I AM THAT I AM. I am The LORD Jesus Christ who was born of blood and water through a chosen virgin. I am Jesus who was crucified, died, and risen from the grave. I am alive forever and I have the keys. I have the power to forgive sins. I AM GOD alone and there is none else. Therefore, by my name, I forgive you of all your sins. You are forgiven. I love you, and nothing or anyone will never change the truth that I am love. Know in your heart right now, that I Jesus love you, accept you, and forgive you. Believe and receive my mercy which endureth forever. By my mercy, grace, and goodness you are forgiven. It does not matter what you have done, who you did it to, who you did it with, how dark the deed, or how many times you have done it. All that matters right now is that you believe in me, The LORD God. It is I, the Holy One of Israel who forgives you of all your wrongs, sins, and shortcomings. You will never be able to "work your way into heaven, work your way into eternal life, or work your sins away." You enter into my rest only by my Son, Jesus Christ whom I sent to earth to be the atonement Lamb in your place. My Word and blood shed upon the cross at Calvary, Jerusalem is washing over you right now and cleansing you; making you right with me, thus making peace with me the Father. Know and understand that it is I, the Holy Spirit who will keep you in my grace because I live and dwell in you when you believe in me. Trust in me the LORD God. I am meek and think good thoughts towards you whom I love, accept, and forgive. Come unto me, and I will give your thirsty souls rest. 1 John 2:12.; Daniel 9:9; Luke 7:47-48; Ephesians 4:32; Matthew 6:12-15; 2 Corinthians 2:7; Colossians 2:13 and Colossians 3:13; 2 Chronicles 7:14; Psalm 130:4; Psalm 86:5; Psalm 32:1; Romans 4:7; Luke 6:37; and Ephesians 1:7.

This time in our society is unlike any other. People communicate daily without ever having to speak face to face, news breaks around the world in a matter of seconds, and favorite TV shows can be viewed at our convenience. We are, simultaneously, a people of connection and isolation. As Christians, how do we view our faith and personal ministry in this culture? Adam Thomas invites you to explore this question using his unique, personal, and often humorous insight. Thomas notes, "The Internet] has added a new dimension to our lives; we are physical, emotional, spiritual, and now virtual people. But I believe that God continues to move through every facet of our existence, and that makes us new kinds of followers. We are digital disciples." "I gain renewed hope for the future by looking at a new generation of emerging Christian leaders like Adam Thomas." Brian McLaren, author of A New Kind of Christianity "Digital Disciple is a new kind of pastor's sermon to a new kind of flock. Go ahead and tweet your friends: GOT 2 READ THIS." Jonathan Wilson-Hartgrove, author, speaker and new monastic "Bright, innovative, perceptive, eloquent, and imaginative -- Adam Thomas is all that and more, as you will see in the pages of his dynamic book." It is hard to deny that today's world can seem apathetic toward Christians. Some may look down at their iPhones when we mention God, motion for the check when we bring up church, or casually change the subject when we talk about prayer. In a world full of people whose indifference is greater than their desire to know Christ, how can we dream of growing the church? In Contagious Disciple Making, David Watson and Paul Watson map out a simple method that has sparked an explosion of homegrown churches in the United States and around the world. A companion to Cityteam's two previous books, Miraculous Movements and The Father Glorified, Contagious Disciple Making details the method used by Cityteam disciple-makers. This distinctive process focuses on equipping spiritual leaders in communities where churches are planted. Unlike many evangelism and church-growth products that focus on quick results, contagious disciple-making takes time to cultivate spiritual leadership, resulting in lasting disciple-making movements. Through Contagious Disciple Making readers will come to understand that a strong and equipped leader will continue to grow the church long after church planters move on to the next church. Features include: Engagement tools for use in the field Practical techniques to equip others to make disciples

Title of this booklet is: PREFERRED VERSUS AUTHENTIC IDENTITY. It is the third in the Daughters of Sarah Ministry Eight(8) volume SPIRITUAL IDENTITY THEFT series, which begins with: INTRODUCING SPIRITUAL IDENTITY THEFT(Volume 1) and concludes with: THE NEED FOR TRAINING(VOLUME 8) SPIRITUAL IDENTITY THEFT SERIES VOLUME TITLE . 1 INTRODUCING SPIRITUAL IDENTITY THEFT . 2 UNDERSTANDING MY CREATIVE IDENTITY . 3 PREFERRED VS AUTHENTIC IDENTITY . 4 APPRECIATING MY RECREATED IDENTITY . 5 TARGETED THREAT . 6 WINNING STRATEGIES . 7 THE EMPOWERED IDENTITY . 8 THE NEED FOR TRAINING It is very important for every person to know, understand and operate within his/her God given

identity, yet the matter of true identity is one of the most ignored and misunderstood among Christians today. So many are making choices based on their preferences or feelings instead of the truth as revealed in the Scriptures. Amid the confusion in the world today, it is clear that the Christians; especially Christian youths are targeted. Many are losing their spiritual identity in the market place and operating in the flesh just as the unbelieving youths. We must focus on knowing our identity in Christ and training others to boldly stand with the knowledge of this unshaken identity in Christ in order to resist the pressures to conform to the mould of the world. This is 'True Empowerment'! The Church should be about the business of empowering the emerging leaders for the glory of God. In view of this, the Lord has brought out this work for a time like this. While this is still a work in progress, we sense the urgency to begin to release it in bits to edify the Church while trusting God to complete what He has started. What you have in your hand is one of these booklets and we encourage you to get and read the other booklets for your edification God bless you. One of our greatest concerns in life is the thought or belief about who we are. These kinds of thoughts constitute identity issues. 'Who do people say I am?' Mark 8:27 'But who do you (someone else) say I am?' Mark 8:29 'What am I here for?' 'What can I do to make a difference?' Identity Pronounced as [ahy-den-ti-tee] noun Plural: identities 1. The quality or fact of (several specified things) being the same. 2. The character that marks off an individual from the rest of the same kind. Ref: [.http://wiktionary.org](http://wiktionary.org) Identity issues have become very delicate especially with the increase in security challenges. For instance, if you are going through airport security, you are made to take everything out of your bag, remove your

belts, jackets and even take your shoes off. At the time of boarding the aircraft, additional information is asked for- any personal identification document, like international passport or national identity card. In spite of the fact that you have a valid boarding pass, without proper identification you cannot go into the aircraft. All these processes can be really annoying but are necessary for proper investigation and security. In the same vein, what do you own as an individual that reveals your personal information? A birth certificate, a certificate of origin? What are you carrying with you right now that contains your personal information? An identity card, a driver's license, a credit/debit card, a checkbook, any piece of paper containing your phone number or birthday, your phone itself? All these tell a lot about you, who you are, where you come from. It is therefore very important to keep all these information about yourself secure and be careful to whom you reveal what about yourself, to prevent any form of identity misplacement and even to protect your physical identity from being stolen. Tied very closely to identity is the concept of self-worth, which refers to the value or the price tag one places on one's self. Your identity announces your worth. The higher the quality of your identity the higher your worth! Knowing your true identity is the key to knowing the enormity of your capacity for good or evil. It is the most important power that determines the quality of your thoughts and unique characteristics- why I talk and don't mew, why a dog barks and a horse neighs.
