It's a Small World (Disney Classic) Disney Electronic Content

"You believe in pirates, of course?" Walt Disney once asked on a Disneyland television program. . . . Disney Pirates: The Definitive Collector's Anthology delves behind-the-scenes across ninety years of Disney film, television, and park history. Pirates have captured people's imaginations for centuries, and Walt Disney believed in pirates as a source of great popular entertainment. Walt's very first all live-action feature film was based upon Robert Louis Stevenson's *Treasure Island*, and even before that, he selected J. M. Barrie's *Peter Pan*, in which pirates figure so prominently, as a key feature-length animated film for his studio. Years later, *Pirates of the Caribbean* opened in Disneyland just months after Walt had passed away, making it one of the last Disney theme park attractions in which he was personally involved. That attraction ultimately spawned similar versions at Disney parks around the world, one of the most successful series in motion picture history with the five *Pirates of the Caribbean* films, and a vast themed land at Shanghai Disneyland called *Treasure Cove*--celebrating the entirety of the *Pirates of the Caribbean* franchise.

Pirates of the Caribbean is one of the most popular and

beloved attractions in Disney theme park history, and can be found in each Magic Kingdom Park around the globe. Pirates of the Caribbean: From the Magic Kingdom to the Movies will illustrate how the scalawags and buccaneers made the voyage from sketches to reality, evolving from early story concepts to adaptations and changes as it moved into each of the parks around the four corners of the world, to the very latest ideas for show enhancement. The second part of the book takes a virtual tour through the attraction, using the original Disneyland version as the “home port” and then traveling through the differences and additions of the attraction at all the other theme parks. The third part of the book chronicles this classic theme park attraction’s translation (back) into the motion picture that launched a franchise, Pirates of the Caribbean: The Curse of the Black Pearl, including an exclusive look at the earliest story concepts, shooting on location in the Caribbean and on Disney Studio soundstages, the birth of the cursed buccaneers inside a computer at ILM, the birth of teen idols in Orlando Bloom and Keira Knightley, and Johnny Depp’s triumphant Academy Award nomination for Best Actor. Now a fourth section showcases the theme park attraction addition of Audio-Animatronics Jack Sparrow and Barbossa, and has many more, all new images from Pirates of the Caribbean; Dead Man’s Chest.
