The online product includes practice forms.

Mastering Legal Matters: Introduction to Discovery in Family Law Springer Science & Business Media

Skills & Values: Discovery Practice is designed to serve as an introduction to the practical application of the discovery rules. The book and the companion Web Course introduce each discovery topic briefly and then provide a context and structure for exercises and self-study. Skills & Values: Discovery Practice can

be used by a professor teaching a full pre-trial course, or one focused just on discovery law. It can be used alone or in conjunction with another pre-trial text. It can be used with the problem set provided in the appendix and in the Web Course or with a professor's own problem set. It also can be used in a mentorship program in a civil litigation law firm. Each chapter of the book offers an introduction to the key aspects of discovery and then offers exercises that focus on the governing Federal Rule of Civil Procedure (FRCP). The chapters are organized in the order that the discovery rules are most commonly used. The exercises at the end of each chapter ask the student to put the governing rules into action by actually drafting the discovery documents described in the preceding chapter. The book covers the following topics:

- Planning for Discovery
- Initial Disclosure
- Interrogatories and Answers to Interrogatories
- Document Requests and Answers to Document Requests
- eDiscovery
- Motion to Compel Production
- Expert Witness Disclosure
- Depositions of Fact and Expert Witnesses
- Requests for Admission and Answers to Requests for Admission
- Motion in limine
- Settlement

Handling Federal Discovery Gospel Light Publications

Many Christians spend their lives trying to act right, think right, and pray right - based on what they've heard God expects - only to end up frustrated, burned out, and wondering "is this really the kind of relationship God wants for his children?" Other believers face a perpetual wrestling match with guilt, doubts, and questions about their faith. It doesn't have to be that way. Many of us rely on secondhand information to understand the kind of relationship God wants with us, instead of looking to the scriptures. Yet if we take a closer look, we find that He has given us the answers to many of our deepest questions in his word. Discovery addresses many of these questions, guiding readers through Old and New Testament passages to find the answers we yearn for. Thoughtful questions at the end of each chapter help us take the next step - moving "head knowledge" to "heart knowledge." Discovery helps redirect those who have grown up knowing about the lord, but who have not experienced the deep, meaningful relationship He wants with them. And for new believers, this study will help them begin their walk with God on the right foot. All believers can experience joy, peace, and a

sense of God's love, even in the midst of a question-filled world. ORIGINALLY PUBLISHED BY NAVIGATOR'S DAWSON MEDIA. They said: All Bible studies seem alike. They're beneficial, but they don't address the key issues and questions of our lives today. Discovery does this, and it changes lives in the process. This is for anyone who's done "Experiencing God" and is looking for more.
