Mythbreaker Marvel Entertainment Louie “ Fitz ” Fitzsimmons is getting out of the drugs business. It was never what you might call a career, anyway; he ’ s got problems – strange, violent, vivid hallucinations that have plagued him since he was a kid

— and what with one thing and another, this is where he's ended up. So he's been cooking Hollywood gangster Blake Kaplan's books, and putting a little aside for a rainy day — fifteen million, give or take — and he figures it's time to cut and run. Until a vision hits at the worst possible moment, and now he's in hospital and looking at a stretch in County on a possession charge. Then a Lithuanian goddess of the hunt murders her way into the hospital, and Fitz ends up on the run from a pissed-off angel, and there's new gods — gods of business and the internet — hunting him down, and what started as a bad day gets a whole lot worse. Because Fitz is a Chronicler, a prophet — a modern Moses or Hesiod — with the power to make, or break, the gods themselves...

The Cormorant Del Rey
How To Be a Good Wife by Emma Chapman is a haunting literary debut about a woman who begins having visions that make her question everything she knows Marta and Hector

have been married for a long time. Through the good and bad; through raising a son and sending him off to life after university. So long, in fact, that Marta finds it difficult to remember her life before Hector. He has always taken care of her, and she has always done everything she can to be a good wife—as advised by a dog-eared manual given to her by Hector's aloof mother on their wedding day. But now, something is changing. Small things seem off. A flash of movement in the corner of her eye, elapsed moments that she can't recall. Visions of a blonde girl in the darkness that only Marta can see. Perhaps she is starting to remember—or perhaps her mind is playing tricks on her. As Marta's visions persist and her reality grows more disjointed, it's unclear if the danger lies in the world around her, or in Marta herself. The girl is growing more real every day, and she

wants something.

A classic science fiction novel by Ursula K. Le Guin, one of the greatest writers of the genre, set in a future world where one man's dreams control the fate of humanity. In a future world racked by violence and environmental catastrophes, George Orr wakes up one day to discover that his dreams have the ability to alter reality. He seeks help from Dr. William Haber, a psychiatrist who immediately grasps the power George wields. Soon George must preserve

reality itself as Dr. Haber becomes adept at manipulating George's dreams for his own purposes. *The Lathe of Heaven* is an eerily prescient novel from award-winning author Ursula K. Le Guin that masterfully addresses the dangers of power and humanity's self-destructiveness, questioning the nature of reality itself. It is a classic of the science fiction genre.

The Kick-Ass Writer
Simon and Schuster

An exhilarating thrill-ride through the underbelly of cyber espionage in the vein of David Ignatius' *The Director* and the television series *Leverage*, *CSI: Cyber*, and *Person of Interest*, which follows five iconoclastic hackers who are coerced into serving the U.S. government. An Anonymous-style rabble rouser, an Arab spring hactivist, a black-hat hacker, an old-school cipherpunk, and an online troll are each offered a choice: go to prison or help protect the United States, putting their brains and skills to work for the government for one year. But being a white-hat doesn't always mean you work for the good guys. The would-be cyberspies discover that behind the scenes lurks a sinister NSA program, an artificial intelligence code-named Typhon, that has origins and an evolution both dangerous and disturbing. And if it's not brought down, will soon be uncontrollable. Can the hackers escape their federal watchers and confront Typhon and its mysterious creator? And what does the government really want them to do? If they decide to turn the tables, will their own secrets be exposed—and their lives erased like lines of bad code? Combining the scientific-based, propulsive narrative style of Michael Crichton with the eerie atmosphere and conspiracy themes of *The X-Files* and the imaginative, speculative edge of Neal Stephenson and William Gibson, *Zer0es* explores our deep-seated fears about

government surveillance and hacking in an inventive fast-paced novel sure to earn Chuck Wendig the widespread acclaim he deserves.

Take a wonderfully crazed excursion into the demented heart of a tropical paradise—a world of cargo cults, cannibals, mad scientists, ninjas, and talking fruit bats. Our bumbling hero is Tucker Case, a hopeless geek trapped in a cool guy's body, who makes a living as a pilot for the Mary Jean Cosmetics Corporation. But when he demolishes his boss's pink plane during a drunken airborne liaison, Tuck must run for his life from Mary Jean's goons. Now there's only one employment opportunity left for him: piloting shady secret missions for an unscrupulous medical missionary and a sexy

blond high priestess on the remotest of Micronesian hells. Here is a brazen, ingenious, irreverent, and wickedly funny novel from a modern master of the outrageous.

From a bestselling author: Miss Peregrine meets The Graveyard Book in this middle grade adventure about rival siblings running a monster mortuary.

Thirteen-year-old Molly doesn't know how she got the short end of the stick—being raised by her neglectful father—while Dustin, the older brother she's never met, got their mother and the keys to the family estate. But now the siblings are both orphaned, she's come home for her inheritance, and if Dustin won't welcome her into the family business, then she'll happily take her half in cash. There's just one problem: the family business is a mortuary for monsters, and Molly's not

sure she's ready to deal with mysterious doors, talking wolves, a rogue devourer of magic, and a secret cemetery. It's going to take all of Dustin's stuffy supernatural knowledge and Molly's most heroic cosplay (plus a little help from non-human friends) for the siblings to figure it out and save the day...if only they can get along for five minutes. Bestselling author Chuck Wendig's middle grade debut is equal parts spooky, funny, and heartfelt—perfect for Halloween and year-round reading!

Pathfinder Tales: Plague of Shadows Simon and Schuster

Miriam Black is trying to live an ordinary life, keeping her ability to see how someone dies hidden...until a serial killer crosses her path. This is the second book in the Miriam Black series.

“Visceral and often brutal, this tale vibrates with

emotional rawness that helps to paint a bleak, unrelenting picture of life on the edge.” —Publishers Weekly Miriam is trying. Really, she is. But this whole “settling down thing” just isn’t working out. She lives on Long Beach Island all year in a run-down, double-wide trailer. She works at a grocery store as a checkout girl. And her relationship with Louis—who’s on the road half the time in his truck—is subject to the mood swings Miriam brings to everything she does. It just isn’t going well. Still, she’s keeping her psychic ability—to see when and how someone is going to die just by touching them—in check. But even that feels wrong somehow. Like she’s keeping a tornado stopped up in a tiny bottle. Then comes the one bad day that turns it all on her ear. Podkayne of Mars Penguin Meet Mookie Pearl. Criminal underworld? He

The Complete Double Dead Amazon Children's Publishing

When a young woman clears out her deceased grandmother 's home in rural North Carolina, she finds long-hidden secrets about a strange colony of beings in the woods in this chilling novel that reads like The Blair Witch Project meets The Andy Griffith Show. When

Mouse's dad asks her to clean out her dead grandmother's house, she says yes. After all, how bad could it be? Answer: pretty bad. Grandma was a hoarder, and her house is stuffed with useless rubbish. That would be horrific enough, but there's more—Mouse stumbles across her step-grandfather's journal, which at first seems to be filled with nonsensical rants...until Mouse encounters some of the terrifying things he described for herself. Alone in the woods with her dog, Mouse finds herself face to face with a series of impossible terrors—because sometimes the things that go bump in the night are real, and they're looking for you. And if she doesn't face them head on, she might not survive to tell the tale. From Hugo Award-winning author Ursula Vernon, writing as T. Kingfisher, *The Twisted*
