DIGITAL DESIGN FOURTH EDITION by M Morris Mano
This is tell about the circuit design and how to design the circuit and develop the new features about circuit of computers. I invite you to read and download this book for new creation and groom your

I didn't like this book very much. The book have covered a pretty large content but I would say that it is not well organised. It bring down the interest of a person towards the subject. And to understand this subject I Prefer "Fundamentals of Digital Circuits" by A. Anand Kumar, which surely is a ...
