For times when the world seems to be on pause, Christian leader, mentor, and author Krystal Ribble pairs biblical stories with the current familiar waiting periods of our lives, showing how we can be sure that God is with us while we wait. Now more than ever, "Sit and Wait" seems to be on everyone's agenda. Weaving stories of waiting from familiar Bible characters, *Love Me in the Waiting* helps readers to consider that the waiting times in life are always full of purpose, even if they aren't seen or felt. In *Love Me in the Waiting* readers will be encouraged as they wait, learning how they can benefit from the timeless wisdom of those who waited before us. In doing so, they can draw strength and comfort from these collected stories and know they're not alone in the waiting seasons. A companion to the waiting you're sitting through right now or have experienced in the past, *Love Me in the Waiting* takes readers through ten different biblical passages, focused on: Waiting for the Storm to Pass Waiting for New Life Waiting for Love Waiting for Reconciliation Waiting in the Wilderness Waiting for the Future Waiting for your Troubles to Pass Waiting for Deliverance Waiting on the World to Change Waiting for the Resurrection, Here and Now These passages--including the stories of Noah, Sarah, Jacob, Joseph, Moses, David, Job, Daniel, Habakkuk, and Lazarus--help anyone yearning for meaning to understand their seasons of waiting and answer questions like: Why is the Lord taking so long to give me the ending He's promised? What is He doing or teaching me while I'm waiting? How do I wait on a promise that I can't see? How can I support my loved one who is in a season of waiting? When your patience has worn thin or you're beginning to doubt

God will be around for you, take heart from the pages of scripture. This book shows that modern experiences of waiting are similar in many ways to those who have come before, and that we have more in common with our spiritual ancestors than we realize. God will never waste a minute of your waiting, and *Love Me in the Waiting* provides a reminder of that truth for us all.

Unlike her best friends Mia and Lola, Harlow Vega has a reputation for always being up for a fling. Twelve drunk and wild hours in Sin City married to the ridiculously hot and rugged Canadian fisherman Finn Roberts, who (no surprise) is amazing with his muscular hands - and his lips and the rest of his body - was just her speed. But it was just a thing: dirty, rowdy, and easy... until Finn turns up in her hometown on business. Harlow's not ready to be tied down but when the whole crew is handing out together, there's just something about him. It may not be love (hell, it may not even be like), but their exciting, tension-filled hookups provide the perfect distraction from the scary life changes they're both facing - challenges neither is sure how to handle, let alone fix. One night together turns into two, and soon Finn's mysterious business trip has gone on for weeks. They agreed on the sex-wild, wet, kinky-but now their bordercrossing booty call is starting to feel like the real deal. And for two people used to being in control, taking the ultimate plunge by falling in love feels a lot more like flat-out falling.

Ryder: Ever since she sat next to me in class and gave me death eyes, Willa Sutter's been on my shit list. Why she hates me, I don't know. What I do know is that Willa is the kind of chaos I don't need in my tidy life. She's the next generation of women's soccer. Wild hair, wilder eyes. Bee-stung lips that should be illegal. And a temper that makes the devil seem friendly. She's a thorn in my side, a menacing, cantankerous, pain-in-the-ass who's turned our Business Mathematics course into a goddamn gladiator arena. I'll leave this war zone unscathed, coming out on top...And if I have my way with that crazy-haired, ball-busting hellion, that will be in more than one sense of the word. Willa: Rather than give me the lecture notes I missed like every other instructor I've had, my asshole professor tells me to get them from the silent, surly flannel-wearing mountain man sitting next to me in class. Well, I tried. And what did I get from Ryder Bergman? Ignored. What a complete lumbersexual neanderthal. Mangy beard and mangier hair. Frayed ball cap that hides his eyes. And a stubborn refusal to acknowledge my existence. I've battled men before, but with Ryder, it's war. I'll get those notes and crack that Sasquatch nut if it's the last thing I do, then I'll have him at my mercy. Victory will have never tasted so sweet.
