Extraordinary Psychic Llewellyn Worldwide
There could be many reasons why you're drawn to this book — or perhaps synchronicity had a part to play in that this book somehow found you! Are you looking for answers as to what happens to your loved ones after they've

passed? Perhaps you're wondering what you should do after having had your own psychic experience. Whether you're a student of psychic studies or a practicing medium, a believer or a skeptic, or someone who is bereaved as a result of a loss, this book was written to provide you with all the answers to your questions about the Other-Side. In *Bridging Two Realms*, renowned psychic medium John Holland offers one of the clearest pictures anyone could

have of the Spirit World. He draws on his decades of personal experiences with Spirit, and includes inspirational stories and real-life case studies, to help you pursue the unfoldment of your own spiritual abilities safely and wisely. His hope is to help the bereaved by giving them comfort and inspiration in knowing that there really is life after physical death. There is evidence of the Spirit World and what happens in those spiritual realms. Your loved ones are just a thought away, and

you can still communicate with them. They're still close, and they often try to reach out to us to lend their love and support. Ultimately, you will learn that mediumship is not just about connecting to the Spirit World; it's just as much about helping and healing the living. There are spiritual bridges that can be built to connect to your loved ones who have passed, as well as the most important bridge of all: the bridge to your own spirit. *Awakening Your Psychic Powers* Llewellyn

Adventures in Healing with a Holistic Radiologist Your Psychic Self Red Feather Have you ever experienced an intuitive flash about a person or situation? Did you act on this feeling, or did you dismiss it because you felt it wasn't tied to reality? In this guide, author Alain Jean-Baptiste posits that this "knowing" likely came to your lost seven senses, which are hidden beyond the familiar five: sight, hearing, taste, touch and smell... Explaining how humans gather information using the basic five senses, Alain details how the

cultivation of these lost senses will assist you in unlocking your intuitive abilities and how to discover your psychic abilities: - The Sense of Imagination links the physical and the nonphysical senses - Learn the 5 tricks for restoring the Sense of Balance to its state of equilibrium - Discover 3 ways in which The Sense of Life can help you attune yourself to someones life force - Recognize the 7 voices of your soul by using your Sense of Voice to better understand yourself - The sense of Movement can help you better distinguish patterns and trends more precisely - The

Sense of Warmth can help you strengthen your relationships - The Sense of Substance enables your mind to access information about objects at a distance In this guide, author Alain Jean-Baptiste uses personal experience, case studies, examples, and exercises to help you not only see, but imagine and live in a world in which communicating with the other side, seeing the future, establishing rapport more spontaneously with others, predicting economic trends, and bringing medicine to a whole new level can be a reality.
