The two week cycle of Physics labs starts on Tuesday October 9, 2007. You will meet one of the two lab coordinators on the first day of the course and your lab demonstrator at your first lab. Check the notices posted from time to time on the lab information boards by MP125 and MP126 and also the laboratory web page.

Polytechnic First Year Syllabus

For all branches of study, the first year curriculum is common. The syllabus provides the necessary bridge between the school education and engineering education which the students pursue from their second year of study. For successful completion of engineering diploma with flying colours, a thorough knowledge of basics is very much essential.
