At T Answering Machine : Target  
Answering machines vary in price based on type, storage space, and other features. Prices range from \$17 to \$245. The most budget-friendly models are basic standalone answering machines with few special features. They usually only offer 13 to 15 minutes of storage space and cost between \$17 and \$28.

10 Best Corded Phone With Answering Machines of 2020 | MSN ...  
Digital answering machines (also knows as digital answering services) are electronic devices connected to a landline telephone with the ability to store recorded messages to an internal memory chip. The chip keeps track of the exact date and time of the calls as well as the messages themselves, removing the need for tape and providing a more reliable message storage service.

What is a Digital Answering System? (with pictures)  
Receive calls even when you're gone with this VTech AT&T answering system. Its digital answering system records up to 25 minutes of audio for quick, clear message access, and the extra-large tilting LCD display is easy to read. This VTech AT&T answering system has a reliable corded design with a speakerphone option for hands-free use.
