Dig the Well Before You Get Thirsty Carson-Dellosa Publishing

Bestselling author Harvey Mackay reveals his techniques for the most essential tool in business--networking, the indispensable art of building contacts. Now in paperback, *Dig Your Well Before You're Thirsty* is Harvey Mackay's last word on how to get what you want from the world through networking. For everyone from the sales rep facing a career-making deal to the entrepreneur in search of capital, *Dig Your Well* explains how meeting these needs should be no more than a few calls away. This shrewdly practical book distills Mackay's wisdom gleaned from years of "swimming with sharks," including: What kinds of networks exist How to start a network, and how to wring the most from it The smart way to downsize your list--who to keep, who to dump How to keep track of favors done and favors owed--Is it my lunch or yours? What you can do if you are not good at small talk *Dig Your Well Before You're Thirsty* is a must for anyone who wants to get

ahead by reaching out.

Get healthy in just 15 days with this diet plan from the celebrity trainer and New York Times bestselling author frequently featured on Khloé Kardashian's *Revenge Body*. We've gone way overboard trying to beat the bulge. We've tried every diet out there—low-carb, low-fat, all-grapefruit—and spent hours toiling on treadmills and machines, to no avail. It's time to hit the reset button and start over with a new perspective on weight loss. In *The Body Reset Diet*, celebrity trainer and New York Times bestselling author Harley Pasternak offers you the ultimate plan for a thinner, healthier, happier life. This three-phase program focuses on the easiest, most effective way to slim down: blending. The 5-day jump-start includes delicious, expertly crafted smoothies (White Peach Ginger, Apple Pie, and Pina Colada, to name a few), dips, snacks, and soups that keep you satisfied while boosting your metabolism. Over the following 10 days, the plan reintroduces healthy combinations of classic dishes along with the blended recipes to keep the metabolism humming, so you will continue to torch calories and shed pounds. The plan also explains how the easiest form of

exercise—walking—along with light resistance training is all it takes to achieve the celebrity-worthy physique that we all desire. No equipment necessary! Whether you are looking to lose significant weight or just those last 5 pounds, *The Body Reset Diet* offers a proven program to reset, slim down, and get healthy in just 15 days—and stay that way for good!

Dig Where You Are Penguin
#1 New York Times Bestseller
"THIS. This is the right book for right now. Yes, learning requires focus. But, unlearning and relearning requires much more—it requires choosing courage over comfort. In *Think Again*, Adam Grant weaves together research and storytelling to help us build the intellectual and emotional muscle we need to stay curious enough about the world to actually change it. I've never felt so hopeful about what I don't know."
—Brené Brown, Ph.D., #1 New York Times bestselling author of *Dare to Lead* The bestselling author of *Give and Take* and *Originals* examines the critical art of rethinking: learning to question your opinions and open other people's minds, which can position you for excellence at work and wisdom in life Intelligence is usually seen as the ability to think and learn, but in a rapidly changing world, there's another set of

cognitive skills that might matter more: the ability to rethink and unlearn. In our daily lives, too many of us favor the comfort of conviction over the discomfort of doubt. We listen to opinions that make us feel good, instead of ideas that make us think hard. We see disagreement as a threat to our egos, rather than an opportunity to learn. We surround ourselves with people who agree with our conclusions, when we should be gravitating toward those who challenge our thought process. The result is that our beliefs get brittle long before our bones. We think too much like preachers defending our sacred beliefs, prosecutors proving the other side wrong, and politicians campaigning for approval--and too little like scientists searching for truth. Intelligence is no cure, and it can even be a curse: being good at thinking can make us worse at rethinking. The brighter we are, the blinder to our own limitations we can become. Organizational psychologist Adam Grant is an expert on opening other people's minds--and our own. As Wharton's top-rated professor and the bestselling author of *Originals* and *Give and Take*, he makes it one of his guiding

principles to argue like he's right but listen like he's wrong. With bold ideas and rigorous evidence, he investigates how we can embrace the joy of being wrong, bring nuance to charged conversations, and build schools, workplaces, and communities of lifelong learners. You'll learn how an international debate champion wins arguments, a Black musician persuades white supremacists to abandon hate, a vaccine whisperer convinces concerned parents to immunize their children, and Adam has coaxed Yankees fans to root for the Red Sox. Think Again reveals that we don't have to believe everything we think or internalize everything we feel. It's an invitation to let go of views that are no longer serving us well and prize mental flexibility over foolish consistency. If knowledge is power, knowing what we don't know is wisdom.

Holes John Wiley & Sons

Book Features: • 24 pages, 8 inches x 8 inches • Ages 5-7, Grades K-1 leveled readers • Simple, easy-to-read pages with vibrant illustrations • Features before and after reading vocabulary • Includes reading tips and comprehension and extension activities

The Magic Of Reading: Introduce young learners to the magic of reading with We're Going on a Dinosaur Dig. This 24-page fictional adventure book features vibrant illustrations and simple language to practice early reading comprehension skills. Hands-On Reading Adventure: A group of friends go on an

adventure to dig for dinosaur bones but find something much greater! Follow along as three best friends hike through grass, explore a jungle, and sludge through mud only to find an unexpected surprise. Why Rourke Educational Media: Since 1980, Rourke Publishing Company has specialized in publishing engaging and diverse non-fiction and fiction books for children in a wide range of subjects that support reading success on a level that has no limits.

Gung Ho! Made For Success Publishing Master the evergreen traffic strategies to fill your website and funnels with your dream customers in this timeless book from the \$100M entrepreneur and co-founder of the software company ClickFunnels. The biggest problem that most entrepreneurs have isn't creating an amazing product or service; it's getting their future customers to discover that they even exist. Every year, tens of thousands of businesses start and fail because the entrepreneurs don't understand this one essential skill: the art and science of getting traffic (or people) to find you. And that is a tragedy. Traffic Secrets was written to help you get your message out to the world about your products and services. I strongly believe that entrepreneurs are the only people on earth who can actually change the world. It won't happen in government, and I don't think it will happen in schools. It'll happen because of entrepreneurs like you, who are crazy enough to build products and services

that will actually change the world. It'll happen because we are crazy enough to risk everything to try and make that dream become a reality. To all the entrepreneurs who fail in their first year of business, what a tragedy it is when the one thing they risked everything for never fully gets to see the light of day. Waiting for people to come to you is not a strategy.

Understanding exactly WHO your dream customer is, discovering where they're congregating, and throwing out the hooks that will grab their attention to pull them into your funnels (where you can tell them a story and make them an offer) is the strategy. That's the big secret. Traffic is just people. This book will help you find YOUR people, so you can focus on changing their world with the products and services that you sell.

Dig Too Deep Show Up for Your Life

Named a Best Book of the Year by the Seattle Times and Kirkus Review The final novel from a great American storyteller. Donal Cameron is being raised by his grandmother, the cook at the legendary Double W ranch in Ivan Doig's beloved Two Medicine Country of the Montana Rockies, a landscape that gives full rein to an eleven-year-old's imagination. But when Gram has to have surgery for "female trouble" in the summer of 1951, all she can think to do is to ship Donal off to her sister in faraway Manitowoc, Wisconsin. There Donal is in for a rude surprise: Aunt Kate – bossy, opinionated, argumentative, and tyrannical—is nothing like her sister. She henpecks her good-natured husband, Herman the German, and Donal can't seem to get on her good side either. After one contretemps too many, Kate packs him back to the authorities in Montana on the next Greyhound. But as it turns out, Donal isn't traveling solo: Herman the German has decided to fly the coop with him. In the immortal American tradition, the pair light out for the territory together, meeting a classic Doigian ensemble of characters and having rollicking misadventures along the way. Charming, wise, and slyly funny, *Last Bus to Wisdom* is a last sweet gift from a writer whose books have bestowed untold pleasure on countless readers.

#1 NEW YORK TIMES BESTSELLER •

NEWBERY MEDAL WINNER •

NATIONAL BOOK AWARD WINNER

Dig deep in this award-winning, modern classic that will remind readers that adventure is right around the corner--or just under your feet! Stanley Yelnats is under a curse. A curse that began with his no-good-dirty-rotten-pig-stealing-great-great-grandfather and has since followed generations of Yelnatses. Now Stanley has been unjustly sent to a boys' detention center, Camp Green Lake, where the boys build character by spending all day, every day digging holes exactly five feet wide and five feet deep. There is no lake at Camp Green Lake. But there are an awful lot of holes. It doesn't take long for Stanley to realize there's more than character improvement going on at Camp Green Lake. The boys are digging holes because the warden is looking for something. But what could be buried under a dried-up lake? Stanley tries to dig up the truth in this inventive and darkly humorous tale of crime and punishment—and redemption. "A smart jigsaw puzzle of a novel." —New York Times
*Includes a double bonus: an excerpt from *Small Steps*, the follow-up to *Holes*, as well as an excerpt from the New York Times bestseller *Fuzzy Mud*.

Sharkproof Pinnacle Books

The Body Reset Diet Penguin

Typical missions projects involve dozens of people in identical T-shirts getting on an airplane to go somewhere and help a needy community. But do those projects actually help people in the long run? Does this work create long-term systemic change in individuals and the community? And does the work lead to intentionally sharing Christ? In other words, is our mission work based on good missions strategy that brings about sustainable change and kingdom impact for communities, or is our approach focused only on creating a positive experience for everyone involved? So You Want to Dig a Well in Africa? highlights ten common myths people and organizations believe about missions. Exploring the ways in which American churches take on missions, author Jeff Palmer * highlights pitfalls of equating mission trips with ministry projects; * offers valuable techniques to avoid unintentional but harmful practices that stem from a poor community development model; * presents tools for designing, implementing, and evaluating strong, mercy-oriented mission strategies; and * discusses key elements for evaluating mission programs: participation, sustainability, and transformation. Offering a resource for those seeking to work for the good of people but also for the glory of God, this guide highlights faulty models used for mercy-oriented missions and give a framework for creating sustainable change in people and communities.

Something in the Water Ballantine Books

She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know

what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? She Reads Truth tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, She Reads Truth is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.

Extraordinary Outcomes Dig Your Well before You're Thirsty

Winner of the Michael L. Printz Medal

“ King's narrative concerns are racism, patriarchy, colonialism, white privilege, and the ingrained systems that perpetuate them. . . . [Dig] will speak profoundly to a generation of young people who are waking up to the societal sins of the past and working toward a more equitable future. ” —Horn Book, starred review “ I've never understood white people who can't admit they're white. I mean, white isn't just a color. And maybe that's the problem for them. White is a passport. It's a ticket. ” Five estranged cousins are lost in a maze of their family's tangled secrets. Their grandparents, former potato farmers Gottfried and Marla Hemmings, managed to trade digging spuds for developing subdivisions and now they sit atop a million-dollar bank account—wealth they've refused to pass on to their adult children or their

five teenage grandchildren. “ Because we want them to thrive, ” Marla always says. But for the Hemmings cousins, “ thriving ” feels a lot like slowly dying of a poison they started taking the moment they were born. As the rot beneath the surface of the Hemmings ’ white suburban respectability destroys the family from within, the cousins find their ways back to one another, just in time to uncover the terrible cost of maintaining the family name. With her inimitable surrealism, award winner A.S. King exposes how a toxic culture of polite white supremacy tears a family apart and how one determined generation can dig its way out.

So You Want to Dig a Well in Africa? Hay House, Inc

Are you a Sensitive Striver? Learn how to get out of your own way and rediscover your sensitivity as a superpower. ___ Highly sensitive and high performing? ___ Need time to think through decisions before you act? ___ Judge yourself harshly when you make mistakes? ___ Take feedback and criticism personally? ___ Find it difficult to set boundaries? It's time to Trust Yourself. Being highly attuned to your emotions, your environment, and the behavior of others can be the keys to success, but they can also lead to overthinking everything and burnout. Human behavior expert and executive coach Melody Wilding, LMSW has spent the past ten years working with Sensitive Strivers like you. In this groundbreaking book, she draws on decades of research and client work to examine the intersection of sensitivity and achievement in the workplace and offer neuroscience-based strategies you can use to reclaim control of your life and reach your full potential. Trust Yourself offers concrete steps to help you break free from stress, perfectionism, and self-doubt so you can find the confidence to work and lead effectively. You will learn how to:

- Achieve confidence and overcome imposter syndrome.
- Find your voice to speak and act with assertiveness.
- Build resilience and bounce back from setbacks.
- Enjoy your success without sacrificing your well-

being. If you're an empathetic, driven person trying to navigate your career and learn how to believe in yourself in the process, Trust Yourself offers the mindset and tools to set you on the path to personal and professional fulfillment. The perfect book for:

- Those who identify as highly sensitive
- Anyone who overthinks or struggles with work stress and burnout
- Corporate professionals of all levels
- Managers, leaders, and executives
- Life, career, and leadership coaches

After You Broadway Business

Steel your team against the unexpected by planning for uncertainty Extraordinary Outcomes presents an innovative approach to thinking and planning, giving leaders a playbook for dealing with uncertainty. Written by internationally recognized authorities on problem solving and creativity in organizations, this book provides an alternative outlook on business strategy and people management for leaders navigating uncertain waters, where the future is anything but guaranteed. The framework is the result of research in multiple fields and the authors' experiences with individuals, teams, and organizations, with examples from real-world situations that illustrate the concepts and dynamics at work to give readers deeper insight. The focus is on conquering uncertainty — eliminating it where possible, reducing it where it can be reduced, and embracing it when it's inevitable. Traditional ways of thinking and planning do not work in the face of an uncertain future. Frequently there are just no guarantees, nothing written in stone, and even a fortune-teller couldn't accurately predict the outcome. Extraordinary Outcomes helps leaders prepare for that, with strategies geared toward preparedness and embracing uncertainty. Learn why skills and talent are only two pieces of a bigger puzzle Discover how to better

galvanize the team, and keep them motivated long-term. Connect to a purpose that inspires enthusiastic engagement. Conquer uncertainty, and develop a strategy for dealing with mistakes. No one likes to be caught off guard, and the consequences can be severe at the organizational level. Leaders can't be psychic, but they can plan for possible outcomes and always have a solution at the ready. For those who like to have an answer for everything, *Extraordinary Outcomes* provides a roadmap toward an uncertainty-proof strategy for doing business.

Believers Farrar, Straus and Giroux

Your life doesn't have to be a series of missed opportunities. In fact, every fulfilling thing you've ever desired is already within your grasp... so what stops you from showing up and claiming what's yours? Most often, you stop yourself. Strategic storytelling expert Andy Henriquez provides a compelling roadmap for living each day fueled by your life's true purpose. You will explore inspiring stories of unwavering, resourceful people, like Henriquez's Haitian immigrant mother, who snatched victory from the jaws of defeat while facing foreclosure. These stories will empower you to become your own champion. *Show Up For Your Life* offers you seven essential principles to completely transform your life from the average daily grind to an exceptional life of fulfillment. Immerse yourself in the pages of this book, and master the principles in order to show up for your own life.

Beware the Naked Man Who Offers Your His Shirt
Ballantine Books

This comprehensive guide for professional women offers inspiration and practical strategies for getting the career you deserve. In *Dig in Your Heels*, Joan Kuhl helps women create a clear vision of what they deserve in their careers and a practical path for turning that vision into reality. She offers strategies for overcoming sexist attitudes in the office, as well as for dealing with self-limiting behaviors like Imposter's Syndrome and the Myth of Meritocracy. Kuhl also describes how to build support networks before you

even need them and explains how to get actionable feedback that will help you get to the next level—the kind women are rarely afforded. Case studies, practical exercises, and inspiring stories from Kuhl's work with clients at companies such as Goldman Sachs, U.S. Soccer, BlackRock, and top business schools make this a truly comprehensive guide. It's an indispensable resource for women who are determined to secure their seat at the table and create a welcoming workplace for everyone.

Getting a Job is a Job Penguin

Detective Alex Mills turns to psychic Gus Parker to help him solve a series of baffling murders perpetrated by a deranged killer who leaves his victims' bodies and taunting clues in the cemeteries of Phoenix, AZ.

A killer is on the loose, leaving fresh bodies among the dead in Phoenix cemeteries, and marking the murders with ghoulish signs that warn of more evil to come. It's a crude camouflage that has Detective Alex Mills stumped. As he has done before, Mills turns to his buddy, the reluctant psychic Gus Parker. His visions, as cryptic and baffling as they sometimes are, mean something. But just as the investigation heats up, and Mills needs him most, Gus Parker receives ominous threats from a mysterious source. Is this a crazed fan who is trying to get to Gus's love interest, rock-and-roll legend Billie Welch? Or are these threats related to the spree of cemetery killings? There are nefarious secrets hiding in the shadows of the valley's most well-heeled neighborhoods, and some of the most prominent residents have the most to fear.

How to Dig a Hole to the Other Side of the World Ballantine Books

A practical approach to business transformation *Fit for Growth** is a unique approach to business transformation that explicitly connects growth strategy with cost management and organization restructuring. Drawing on 70-plus years of strategy consulting experience and in-depth research, the experts at PwC's Strategy& lay out a winning framework that helps CEOs and senior executives transform their organizations for sustainable, profitable growth. This approach gives structure to strategy while promoting lasting change. Examples from Strategy&'s hundreds of clients illustrate successful transformation on

the ground, and illuminate how senior and middle managers are able to take ownership and even thrive during difficult periods of transition. Throughout the Fit for Growth process, the focus is on maintaining consistent high-value performance while enabling fundamental change. Strategy& has helped major clients around the globe achieve significant and sustained results with its research-backed approach to restructuring and cost reduction. This book provides practical guidance for leveraging that expertise to make the choices that allow companies to: Achieve growth while reducing costs Manage transformation and transition productively Create lasting competitive advantage Deliver reliable, high-value performance Sustainable success is founded on efficiency and high performance. Companies are always looking to do more with less, but their efforts often work against them in the long run. Total business transformation requires total buy-in, and it entails a series of decisions that must not be made lightly. The Fit for Growth approach provides a clear strategy and practical framework for growth-oriented change, with expert guidance on getting it right. *Fit for Growth is a registered service mark of PwC Strategy& Inc. in the United States

Dig Your Well Before You're Thirsty Sphere Reveals techniques for cultivating useful contacts in business and at leisure, from targeting the right people to staying in touch with them to asking for favors

Dig Your Own Grave Penguin
2017 Green Earth Book Award, Young Adult Fiction 2017 Sigurd F. Olson Nature Writing Award (SONWA), Young Adult Notable Book With her mother facing prison time for a violent political protest, seventeen-year-old Liberty Briscoe has no choice but to leave her Washington, DC, apartment and take a bus to Ebbottsville, Kentucky, to live with her granny. There she can at least finish high school and put some distance between herself and her mother—or her former mother, as

she calls her. But Ebbottsville isn't the same as Liberty remembers, and it's not just because the top of Tanner's Peak has been blown away to mine for coal. Half the county is out of work, an awful lot of people in town seem to be sick, and the tap water is bright orange—the same water that officials claim is safe. And when Granny's lingering cold turns out to be something much worse, Liberty wonders if somebody at the mine is hiding the truth about the water. She starts to investigate and is soon plunged into a world of secrets, lies, threats, and danger. Her searches for answers and justice lead to even tougher questions—should she turn to violence and end up like her mother? Give up her quest for the sake of keeping the peace? Or keep fighting until the mine is shut down for good?
