Digital cameras shoot better in low light or when you need to zoom in on your subject, along with featuring more versatility and settings, longer battery life, better flash and a larger lens. A digital camera can also offer better video quality than a smartphone, making this option a great choice for vloggers.

How to buy a camera - CNET

To make your buying choice easier, consider your intended use. Budget camcorders are a good choice for capturing memories and filming home videos, while action camcorders are best suited to filming sports. Prosumer models come at a higher price but produce high-quality footage for creating professional videos.
