Attuned to a world of natural signs—the stars, the winds, the curl of ocean swells—Polynesian explorers navigated for thousands of miles without charts or instruments. They sailed against prevailing winds and currents aboard powerful double canoes to settle the vast Pacific Ocean. And they did this when Greek mariners still hugged the coast of an inland sea, and Europe was populated by stone-age farmers. Yet by the turn of the twentieth century, this story had been lost and Polynesians had become an

oppressed minority in their own land. Then, in 1975, a replica of an ancient Hawaiian canoe—Hōkūle‘a—was launched to sail the ancient star paths, and help Hawaiians reclaim pride in the accomplishments of their ancestors. *Hawaiki Rising* tells this story in the words of the men and women who created and sailed aboard Hōkūle‘a. They speak of growing up at a time when their Hawaiian culture was in danger of extinction; of their vision of sailing ancestral sea-routes; and of the heartbreaking loss of Eddie Aikau in a courageous effort to save his crewmates when Hōkūle‘a capsized in a raging storm. We join a young Hawaiian, Nainoa Thompson, as he rediscovers the ancient star signs that guided his ancestors, navigates Hōkūle‘a to Tahiti, and becomes the first Hawaiian to find distant landfall without charts or instruments in a thousand years. *Hawaiki Rising* is the saga of an astonishing revival of indigenous culture by voyagers who took hold of the old story and sailed deep into their ancestral past.

Annie Lyncroft knew her scheme was outrageous. She'd come to the elegant penthouse to meet Oliver Rain, the richest and possibly the most dangerous man in the Pacific Northwest. Annie needed this sensual, secretive corporate maverick for what she was about to propose. Marriage! With her brother Danny missing after a mysterious plane crash, Annie is struggling to protect his hot electronics company from the sharks who think he's not coming back. But fanciful, ethical Annie -- who usually runs a bizarre bric-a-

brac shop knows Danny's alive, and she's determined to keep his company safe by putting his biggest investor at the helm. When Oliver actually says yes to the marriage of convenience, Annie dreamily envisions a few platonic weeks of helping him become a sensitive New Age guy. Oliver has a different plan; his cold, gorgeous eyes have been watching Annie, and he sees his chance to seduce the beautiful schemer. Love is the wild card destined to teach these two strong-willed opposites a lesson: icy control might run the business world, but all hell is about to break loose in the passionate territory of the heart.

Opening with a powerful and tender 'Ode to the Hymen', Sharon Olds uses this age-old poetic form to address many aspects of herself, in a collection that is centred around the female body and

female pleasures, and touches along the way on parts of her own story which will be familiar from earlier works, each episode and memory now burnished by the wisdom and grace of looking back. In such poems as 'Ode to My Sister', 'Ode of Broken Loyalty', 'Ode to My Whiteness', 'Blow Job Ode', 'Ode to the Last 38 Trees in New York City Visible from This Window', Olds treats us to an intimate self-examination that, like all her work, is universal and by turns searing and charming in its honesty. From the early bodily joys and sorrows of her girlhood to the recent deaths of those dearest to her - the 'Sheffield Mountain Ode' for Galway Kinnell is one of the most stunning pieces here - Olds shapes her world in language that is startlingly fresh, profound in its conclusions, and life-giving for the reader.
