**Digital Video Recorders** Lexington Books Four specific trends are driving the DVR industry: consumer content choice, consumer content control, personalization of content libraries, and the ability to transfer content from device-to-device and person-to-person. "Digital Video Recorders" features a macro and micro views of the already established yet still burgeoning DVR industry. As part of the NAB Executive Technology Briefing series, this book gives you a wealth of market knowledge, business models, case studies, and industry insights explained in a non-technical fashion. "Digital Video Recorders" discusses the impact of the technology across many different industries and platforms, explains hardware, software and technology of set-top boxes, DVR infrastructure, on-screen guides, planning and scheduling, content security, and more. Whether you are an executive in the broadcast, telecommunications, consumer electronic, or advertising space, you will expand your knowledge on DVR impact, explore new business opportunities, and get a brief overview of the technical terms needed. You will also be able to accurately analyze and understand the trends, projections and other data, all of which will help lead to the expedited growth and development of DVR industry.  
*296 Must-See Shows That Changed the Way We Watch TV* Que Publishing In my opinion, unless you're a total introvert, agoraphobic, disabled or too lazy to leave the house, your best bet to buy most things you need is locally. Go to the Yellow Pages, read your local newspapers, drive around the shopping areas, go to local free ad websites and

talk to people you know about what you need. I generally buy most of my stuff from the big department stores but if I need something like furniture, I'll check out the furniture stores on the poor side of the town because the prices for the same goods are often much cheaper than a store in the higher class part of town plus you can often haggle with the owner on a cash deal. By shopping on the poor side of town at supermarkets for food, you can often save several dollars on a load of groceries. Beyond that, I generally go to the thrift stores a few times a year to buy t-shirts, clothes and anything else that strikes my fancy as I look around.  
**Digital Buying Guide** Que Publishing Innovation in technology means that almost anyone can make an independent film these days. Although this may be good news for aspiring filmmakers, it also means that the oversupply of independent films on the market has caused acquisition prices to dramatically decrease. As a result, producers and investors rarely recover their initial investment in the films they make. But don't be discouraged! Use this book to learn the realities of the market in advance and map out a winning distribution plan. This comprehensive manual for filmmakers and producers dedicated to film distribution and the marketplace could mean the difference between getting your film out to the public and keeping it "in the can. Learn how to sell your movie to a studio, a cable network, a video distributor, or an international buyer. Self-distribution and other alternatives to traditional distribution are also considered. In addition, you'll hear some success stories from producers and hear exactly what buyers are seeking. Stacey Parks has worked with hundreds of hungry filmmakers to get their films a distribution deal and knows how frustrating the whole process can be. Let her show you how you can take control of your filmmaking career and start getting your work seen by audiences with a few little-known distribution secrets. Features include: . Interviews and case studies with

producers and distributors . Ten ways to market your film for self-distribution . Sales projections per territory . Distribution resources listings . Negotiation tips for distribution agreements . Sample distribution agreements . What you must know to get your independent film distributed . Written by a distributor who knows the process inside and out . Interviews with buyers and acquisitions executives from every sector of the business on what kinds of films they look for, what they're sick of seeing, and how their acquisitions processes work . Website features sample distribution agreements, budgets, and more! New to this edition: . Completely updated for modern distribution practices (broadcast, DVD, VOD, and other kinds of distribution deals) . New coverage on crowd-funding, social media, film marketing, and deal memos . Get the best inside distribution secrets from brand new interviews with an international cast of directors, producers, and distribution experts who share their experiences . Companion website features helpful downloadable forms and templates, sample distribution memos, and a great resource section

 Practical, Everyday Introduction to Deliverance for All Christians For most Christians, the word deliverance often brings negative connotations to mind: lots of yelling and holy water and darkness--maybe even something from a Hollywood horror movie exorcism. But deliverance is not about shouting or showmanship. It is about the simple act of asking Jesus for help, for freedom, and using his authority over the enemy. In this accessible and practical guide, evangelical leader and bestselling author Larry Richards walks you through the who, what, when, where, why, and how of deliverance. In everyday language, he shows how you can apply this information to your life and the lives of your friends and family. As children of God, we have been given access to Jesus' death-defying power to help free ourselves and others from evil. You don't have to continue to struggle with persistent problems or strongholds. Your loved ones can be freed from the lies or addictions that hold them back. There is hope in Christ--you can live in freedom! Includes an extensive glossary of terms and appendixes with prayers and even more practical resources.

*Business Torts: A Fifty State Guide, 2021 Edition* provides the most recent statutory and case law developments on business torts laws for each of the fifty states and the District of Columbia. Practitioner-oriented, and written by leading state experts, each chapter summarizes the variants and developments particular to a specific state jurisdiction. You will find detailed coverage of each state's standards regarding: misappropriation of trade secrets; tortious interference with contracts; fraud and misrepresentation; trade libel and commercial disparagement; breach of fiduciary duty; officers and directors liability; conversion; unfair competition, fraudulent transfer; economic loss; and statutes of limitation. The 2021 Edition incorporates recent changes in the law of the various states, including: The Nebraska Supreme Court has recognized the tort of trade libel and commercial disparagement in a long-awaited landmark case. The Missouri legislator amended the Missouri's Merchandising Practices Act to require a consumer bringing a claim under that act to establish that they acted as a reasonable consumer would in light of all circumstances and that the business practice alleged to be unlawful would cause a reasonable person to enter into the transaction that resulted in damages. The Florida Ninth Judicial Circuit has

reopened its "Business Court", a division of the Court which handles exclusively business matters. The Business Court was closed in 2017 due to budget constraints. The Hawaii Supreme Court held that a plaintiff may claim equitable tolling for fraudulent concealment.
