My father was the happiest man I ever knew. One of the

reasons for this was his singing faith. To feel the significance of this, you need to understand that he was a fundamentalist. That's not a bad word in my vocabulary. And he's the reason. Fundamentals are worth dying for and fighting for. But that fight has killed the Song in the hearts of many people. But not in Bill Piper.

Raising Godly Children in an Ungodly World Zondervan

The bestselling book The Measure of a Man continues to impact millions of men around the world, but it has long been author Gene Getz's dream to bring that message to young men who are still in the process of finding their identities. When his son, Kenton, was in junior high, Gene wrote a series of letters to him based on 1 Timothy 4:12: "Don't let anyone look down on you because you are young, but set an example for the believers in speech, in life, in love, in faith and in purity." Out of that verse, Gene drew seven principles that he hoped would inspire Kenton to become a young man of faith, strength and godly purpose. Gene and his son, who is now a father of five, have teamed up to share these principles with young men and their families. The Measure of a Young Man challenges readers to find their identity in Christ and to set a high standard for themselves in words, in daily living, in loving others, in growing faith and in sexuality. It also encourages young men to reach out to a network of fathers, grandfathers, youth pastors and Christian peers who will support their growth to faithful, godly maturity.

In the Garden of Eden, there was only one "No." Everything else was "Yes." In this short book on Christian childrearing, Douglas Wilson points out that we have a Father who delights in us and makes it easy for us to love and obey him. If that is the kind of Father we have, shouldn't we earthly parents do the same? Wilson explains how parents should not just try to get their kids to obey a set of rules or to make their house so fun that following the rules is always easy. Instead, he calls for parents to instill in their kids a love for God and His standards that will serve them well all their days. This book also features an appendix in which Doug and his wife Nancy answer various parents' questions about various applications of the principles discussed in this book.

Habits of Grace Zondervan

The Christian life is built on three seemingly unremarkable practices: reading the Bible, prayer, and fellowship with other believers. However, according

to David Mathis, such “ habits of grace ” are the God-designed channels through which his glorious grace flows—making them life-giving practices for all Christians. Whether it ’ s hearing God ’ s voice (the Word), having his ear (prayer), or participating in his body (fellowship), such spiritual rhythms of the Christian life have the power to awaken our souls to God ’ s glory and stir our hearts for lifelong service in his name. What ’ s more, these seemingly simple practices grant us access to a host of spiritual blessings that we can only begin to imagine this side of eternity—and the incredible joy that such blessings bring to God ’ s children today.
