Tasked with protecting a corrupt island governor and his family as his last CHERUB mission, James is upset and meets up with retired colleague Kyle who offers him another plan, testing James' loyalty.

And Another Thing... Little, Brown Books for Young Readers

Following the success of his latest novel, Travis Glasgow and his wife Jodie buy their first house in the seemingly idyllic western Maryland town of Westlake. At first, everything is picture perfect—from the beautiful lake behind the house to the rebirth of the friendship between Travis and his brother, Adam, who lives nearby. Travis also begins to

overcome the darkness of his childhood and the guilt he's harbored since his younger brother's death—a tragic drowning veiled in mystery that has plagued Travis since he was 13. Soon, though, the new house begins to lose its allure. Strange noises wake Travis at night, and his dreams are plagued by ghosts. Barely glimpsed shapes flit through the darkened hallways, but strangest of all is the bizarre set of wooden stairs that rises cryptically out of the lake behind the house. Travis becomes drawn to the structure, but the more he investigates, the more he uncovers the house's violent and tragic past, and the more he learns that some secrets cannot be buried forever.

DIRTY SOUTH MM Penguin

Connie Willis has won more Hugo and Nebula awards than any other science fiction author. Now, with her trademark wit and inventiveness, she explores the

intimate relationship between science, pop culture, and the arcane secrets of the heart. Sandra Foster studies fads—from Barbie dolls to the grunge look—how they start and what they mean. Bennett O'Reilly is a chaos theorist studying monkey group behavior. They both work for the HiTek corporation, strangers until a misdelivered package brings them together. It's a moment of synchronicity—if not serendipity—which leads them into a chaotic system of their own, complete with a million-dollar research grant, *caff é latte*, tattoos, and a series of unlucky coincidences that leaves Bennett monkeyless, fundless, and nearly jobless. Sandra intercedes with a flock of sheep and an idea for a joint project. (After all, what better animal to study both chaos theory and the herd mentality that so often characterizes human behavior?) But scientific discovery is rarely straightforward and never simple, and Sandra and Bennett have to endure a series of setbacks, heartbreaks, dead ends, and disasters before they find their ultimate answer. . . . Praise for Bellwether

“ One of science fiction's best writers. ” —The Denver Post “ Connie Willis deploys the apparatus of science fiction to illuminate character and relationships, and her writing is fresh, subtle, and deeply moving. ” —The New York Times Book Review “ Keen social satire touched with genuine humanity . . . Connie Willis's fiction is one of the most intelligent delights of our genre. ” —Locus “ A sheer pleasure to read . . . Sprightly, intelligent fun. ” —Publishers Weekly

The Reading List Simon and Schuster
A Portland baker hopes to be more than a rebound when his dream guy is suddenly

single in this gay romance novella by the author of *Served Hot*. From its famous coffee to the mouthwatering fare at its cafés, restaurants, and bakeries, Portland, Oregon, has a lot to whet the appetite, including the hard-working men who serve it all up—hot, fresh, and ready to go—with reservations . . . Vic Degrassi is a baker on the rise, and it's all thanks to his rare ability to make—and keep—his New Year's resolutions. Whether it's losing weight, giving up smoking, or graduating from culinary school, Vic goes after what he wants—and gets it. This year? He wants Robin Dawson, the sweet-hearted hottie who volunteers with him at the local homeless shelter. When he learns that Robin is suddenly single after being unceremoniously dumped, Vic is more than happy to offer a shoulder to cry on—or at least a fresh-baked pastry to bite into. But it's been a long time since Vic's gone on a date, and he's nervous about risking his friendship with Robin. So when their flirtation turns into a steamy night together, Vic and Robin have to figure out if they're friends with benefits or lovers in the making, and if Robin is ready for something more than just a rebound. There's only one way to find out: turn up the heat . . . Praise for the Portland Heat series “Tremendously charming and sexy.” —RT Book Reviews on *Served Hot* “A really enjoyable story.” —Joyfully Jay on *Baked Fresh* “Sometimes an author just gets everything right . . . Absolutely perfect.” —Guilty Pleasures Book Reviews on *Delivered Fast*

The Big Book of Words You Should

Know Crown

Many men aim high; Tom Farrell dares to be average. While his friends accumulate wedding rings, mortgages, and even, alarmingly, babies, Tom still lives alone in his rented apartment with nothing but condiments and alcohol in his refrigerator. He spends Saturday mornings watching cartoons and eating Cocoa Puffs out of an Empire Strikes Back bowl, and devotes the rest of the weekend to his other favorite hobbies: sports and girls. His credo, to think and act like a thirteen-year-old boy at all times, has worked well enough to land him a decent job writing headlines for the New York Tabloid. But neither his personal life nor his professional life has

any forward momentum; he's occupied the same cubicle since the first George Bush was president and is currently "between girlfriends." At thirty-two, it starts to occur to him: There's a fine line between picky and loser. Enter a sly, beautiful coworker named Julia. After a few torrid dates, Tom is hooked. "She's like cleaning behind my refrigerator. A once-in-a-lifetime thing." But the closer he gets to Julia, the more elusive she becomes. Frustrated, Tom seeks the dubious advice of his buddy Shooter, a shallow sexual gladiator, and wonders why he keeps getting into arguments with Bran, his smart, sarcastic "default date." But then tragedy strikes, and everyone's attitudes toward life and love

change -- and even Tom begins to see himself in a new light. By turns riotous and tenderhearted, Kyle Smith's *Love Monkey* is the most candid and excruciatingly funny exploration of the male mind and libido since *High Fidelity*. [The Psychosocial Implications of Disney Movies](#) Carina Press

“An interactive and empowering book” to help African American men and women create a new vision of better health and navigate the health care system (BET.com). According to the federal Office of Minority Health, African Americans “are affected by serious diseases and health conditions at far greater rates than other Americans.” In fact, African Americans suffer an estimated 85,000 excess deaths every year from diseases we know how to

prevent: heart disease, stroke, cancer, high blood pressure, and diabetes. In this important and accessible book, Dr. Michelle Gourdine provides African Americans with the knowledge and guidance they need to take charge of their wellbeing. *Reclaiming Our Health* begins with an overview of the primary health concerns facing African Americans and explains who is at greatest risk of illness. Expanding on her career and life experiences as an African American physician, Dr. Gourdine presents key insights into the ways African American culture shapes health choices—how beliefs, traditions, and values can influence eating choices, exercise habits, and even the decision to seek medical attention. She translates extensive research into practical information and presents readers with

concrete steps for achieving a healthier lifestyle, as well as strategies for navigating the health-care system. This interactive guide with illustrations is a vital resource for every African American on how to live a healthier and more empowered life, and an indispensable handbook for health-care providers, policy makers, and others working to close the health gap among people of color. Says Gourdine, “I wrote this book to empower our community to solve our own health problems and save our own lives.”

Dirty Shorts Volume One HarperCollins
Welcome aboard Pacific Air Flight 385, with

nonstop service from Seattle to Honolulu. Cora is scared to fly again after her husband died in a recent helicopter crash in Pago Pago. A thousand times she has told herself to turn around, not get on the flight, go back to her young children. But now, she's seated in first class across the aisle from the girlfriend of a famous billionaire pharmaceutical entrepreneur. Halfway across the Pacific, the flight is hijacked. Six people are dead-including the pilots. Cora is a young widow, mother, and emergency room nurse...but as the world closes in around her, she's also a pilot's daughter. Lost off radar in the middle of the vast Pacific Ocean, the motive behind the hijacking remains a mystery. Not knowing who to trust, Cora works with the man seated beside her, Seattle Homicide Detective Kyle Adams, to save herself along with the remaining one hundred and fifty-four souls on board.

More Money Than God Simon and Schuster
First performed at the midpoint of the twentieth century, John Cage's 4'33", a composition conceived of without a single musical note, is among the most celebrated and ballyhooed cultural gestures in the history of modern music. A meditation on the act of listening and the nature of performance, Cage's controversial piece became the iconic statement of the meaning of silence in art and is a landmark work of American music. In this book, Kyle Gann, one of the nation's leading music critics, explains 4'33" as a unique moment in American culture and musical composition. Finding resemblances and resonances of 4'33" in artworks as wide-ranging as the paintings of the Hudson River School and the music of John Lennon and Yoko Ono, he provides much-needed cultural context for this fundamentally challenging and often misunderstood piece. Gann also

explores Cage's craft, describing in illuminating detail the musical, philosophical, and even environmental influences that informed this groundbreaking piece of music. Having performed 4'33" himself and as a composer in his own right, Gann offers the reader both an expert's analysis and a highly personal interpretation of Cage's most divisive work.

The Sexual Politics of Meat (20th Anniversary Edition) Nikki Sloane
"[A] warmly appealing romance."

—BookPage What happens when the search for the perfect date goes perfectly wrong? Declan has commitment issues. He's been an office temp for literally years now, and his friends delight in telling people that he left his last boyfriend at the altar. And that's all true. But he's starting to

think it's time to start working on his issues. Maybe. When Declan meets Sidney—a popular nonbinary YouTuber with an advice show—an opportunity presents itself: as part of The Love Study, Declan will go on a series of dates arranged by Sidney and report back on how the date went in the next episode. The dates are...sort of blah. It's not Sidney's fault; the folks participating are (mostly) great people, but there's no chemistry there. Maybe Declan's just broken. Or maybe the problem is that the only person he's feeling chemistry with is Sidney. Carina Adores is home to romantic love stories where LGBTQ+ characters find their happily-ever-afters. A collection of nine erotic, yet funny short stories, all featuring two men. These titles were all released separately as free stories but now is your chance to get them all in one great bundle. Stories included are: Dirty Boys Dirty Cop Dirty Fighters Dirty Zero Dirty Hero Dirty Play Dirty Drag Dirty Drag 2 Dirty Drag 3 *Book of Rhymes* Dirty Shorts Volume One Patricia Briggs "has reached perfection"* in this #1 New York Times bestseller, as Mercy Thompson faces a shapeshifter's biggest fear... Mercy's life has undergone a seismic change. Becoming the mate of Alpha werewolf Adam Hauptman has made her a stepmother to his daughter Jesse, a relationship that brings moments

of blissful normalcy to Mercy's life. But on the edges of humanity, what passes for a minor mishap on an ordinary day can turn into so much more... After a traffic accident in bumper-to-bumper traffic, Mercy and Jesse can't reach Adam—or anyone else in the pack. They've all been abducted. Mercy fears Adam's disappearance may be related to the political battle the werewolves have been fighting to gain acceptance from the public—and that he and the pack are in serious danger. Outmatched and on her own, Mercy may be forced to seek assistance from any ally she can get, no matter how unlikely. *The Nocturnal Library

These essays include writings from

Cornel West, Michael Omi, Audre Lorde, Gloria Anzaldua and Michelle Fine. The essays address the multiplicity and scope of oppressions ranging from ableism to racism and other less-well known social aberrations.

The Love Study Penguin

Mercy Thompson, car mechanic and shapeshifter, must face her greatest fears in this chilling entry in the #1 New York Times bestselling series. The vampire Wulfe is missing. Since he's deadly, possibly insane, and his current idea of "fun" is stalking me, some may see it as no great loss. But, warned that his disappearance might bring down the carefully constructed alliances that keep our pack safe, my mate and I must find

Wulfe—and hope he’s still alive. As alive recently divorced, a single dad and he as a vampire can be, anyway. But Wulfe isn’t the only one who has disappeared. And now there are bodies, too. Has the Harvester returned to the Tri-Cities, reaping souls with his cursed sickle? Or is he just a character from a B horror movie and our enemy is someone else? The farther I follow Wulfe’s trail, the more twisted—and darker—the path becomes. I need to figure out what’s going on before the next body on the ground is mine.

Bellwether Lyrical Press

There’s a sexy actor living next door... wouldn’t you take a peek? Adam Connor is an award-winning actor and undeniable heartthrob. He’s also

happens to live right next door to Lucy. And it might be rude to stare but Lucy just can’t help it. The ladder might have been a little much though... One night when she’s indulging her stalker side, Lucy sees something terrible and has no choice but to intervene. She had the best of intentions but Adam can’t see past it and has her arrested. After that night, they’re sworn enemies. Even though Adam knows he actually owes Lucy a lot and she can’t pretend she doesn’t still find the hot dad act quite appealing...

The Illustrated Hitchhiker's Guide to the Galaxy Spectra

The world's most infamous hacker offers an

insider's view of the low-tech threats to high-tech security Kevin Mitnick's exploits as a cyber-desperado and fugitive form one of the most exhaustive FBI manhunts in history and have spawned dozens of articles, books, films, and documentaries. Since his release from federal prison, in 1998, Mitnick has turned his life around and established himself as one of the most sought-after computer security experts worldwide. Now, in *The Art of Deception*, the world's most notorious hacker gives new meaning to the old adage, "It takes a thief to catch a thief." Focusing on the human factors involved with information security, Mitnick explains why all the firewalls and encryption protocols in the world will never be enough to stop a savvy grifter intent on rifling a corporate database or an irate employee determined to crash a system. With the help of many fascinating true stories of successful attacks on business and government, he

illustrates just how susceptible even the most locked-down information systems are to a slick con artist impersonating an IRS agent. Narrating from the points of view of both the attacker and the victims, he explains why each attack was so successful and how it could have been prevented in an engaging and highly readable style reminiscent of a true-crime novel. And, perhaps most importantly, Mitnick offers advice for preventing these types of social engineering hacks through security protocols, training programs, and manuals that address the human element of security.

The Pilot's Daughter Mlr Press

From the author of the #1 New York Times bestselling series *The Clique* comes Lisi Harrison's debut adult novel about four modern-day strangers who inherit a dirty book club that was started in the 1960s. M.J. Stark's life is picture-

perfect—she has a dream job as a magazine editor, a sexy doctor boyfriend, and a glamorous life in Manhattan. But behind her success, she can't shake a deep sense of loneliness, so when her boyfriend offers her a completely new life in California, she decides to give it a try. Once there, M.J. is left to fend for herself in a small California beach town, with only the company of her elderly neighbor, Gloria. One day M.J. receives a mysterious invitation and a copy of *Prim: A Modern Woman's Guide to Manners*. She recognizes the book as an outdated classic, but when she opens it, she discovers that it's actually a copy of *Fear of Flying* by Erica Jong and the invitation is to join Gloria's secret book club—one that only reads erotic books. Out of curiosity, M.J. goes to the meeting at a local bookstore, and discovers three other women who have also been selected by the club's original members—who have suddenly left the country to honor a fifty-year-old pact. As these unlikely friends bond over naughty bestsellers, each woman shares not only the intimate details of her own sex life, but all areas of her life. Inspired by the characters in the novels they read—and the notes passed down by the club's original members—the new members of The Dirty Book Club help each other find the courage to rewrite their own stories and risk it all for a

happy ending.

What We Found in the Sofa and How It Saved the World Simon and Schuster

“Alternatingly heart-pounding and heartbreaking. This collaboration between two best-selling authors seamlessly weaves together Olivia and Lily’s journeys, creating a provocative exploration of the strength that love and acceptance require.”—The Washington Post GOOD MORNING AMERICA BOOK CLUB PICK • PEOPLE’S BOOK OF THE WEEK Olivia McAfee knows what it feels like to start over. Her picture-perfect life—living in Boston, married to a brilliant cardiothoracic surgeon, raising their beautiful son, Asher—was upended when her husband revealed a darker side. She never

imagined that she would end up back in her sleepy New Hampshire hometown, living in the house she grew up in and taking over her father’s beekeeping business. Lily Campanello is familiar with do-overs, too. When she and her mom relocate to Adams, New Hampshire, for her final year of high school, they both hope it will be a fresh start. And for just a short while, these new beginnings are exactly what Olivia and Lily need. Their paths cross when Asher falls for the new girl in school, and Lily can’t help but fall for him, too. With Ash, she feels happy for the first time. Yet at times, she wonders if she can trust him completely. . . . Then one day, Olivia receives a phone call: Lily is dead, and Asher is being questioned by the police. Olivia is adamant that her son is innocent.

But she would be lying if she didn't acknowledge the flashes of his father's temper in Ash, and as the case against him unfolds, she realizes he's hidden more than he's shared with her. *Mad Honey* is a riveting novel of suspense, an unforgettable love story, and a moving and powerful exploration of the secrets we keep and the risks we take in order to become ourselves. *Soul Taken* Independently Published
#1 NEW YORK TIMES BESTSELLER •
"The Uninhabitable Earth hits you like a comet, with an overflow of insanely lyrical prose about our pending Armageddon."—Andrew Solomon, author of *The Noonday Demon* With a new afterword
It is worse, much worse, than you think. If your anxiety about global warming is dominated by fears of sea-level rise, you

are barely scratching the surface of what terrors are possible—food shortages, refugee emergencies, climate wars and economic devastation. An "epoch-defining book" (The Guardian) and "this generation's *Silent Spring*" (The Washington Post), *The Uninhabitable Earth* is both a travelogue of the near future and a meditation on how that future will look to those living through it—the ways that warming promises to transform global politics, the meaning of technology and nature in the modern world, the sustainability of capitalism and the trajectory of human progress. *The Uninhabitable Earth* is also an impassioned call to action. For just as the world was brought to the brink of catastrophe within the span of a lifetime, the responsibility to

avoid it now belongs to a single generation—today’s. Praise for *The Uninhabitable Earth* “The *Uninhabitable Earth* is the most terrifying book I have ever read. Its subject is climate change, and its method is scientific, but its mode is Old Testament. The book is a meticulously documented, white-knuckled tour through the cascading catastrophes that will soon engulf our warming planet.”—Farhad Manjoo, *The New York Times* “Riveting. . . . Some readers will find Mr. Wallace-Wells’s outline of possible futures alarmist. He is indeed alarmed. You should be, too.”—*The Economist* “Potent and evocative. . . . Wallace-Wells has resolved to offer something other than the standard narrative of climate change. . . . He avoids the ‘eerily banal language of climatology’

in favor of lush, rolling prose.”—Jennifer Szalai, *The New York Times* “The book has potential to be this generation’s *Silent Spring*.”—*The Washington Post* “The *Uninhabitable Earth*, which has become a best seller, taps into the underlying emotion of the day: fear. . . . I encourage people to read this book.”—Alan Weisman, *The New York Review of Books*
