Ultimate Sticker Collection: Disney Pixar Cars Golden/Disney First published in 1981, this book has long been recognized as the ' bible of Scalextric ', providing a complete catalogue of the cars and equipment produced. Now, for this seventh edition, the book has undergone a transformation, with a complete redesign and masses of new information about cars, sets and accessories produced around the world. As well as extra detail about earlier periods, there is full coverage of all the new Scalextric products launched in the four years that have elapsed since the previous edition. Now containing nearly 1,000 photographs, this book has become an extraordinarily detailed summary of everything in the world of Scalextric, written by an author who has been captivated by the subject for nearly 50 years.

The 2022 Kovels' Antiques and Collectibles Price Guide is the most complete and best-illustrated price guide available -- with 11,500 listings and more than 3,000 full-color photographs -- from the most trusted name in the industry. The Kovels are the most trusted source for both the casual and expert collector. With 11,500 actual prices and 3,000 full-color photographs, the guide also features exceptionally well-organized, wide-ranging, and up-to-the-minute information, and includes more tips, marks, logos, and photographs than any other competitive title. Kovels' is the only guide with prices based on actual sales from the previous calendar year, never estimates. Unlike other guides, which focus almost exclusively on English or high-priced items, Kovels' covers all American and international items and includes reasonably-priced goods. The book is organized by categories most sought-after by collectors, including depression glass, dolls, jewelry, furniture, porcelain, and sports memorabilia. Indexes, cross-references, and expert commentary throughout empower readers to collect with confidence and price their own antiques.

Pocket Cars(R) are a unique toy in a large world of diecast. They represent a bold move by a Japanese toy producer to capture the American market in the 1970's, just as Honda, Toyota and Datsun were doing at the same time with automobiles. It is partly for that reason that the collector interest in these models is growing rapidly, as the historical significance and quality workmanship of these models is becoming apparent. This book covers all models produced from 1974 to 1979 and includes rarity, desirability, and prices so the collector can understand the market and assemble a collection at a fair price. It also covers all varieties known at this time and shows pictures of every model. I hope you enjoy reading it and use it often while assembling your collection.
