[Edition\): Robert ...](#)

Robert Kroese's "Disenchanted" is a tough book to summarize. It's a decent, light, fantasy book. It's got some humor, parodies a lot of the standard elements of the fantasy genre, and includes references to various pop culture elements (for instance, the Black Knight scene in Monty Python and the Holy Grail (Special Edition)) and even some fairly current politics.

Disenchanted (Audiobook) by Robert Kroese satire first and foremost and a fantasy  
| Audible.com

I was first introduced to Robert Kroese through his book Mercury Falls, a tale about an anti-establishment angel and a magazine reporter must negotiate the bureaucracies of heaven and hell to prevent the arrival of Armageddon. I recently picked up another of his books called Disenchanted, the first in his Land of Dis s Disenchanted (Land of Dis, #1) by Robert Kroese

Disenchanted by Robert Kroese is a blast of a fantasy romp. I am a huge fan of Kroese and absolutely adore his Mercury series and Schr ö dinger's Gat blends all of my favorite genres. This book is straight out of the Terry Pratchett camp of writing. It is a

second.
