The Book of Titus has much to teach women, both younger and older, about how to live godly lives in the midst of an ungodly culture. This teaching is exactly what women need today. Even in the church words like "discretion", "modesty" and

"purity" are literally disappearing from view. It's time to revive the truths of biblical womanhood and the Titus 2 model. Tucked between the precious pages of Titus in chapter 2 is the secret to living out God's beautiful design for women; both younger and older. This seven week study can be used

effectively for small groups, individual study or in a mentoring relationship setting.

'You're worth it.' 'You deserve a break today.' 'Do something nice for yourself.' Commonly heard phrases in this society committed to self-gratification and individual rights. Doing things for other people is a waste of precious time, and asking for help, weak. So how do we build the church described in the Scriptures? In this day and age,

---

how can we be a genuine community based on self-sacrifice and mutual commitment? In *Spiritual Disciplines Within the Church*, seminary professor, author, and former pastor Don Whitney shows us how to build a sense of community and be active participants instead of passive attendees. Whitney looks at such frequently asked questions as: Why can't I get by on my own? Why should I go to church? Why should I give of myself to the church? Why do I need to worship in church? Couldn't I just worship in nature? Why does it matter whether I become

a member of the church? Committed love must mark the local expression of the body of Christ. By putting spiritual disciplines into practice in the church, congregations can return to the depth of community present in the New Testament church, where they 'devoted themselves to the apostles' teaching and to the fellowship, to the breaking of bread and to prayer.'

Discipline Moody Publishers In the twenty years since its publication, *Celebration of Discipline* has helped over a million seekers discover a richer spiritual life infused

with joy, peace, and a deeper understanding of God. For this special twentieth anniversary edition, Richard J. Foster has added an introduction, in which he shares the story of how this beloved and enduring spiritual guidebook came to be. Hailed by many as the best modern book on Christian spirituality, *Celebration of Discipline* explores the "classic Disciplines," or central spiritual practices, of the Christian faith. Along the way, Foster shows that it is

---

only by and through these practices that the true path to spiritual growth can be found. Dividing the Disciplines into three movements of the Spirit, Foster shows how each of these areas contribute to a balanced spiritual life. The inward Disciplines of meditation, prayer, fasting, and study, offer avenues of personal examination and change. The outward Disciplines of simplicity, solitude, submission, and service, help prepare us to make the world a better

place. The corporate Disciplines of confession, worship, guidance, and celebration, bring us nearer to one another and to God. Foster provides a wealth of examples demonstrating how these Disciplines can become part of our daily activities- and how they can help us shed our superficial habits and "bring the abundance of God into our lives." He offers crucial new insights on simplicity, demonstrating how the biblical view of simplicity, properly understood and applied,

brings joy and balance to our inward and outward lives and "sets us free to enjoy the provision of God as a gift that can be shared with others." The discussion of celebration, often the most neglected of the Disciplines, shows its critical importance, for it stands at the heart of the way to Christ. Celebration of Discipline will help motivate Christians everywhere to embark on a journey of prayer and spiritual growth. [This Changes Everything](#)

Our multicultural world needs countercultural disciplers. People from all over the world are coming to Christ from a variety of backgrounds. This requires

more people who are willing to commit to the effort and sacrifice it takes to invest in new believers. Rooted in over four decades of multicultural discipleship experience, Ajith Fernando offers biblical principles for discipling and presents examples showing how they apply to daily life and ministry. He addresses key cultural challenges, such as the value of honor and shame, honoring family commitments, and dealing with persecution, and helps us think realistically about the cost and commitment

required for productive cross-cultural ministry. This practical guide to discipleship will help us help others grow into mature and godly followers of Christ.

The soul being so precious, and salvation so glorious-it is the highest point of prudence to make preparations for the eternal world. It is beyond all dispute, that there is an inheritance in light; and it is most strenuously asserted in Holy Scripture that there must be a fitness and suitability for it (Col. 1:12). If anyone asks, ""Who shall ascend into the hill of the Lord?"" the answer is, ""He who has clean hands, and a pure heart"" (Psalm

24:4). To describe such a person is the work of this ensuing treatise.

The Christian life is built on three seemingly unremarkable practices: reading the Bible, prayer, and fellowship with other believers. However, according to David Mathis, such “ habits of grace ” are the God-designed channels through which his glorious grace flows—making them life-giving practices for all Christians. Whether it ' s hearing God ' s voice (the Word), having his ear (prayer), or participating in his body (fellowship), such

spiritual rhythms of the Christian life have the power to awaken our souls to God's glory and stir our hearts for lifelong service in his name. What's more, these seemingly simple practices grant us access to a host of spiritual blessings that we can only begin to imagine this side of eternity—and the incredible joy that such blessings bring to God's children today.

"The church must be distinct from the world to reach the world." - From Chapter 1 "But you are a chosen race, a royal priesthood, a holy nation, a people for [God's] own

possession, that you may proclaim the excellencies of him who called you out of darkness into his marvelous light" (1 Peter 2:9, ESV). Holy and dedicated to declaring the excellencies of God—this is the church, or is it? Can we really call the church holy? A minority of those who claim to be born again say they believe in moral absolutes (Source: Barna Research). One third of evangelicals between the ages of 18 and 35 have no problem with unmarried men and women living together (Source: Evangelical Alliance). Evangelical Christianity is becoming increasingly worldly. Materialism, hedonism, violence, sexual misconduct, pluralism, and divorce are becoming as common

within the church as without. As a result the church is losing its distinct identity as a people set apart to reach the world. In this book, R. Kent Hughes builds a case for godliness in the church—a case that echoes the biblical call to holiness. The church can reach the world only if it keeps itself from being ensnared by the world. Hughes is not simply urging Christians to say no to worldliness—he is calling the church to say yes to Christ and to his call to reach our lost world.
