The Eyes of Heisenberg New Harbinger Publications

Presents a tale of a precarious friendship between an illegal Nigerian refugee and a recent widow from suburban London, a story told from the alternating and disparate perspectives of both women.

Mean Genes A&C Black

From the author of *Jurassic Park*, *Timeline*, and *Sphere* comes a captivating thriller about a deadly extraterrestrial microorganism, which threatens to annihilate human life. Five prominent biophysicists have warned the United States government that sterilization procedures for returning space probes may be inadequate to guarantee uncontaminated re-entry to the atmosphere. Two years later, a probe satellite falls to the earth and lands in a desolate region of northeastern Arizona. Nearby, in the town of Piedmont, bodies lie heaped and flung across the ground, faces locked in frozen surprise. What could cause such shock and fear? The terror has begun, and there is no telling where it will end.

A Forbidden Romance Hachette UK

Steal, Kill & Destroy, a guide for today's Christian on how to disarm the adversary, was written with you in mind. Have you ever said to yourself, "this always happens to me," or "I can never get ahead, it seems as if I take one step forward and fall three steps behind?" Have you ever wondered why you face so much opposition, grief, and strife in different areas of your life? It is because you have an adversary! This book will equip you with the knowledge that you need in

order to stand in the victory that Jesus secured for us long ago.

Little Bee ABDO

Living with an abusive person can make your life a nightmare. Don't let them take control of your mind - find out how to get your life back. You're just too sensitive! That didn't happen.

You must be imagining things. I don't remember saying anything like that. You must have misunderstood me. Do these phrases seem familiar? Perhaps a little too familiar? If you hear them often, you might be a victim of abuse - gaslighting. It might mean that someone is manipulating you, making you not trust yourself. Someone is trying to take control of your life. If you feel yourself going crazy like you can't trust yourself, your emotions and feelings... or you find yourself apologizing, even though you did nothing wrong... Then you are being gaslighted, made to believe your reality is not the truth. But how can that happen? Gaslighters are sneaky and slippery. They will go out of their way to lie and spin you around until you don't know yourself. They will get in your head and make you unable to make the simplest decisions. Thankfully, there is hope - and a way out. Gaslighting can happen everywhere - at work, in family, in a relationship. Someone discovered they might have more power over you and they are deliberately incapacitating you emotionally. You don't want to spend your life with those people, right? It's always okay to walk away from toxicity - no matter where it comes from. Nobody should have control over your emotions and feelings - nobody but you. In "Overcome Gaslighting" you will discover: How to spot that you're being manipulated How one word out loud can make a whole lot of change How bringing a friendly coworker to meetings can save your mental health What does the

gaslighter really want from you Why your cousin's wedding might be your biggest nightmare Why compliments are not always your best friends What to do if you want to seek revenge on your abuser And much more. Again, this may not be easy. But don't let your abuser haze your vision - they are harming you! You are your own person who must fight. Become a warrior, a champion of your own mental health. Be one step ahead of your abuser - gain the tools to stop them and prevent them from doing you any harm. You, too, can become impervious to the sneaky and manipulative ways of gaslighters. Just click "Add to cart" and find out how to never be harmed by them again.

Allies Simon and Schuster

NEW YORK TIMES BESTSELLER The "paradigm-influencing" book (Christianity Today) that is fundamentally transforming our understanding of white evangelicalism in America. Jesus and John Wayne is a sweeping, revisionist history of the last seventy-five years of white evangelicalism, revealing how evangelicals have worked to replace the Jesus of the Gospels with an idol of rugged masculinity and Christian nationalism—or in the words of one modern chaplain, with "a spiritual badass." As acclaimed scholar Kristin Du Mez explains, the key to understanding this transformation is to recognize the centrality of popular culture in contemporary American evangelicalism. Many of today's evangelicals might not be theologically astute, but they know their VeggieTales, they've read John Eldredge's *Wild at Heart*, and they learned about purity before they learned about sex—and they have a silver ring to prove it. Evangelical books, films, music, clothing, and merchandise shape the beliefs of millions. And evangelical culture is teeming with muscular heroes—mythical warriors and rugged soldiers, men like Oliver North, Ronald Reagan, Mel Gibson, and the Duck Dynasty clan, who assert white masculine power in defense of "Christian America." Chief among these evangelical legends is John Wayne, an icon of a lost time when men were uncowed by political correctness, unafraid to tell it like it was, and did what needed to be done. Challenging the commonly held

assumption that the “moral majority” backed Donald Trump in 2016 and 2020 for purely pragmatic reasons, Du Mez reveals that Trump in fact represented the fulfillment, rather than the betrayal, of white evangelicals’ most deeply held values: patriarchy, authoritarian rule, aggressive foreign policy, fear of Islam, ambivalence toward #MeToo, and opposition to Black Lives Matter and the LGBTQ community. A much-needed reexamination of perhaps the most influential subculture in this country, *Jesus and John Wayne* shows that, far from adhering to biblical principles, modern white evangelicals have remade their faith, with enduring consequences for all Americans.

Only Penguin

Short, sassy, and bold, *Mean Genes* uses a Darwinian lens to examine the issues that most deeply affect our lives: body image, money, addiction, violence, and the endless search for happiness, love, and fidelity. But Burnham and Phelan don't simply describe the connections between our genes and our behavior; they also outline steps that we can take to tame our primal instincts and so improve the quality of our lives. Why do we want (and do) so many things that are bad for us? We vow to lose those extra five pounds, put more money in the bank, and mend neglected relationships, but our attempts often end in failure. *Mean Genes* reveals that struggles for self-improvement are, in fact, battles against our own genes -- genes that helped our cavewoman and caveman ancestors flourish but that are selfish and out of place in the modern world. Why do we like junk food more than fruit? Why is the road to romance so rocky? Why is happiness so elusive? What drives us into debt? An investigation into the biological nature of temptation and the struggle for control, *Mean Genes* answers these and other fundamental questions about human nature while giving us an edge to lead more satisfying lives.

The Boxcar Children Penguin

The key to a harmonious, highly effective work environment is not by ensuring you work among carbon-copies of yourself whose personalities never clash with one another or with you. That pipe dream could not ever happen, nor would it result in a successful team collaboration even if it could. Instead, most of us are going to work today with individuals who at times come across as incompetent, lazy, spotlight-hugging, whiny, or backstabbing. And then tomorrow we go to work with them again . . . and again . . . and again. Like it or not, the bulk of our waking hours are spent with people at work--people who can grate on our nerves. Therefore, learning to interact effectively with difficult employees, colleagues, and bosses is an absolute essential for our success. With *Powerful Phrases for Dealing with Difficult People*, anyone can learn how to confront head-on the difficult situations that can arise when dealing with these personalities, before they fester and spread. Helpful features

inside this practical and easy-to-use book include:

- Thirty common personality traits, behaviors, and workplace scenarios along with the phrases that work best with each
- Nonverbal communication skills to back up your words
- Sample dialogues that demonstrate how phrasing improves interactions
- A five-step process for moving from conflict to resolution
- “Why This Works” sections that provide detailed explanations

Button-pushing situations are going to come up today at work--and tomorrow too. Don't let them rent space inside of you and turning everything to mold. Instead, choose to deploy simple phrases to regain control and resolve conflicts. When you do, you, your colleagues, and your company will be all the better for it!

Surviving and Thriving with the Self-Absorbed Penguin Celebrate the twentieth anniversary of the acclaimed and influential debut album *The Miseducation of Lauryn Hill* with this eye-opening and moving exploration of Lauryn Hill and her remarkable artistic legacy. Released in 1998, Lauryn Hill's first solo album is often cited by music critics as one of the most important recordings in modern history. Artists from Beyoncé to Nicki Minaj to Janelle Monáe have claimed it as an inspiration, and it was recently included in the National Recording Registry by the Library of Congress, as well as named the second greatest album by a woman in history by NPR (right behind Joni Mitchell's *Blue*). Award-winning feminist author and journalist Joan Morgan delivers an expansive, in-depth, and heartfelt analysis of the album and its enduring place in pop culture. She Begat This is both an indelible portrait of a magical moment when a young, fierce, and determined singer-rapper-songwriter made music history and a crucial work of scholarship, perfect for longtime hip-hop fans and a new generation of fans just discovering this album.

I never meant to be the other woman... Jake and I felt a connection the moment he walked into my life, an attraction both of us tried so hard to deny. Still, I found myself longing for the very thing I couldn't have. I didn't set out to fall in love with Jake. Not when he clearly wasn't mine. He was my mother's.

The Dungeoneers Penguin

I'm an outcast and a loner, named for death itself. Fate wasn't supposed to have plans for me. But then she

came back—the girl I once kissed in a thorn-covered chapel in the woods. She came back, and I could no more resist her than I could pry out my own heart. And by some trick of fate, she wants me as much as I want her. The only problem? She also wants the man who owns Thornchapel, Auden Guest. And so do I. Eight years ago, I did something to Auden, something terrible. He hurt me back the only way he knew how, and so here we are: our hatred seasoned with pain and my loneliness seasoned with longing. The only thing we can agree on is Proserpina Markham, and she wants us to find a way to be together—all three of us. If Auden wants to earn her as his submissive, then he has to earn me as well. But with the discovery of bones behind the altar and the carnal revel of Beltane fast approaching, it's becoming clear that Thornchapel's secrets are much deeper and older than any of us could have ever guessed. And no matter how bright and merry a feast of sparks may be, it's always followed by ashes. And darkness.

Cast Out Demons and Slay Your Giants Sierra Simone June Gray's bestselling erotic serial is now available in print for the first time—as one complete novel. When the secrets of the past begin to surface, the truth can be disarming... Twenty-six-year-old Elsie Sherman has had a crush on her brother's best friend, Henry Logan, since she was twelve years old. Unfortunately, Henry—now an Air Force officer—has only ever treated her like a younger sister, stepping into her brother's shoes after he was killed in action. That is, until the night when one dance ignites a sensual fire between the two, leaving Elsie aroused and confused. Is she allowed to lust after her surrogate big brother, who also happens to be her roommate? As the passion between them crosses the line into a territory that teases with the forbidden, Elsie decides to give herself to the man she has always desired. But Elsie is not prepared for where the relationship will take her. Henry has been harboring two secrets. One can bring them closer together. The other will tear them apart. Now, with each startling new revelation, Elsie realizes that only she can decide if the past can ever be forgiven—and if a future with Henry is worth fighting for. Includes a never-before-published bonus short story.

Disarm Vintage

Brave, clear-eyed, and passionate, *Stakes Is High* is the book we need to guide us past crisis mode and through an uncertain future. The events of the past decade have forced us to reckon with who we are and who we want to be. We have been invested in a set of beliefs about our American identity: our exceptionalism, the inevitable rightness of our path, the promise that hard work and

determination will carry us to freedom. But in *Stakes Is High*, Mychal Denzel Smith confronts the shortcomings of these stories -- and with the American Dream itself -- and calls on us to live up to the principles we profess but fail to realize. In a series of incisive essays, Smith exposes the stark contradictions at the heart of American life, holding all of us, individually and as a nation, to account. We've gotten used to looking away, but the fissures and casual violence of institutional oppression are ever-present. There is a future that is not as grim as our past. In this profound work, Smith helps us envision it with care, honesty, and imagination.

Spy Ski School Basic Books

A classic tale from the Grandmaster of Science Fiction. Podkayne Fries, born and raised on Mars, has just one ambition: to earn her wings as a starship pilot and rise through the ranks to command deep-space explorations. The opportunity to travel aboard the *Tricorn*—on an interstellar journey to Venus and Earth in the company of her diplomat uncle—is a dream come true. Poddy's idea of diplomacy is keeping the peace with her troublesome brother, Clark, but she's about to learn some things about war and peace. Because her uncle is the Ambassador from Mars to the Three Planets Conference, which makes him—and his niece and nephew—potential targets for any radicals looking to sabotage the negotiations between three worlds.

The Andromeda Strain HarperCollins

Do you know someone who is overly arrogant, shows an extreme lack of empathy, or exhibits an inflated sense of entitlement? Do they exploit others, or engage in magical thinking? These are all traits of narcissistic personality disorder, and when it comes to dealing with narcissists, it can be difficult to get your point across. So how do you handle the narcissistic people in your life? You might interact with them in social or professional settings, and you might even love one—so ignoring them isn't really a practical solution. They're frustrating, and maybe even intimidating, but ultimately, you need to find a way of communicating effectively with them. *Disarming the Narcissist, Second Edition*, will show you how to move past the narcissist's defenses using compassionate, empathetic communication. You'll learn how narcissists view the world, how to navigate their coping styles, and why, oftentimes, it's sad and lonely being a narcissist. By learning to anticipate and avoid certain hot-button issues, you'll be able to relate to narcissists without triggering aggression. By validating some common narcissistic concerns, you'll also find out how to be heard in conversation with a narcissist. This book will help you learn to meet your own needs while side-stepping unproductive power struggles and senseless arguments with someone who is at the center of his

or her own universe. This new edition also includes new chapters on dealing with narcissistic women, aggressive and abusive narcissists, strategies for safety, and the link between narcissism and sex addiction. Finally, you'll learn how to set limits with your narcissist and when it's time to draw the line on unacceptable behavior.

Life After the American Dream Mango Media Inc.

A dense black cloud boiled up in the southeastern sky. It rose high and fast, like a time-lapse movie of the birth of a thunderhead. But it was no rain cloud. Wholly black, it reached up and up until it loomed over her, blocking out the sun. Somehow, she knew, it was Death coming for her. Pre-med student Coral is on vacation in Idaho when something terrible happens. The black cloud is followed by a wildfire and searing heat that lasts for days. She survives deep in a cave but emerges days later to find the world transformed, with blackened trees, an ash-filled sky, and no living creatures stirring—except for her. So begins her desperate journey: to find water, and food, and other survivors...and the answer to the mystery of what happened. *Gray I* is the first novel in a series.

20 Years of The Miseducation of Lauryn Hill Penguin

Your Way to Creativity and Confidence Journal away from anxiety and towards confidence through the power of creative writing and mind-body practices. Equal parts self-esteem workbook, adult activity book, and mindfulness journal, this indispensable guide calls all creatives to calm down and improve artistic confidence. Anxiety relief for creatives. Do you want to live a more creative life? Are you tired of the voice inside your head saying “you're not good enough,” “you're not creative enough,” blah blah blah? It's easier to be a critic than a creator, so what happens when both the anxious critic and the ambitious creator reside inside your brain? Unlike other guided journals out there, *Overcoming Creative Anxiety* shares unique journal prompts and practices that will help you get to know both your inner critic and your inner creator. Banish stress, foster self-care, and improve self-confidence. There's constructive criticism, and then there's crippling criticism. To many creatives, self-doubt and perfectionistic tendencies only aggravate artist block. So what do we do when anxiety causes creativity to come to a halt? Here, author Karen C.L. Anderson provides journal prompts that simultaneously stimulate your inner creator and provide much needed anxiety relief for your inner critic. Whether journaling for self-care or in search of stress relief, in *Overcoming Creative Anxiety: Journal Prompts & Practices for Disarming Your Inner Critic &*

Allowing Creativity to Flow you will: • Understand creativity and artistry in a whole new way • Meet, get to know, and change your relationship with your inner critic(s) • Learn practices to calm your anxiety and discover ways to harness your emotions If you enjoy activity books for adults or found books like *Tiny Buddha's Worry Journal*, *The Self Confidence Workbook*, *Calm the Fck Down*, or *The Artist's Journey* helpful, you'll enjoy *Overcoming Creative Anxiety*.

The Man from St. Petersburg Penguin

Disarm The Complete Novel Berkley

A Guide for Today's Christian on How to Disarm the Adversary. Liveright Publishing

A former international hostage negotiator for the FBI offers a new, field-tested approach to high-stakes negotiations—whether in the boardroom or at home. After a stint policing the rough streets of Kansas City, Missouri, Chris Voss joined the FBI, where his career as a hostage negotiator brought him face-to-face with a range of criminals, including bank robbers and terrorists. Reaching the pinnacle of his profession, he became the FBI's lead international kidnapping negotiator. *Never Split the Difference* takes you inside the world of high-stakes negotiations and into Voss's head, revealing the skills that helped him and his colleagues succeed where it mattered most: saving lives. In this practical guide, he shares the nine effective principles—counterintuitive tactics and strategies—you too can use to become more persuasive in both your professional and personal life. Life is a series of negotiations you should be prepared for: buying a car, negotiating a salary, buying a home, renegotiating rent, deliberating with your partner. Taking emotional intelligence and intuition to the next level, *Never Split the Difference* gives you the competitive edge in any discussion.

The Complete Novel Broadway Books

A New World in Embryo Public Law 10927 was clear and direct. Parents were permitted to watch the genetic alterations of their gametes by skilled surgeons . . . only no one ever requested it. When Lizbeth and Harvey Durant decided to invoke the Law; when Dr. Potter did not rearrange the most unusual genetic structure of their future son, barely an embryo growing in the State's special vat—the consequences of these decisions threatened to be catastrophic. For never before had anyone dared defy the Rulers' decrees . . . and if They found out, it was well known that the price of disobedience was the extermination of the human race . . . At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
