If you are serious about being a disciple of Jesus Christ—really, truly serious—a discipleship group can help you achieve that goal. Jesus established this model for us by forming and leading the first discipleship group—and it worked. The men who emerged from that group took the gospel to the world and ultimately laid down their lives for Christ. Discipleship groups can create an atmosphere for fellowship, encouragement, and accountability—building an environment where God can work. In *Growing Up: How to Be a Disciple Who Makes Disciples*, Robby Gallaty presents a practical, easy-to-implement system for

growing in one's faith. This guide offers a manual for making disciples, addressing the what, why, where, and how of discipleship. D-Groups, as Gallaty calls them, can teach you and others how to grow your relationship with God, how to defend your faith, and how to guide others in their relationships with God. *Growing Up* provides you with an interactive manual and resource for creating and working with discipleship groups, allowing you to gain positive information both for yourself and for others as you learn how to help others become better disciples for Christ.

Most discipleship resources are designed as mass productions—efficient for touching many, but often failing to see individuals grow in Christ. This is the best of both worlds—an assessment tool for your entire church, combined with an achievable, personalized discipling strategy.

Many believers struggle with assurance of salvation, tending to approach obedience to God out of either guilt or legalism. We exist to display God's glory, declare God's gospel, and disciple for God's Great Commission. Instead of embracing these truths, many Christians have believed the lie that their identity in Christ does not affect how they live their lives in obedience to him. The gospel tells us that "being" (identity) comes before "doing" (obedience). This lack of understanding

our gospel identity frequently results in either legalistic pride or frustrating guilt. The purpose of this book is to help believers understand their identity in the three persons of the Trinity and then joyfully serve God with gospel obedience. The gospel indicatives in the Bible serve as the fountain and power for obeying the moral imperatives in the Bible. The gospel roots our assurance of salvation and motivation to obey God in our identity, not in moralism, which elevates our performance instead of exalting the finished work of Christ.

*Simple Discipleship Crossway*  
A Gospel-Rich, Reproducible Model for Making Disciples as Jesus Intended  
Biblical discipleship emphasizes encouragement, repentance, and spiritual growth—essential parts of the Christian life. However, well-meaning believers often struggle to follow Jesus, unaware their views are too legalistic, licentious, or individualistic. How can churches and Christians develop a healthy, successful path to disciple-making? In this second edition of *Gospel-Centered Discipleship*, Jonathan Dodson presents an effective, Spirit-led model for sanctification. Reminding readers that real discipleship is imperfect yet transformational, Dodson encourages Christians to engage more authentically with others as they grow in faith. Drawing from his own failures and successes while following Jesus, Dodson defines discipleship, describes the heart of a disciple, and gives practical guidance for mentor and peer-based discipleship as Jesus intended. Revised and Expanded: Includes three new chapters and new illustrations  
Applicable: Shows how discipleship can be practical and gospel-centered  
Theological: Addresses the Holy Spirit's involvement in discipleship  
Foreword by Matt Chandler: Author of *The Explicit Gospel*
