The Book of Titus has much to teach women, both younger and older, about how to live godly lives in the midst of an ungodly culture. This teaching is exactly what women need today. Even in the church words like "discretion", "modesty" and "purity" are literally disappearing from view. It's time to revive the truths of biblical womanhood and the Titus 2 model. Tucked between the precious pages of Titus in chapter 2 is the secret to living out God's beautiful design for women; both younger and older. This seven week study can be used effectively for small groups, individual study or in a mentoring relationship setting.

Celebration of Discipline
Tyndale House Publishers, Inc.

Our multicultural world needs countercultural disciplers. People from all over the world are coming to Christ from a variety of backgrounds. This requires more people who are willing to commit to the effort and sacrifice it takes to invest in new believers. Rooted in over four decades of multicultural discipleship

experience, Ajith Fernando offers biblical principles for discipling and presents examples showing how they apply to daily life and ministry. He addresses key cultural challenges, such as the value of honor and shame, honoring family commitments, and dealing with persecution, and helps us think realistically about the cost and commitment required for productive cross-cultural ministry. This practical guide to discipleship will help us help others grow into mature and godly followers of Christ.

"Life comes at us from every direction with instructions others think we should follow. But worldly strategies often leave out one key directive--God's plan for our lives, the Word-filled life. Dr. Barnett closely studied the nearly 3,000 lives recorded in the

Bible, as well as many of the major figures who have crossed the world's stage to find those God used to magnify His Name in this world. The common denominator was their choosing to discipline themselves for God, to find the quality life that He wants for each of us. The Scriptures offer instruction on how to have a joyous Word-filled life that includes better relationships with our God, our families, our friends, and a work life that can be satisfying, purposeful and rewarding. This richly researched and practical study guide of God's Word shows how He wants to greatly bless us and offers His clear guidelines for how to have an exciting lifetime filled with confidence, purpose, direction and hope"--Back cover.

Point blank, this is a punchy, no-holds-barred book for young men that lays out the call and command to be disciplined, godly, and sold-out for Jesus. Addressing topics such as purity in one 's thought-life, peer pressure, and perseverance as a Christian, this specially adapted work stands to influence a struggling generation. Using the same no-nonsense approach that made R. Kent Hughes ' **Disciplines of a Godly Man**

a positive influence on thousands of adults, this adaptation by Kent, his son Carey, and veteran youth leader Jonathan Carswell outlines the disciplines necessary to help a young man align every facet of his life with the fundamental truths of the Bible. It not only teaches how to live a life of Christian discipline, but also instills the desire to do so into a young heart longing to live a life of integrity, meaning, and fulfillment.

In the twenty years since its publication, *Celebration of Discipline* has helped over a million seekers discover a richer spiritual life infused with joy, peace, and a

deeper understanding of God. For this special twentieth anniversary edition, Richard J. Foster has added an introduction, in which he shares the story of how this beloved and enduring spiritual guidebook came to be. Hailed by many as the best modern book on Christian spirituality, *Celebration of Discipline* explores the "classic Disciplines," or central spiritual practices, of the Christian faith. Along the way, Foster shows that it is only by and through these practices that the true path to spiritual growth can be found. Dividing the *Disciplines* into three movements of the Spirit, Foster shows how each of these areas contribute to a balanced spiritual life. The inward *Disciplines* of meditation, prayer, fasting,

and study, offer avenues of personal examination and change. The outward Disciplines of simplicity, solitude, submission, and service, help prepare us to make the world a better place. The corporate Disciplines of confession, worship, guidance, and celebration, bring us nearer to one another and to God. Foster provides a wealth of examples demonstrating how these Disciplines can become part of our daily activities- and how they can help us shed our superficial habits and "bring the abundance of God into our lives." He offers crucial new insights on simplicity, demonstrating how the biblical view of simplicity, properly understood and applied, brings joy and balance to our inward and outward lives and "sets us free to enjoy the

provision of God as a gift that can be shared with others."

The discussion of celebration, often the most neglected of the Disciplines, shows its critical importance, for it stands at the heart of the way to Christ.

Celebration of Discipline will help motivate Christians everywhere to embark on a journey of prayer and spiritual growth.

Thoughts for Young Men

Tyndale House

Based on the National Study of Youth and Religion--the same invaluable data as its

predecessor, *Soul Searching: The Religious and Spiritual Lives of American Teenagers*--Kenda Creasy Dean's compelling new book, *Almost Christian*, investigates why American teenagers are at once so positive about Christianity and at the same time so apathetic about genuine religious practice. In *Soul Searching*, Christian Smith and Melinda Lundquist Denton found that American teenagers have embraced a "Moralistic Therapeutic Deism"--a hodgepodge of banal, self-serving, feel-good beliefs that bears little resemblance to traditional Christianity. But far from faulting teens, Dean places the blame for this theological watering down squarely on the churches themselves. Instead of proclaiming a God who calls believers to lives of love, service and sacrifice, churches offer instead a bargain religion, easy to use, easy to forget, offering

little and demanding less. But what is to be done? In order to produce ardent young Christians, Dean argues, churches must rediscover their sense of mission and model an understanding of being Christian as not something you do for yourself, but something that calls you to share God's love, in word and deed, with others. Dean found that the most committed young Christians shared four important traits: they could tell a personal and powerful story about God; they belonged to a significant faith community; they exhibited a sense of vocation; and they possessed a profound sense of hope. Based on these findings, Dean proposes an approach to Christian education that places the idea of mission at its core and offers a wealth of concrete suggestions for inspiring teens to live more authentically engaged Christian lives. Persuasively and accessibly

written, *Almost Christian* is a wake up call no one concerned about the future of Christianity in America can afford to ignore.
