Jill Winger, creator of the award-winning blog The Prairie Homestead, introduces her debut The Prairie Homestead Cookbook, including 100+ delicious, wholesome recipes made with fresh ingredients to bring the flavors and spirit of homestead cooking to any kitchen table. With a foreword by bestselling author Joel Salatin The Pioneer Woman Cooks meets 100 Days of Real Food, on the Wyoming

prairie. While Jill produces much of her own food on her Wyoming ranch, you don't have to grow all—or even any—of your own food to cook and eat like a homesteader. Jill teaches people how to make delicious traditional American comfort food recipes with whole ingredients and shows that you don't have to use obscure items to enjoy this lifestyle. And as a busy mother of three, Jill knows how to make recipes easy and delicious for all ages. "Jill takes you on an insightful and delicious journey of becoming a homesteader. This book is packed with so much easy to follow, practical, hands-on information about steps you can take towards integrating homesteading into your life. It is packed full of exciting and mouth-watering recipes and heartwarming stories of her unique adventure into homesteading. These recipes are ones I know I will be using regularly in my kitchen." - Eve Kilcher These 109 recipes include her family's favorites, with maple-glazed pork chops, butternut Alfredo pasta, and browned butter skillet corn. Jill also shares 17 bonus recipes for homemade sauces, salt rubs, sour cream, and the like—staples that many people are surprised to learn you can make yourself. Beyond these recipes, The Prairie Homestead Cookbook shares the tools and tips Jill has learned from life on the homestead, like how to churn your own butter, feed a family on a budget, and experience all the fulfilling satisfaction of a DIY lifestyle.

Advances in Hydrochloric Acid Research and

Application: 2013 Edition Createspace Independent Publishing Platform
In this updated edition of her best-selling book, *The Naturally Clean Home*, Karyn Siegel-Maier brings together the formulas for home cleaning solutions that readers have trusted for years with new information and ingredients updated to today's green standards. A new introduction shines a light on the antiseptic properties of essential oils, addressing different grades of oil and their effectiveness against bacteria and viruses, as well as updated safety precautions and cost. Updated recipes eliminate Borax (banned as a food additive in the US and from cosmetic and cleaning products in the EU) from ingredient lists, replacing it with safe substitutes that include citric acid powder, hydrogen peroxide, diatomaceous earth, cornstarch, washing soda, and baking soda. New recipes show readers how to make easy, nontoxic, environmentally friendly substitutes for popular cleaning products, including molded laundry and dishwasher tablets. Packaging updates emphasize the use of glass containers for homemade cleaning products, to diminish environmental impact of plastic waste. This publication conforms to the EPUB Accessibility specification at WCAG 2.0 Level AA.
