, even though most people believe she's dead. When the car that he saw escape with his little girl is found abandoned with a body inside, Gabe must confront not just the day Izzy disappeared but the painful events from his past now dredged to the surface. Q: What sort of justice? A: That depends on the individual. But our ethos is a punishment that fits the crime. Fran and her daughter,

Alice, also put in a lot of miles on the road. Not searching. Running. Because Fran knows what really happened to Gabe's daughter. She knows who is responsible. And she knows what they will do if they ever catch up to her and Alice. Q: Can I request to have someone killed? A: If your Request is acceptable, and unless there are exceptional circumstances, we fulfill all Requests.

"This appropriately twisty *Turn of the Screw* update finds the *Woman in Cabin 10* author in her most menacing mode, unfurling a shocking saga of murder and deception." —*Entertainment Weekly*
From the #1 New York Times bestselling author of *The Lying Game* and *The Death of Mrs. Westaway* comes this thrilling novel that explores the dark side of technology. When she stumbles across the ad, she's looking for something else completely. But it seems like too good an opportunity to miss—a live-in nannying post, with a staggeringly generous salary. And when Rowan Caine arrives at Heatherbrae House, she is smitten—by the luxurious "smart" home fitted out with all modern conveniences, by the beautiful Scottish Highlands, and by this picture-perfect family. What she doesn't know is that she's stepping into a nightmare—one that will end with a child dead and herself in prison awaiting trial for murder. Writing to her lawyer from prison, she struggles to explain the events that led to her incarceration. It wasn't just the constant surveillance from the home's cameras, or the malfunctioning technology that woke the household with booming music, or turned the lights off at the worst possible time. It wasn't just the girls,

who turned out to be a far cry from the immaculately behaved model children she met at her interview. It wasn't even the way she was left alone for weeks at a time, with no adults around apart from the enigmatic handyman. It was everything. She knows she's made mistakes. She admits that she lied to obtain the post, and that her behavior toward the children wasn't always ideal. She's not innocent, by any means. But, she maintains, she's not guilty—at least not of murder—but somebody is. Full of spellbinding menace and told in Ruth Ware's signature suspenseful style, *The Turn of the Key* is an unputdownable thriller from the Agatha Christie of our time.
