Distant Shores. Praise ... —Adriana Trigiani, author of Brava, Valentine “ In fast-moving prose punctuated by snappy asides, [Kristin] Hannah examines whether love and commitment are enough to sustain a marriage when two people who have put their individual dreams on ice get a chance to defrost them. . . . Bottom Line: Shore bet. ”

Distant Shores by Kristin Hannah:

9780345469373 ...

I adore Kristin Hannah's stories but the reader for this one is so awkward it is intolerable. I had the distinct impression she hadn't bothered to prepare, read, or bother to even acquaint herself with the author's style. Have returned books before because of narrator issues but this is, by far, the most disappointing experience to date.

Distant Shores – Behind the Book – Kristin Hannah

Distant Shores Description In her remarkable New York Times bestseller, Summer Island , Kristin Hannah struck a chord in readers and critics alike with her portrayal of the bittersweet reunion between an errant mother and her unforgiving daughter.

The more Kristin Hannah books I read, the bigger fan of hers I become. Her books deal with subject matter I think women relate to but always prove better written than the typical chic-lit out there. Her novels keep me engaged the whole way through and I end up caring for her characters. Distant Shores was another great Hannah novel.

It ' s funny, but of all my novels, this one seems the furthest from my body of work. It ' s an extremely serious story about difficult themes—the breakup of a longterm marriage in the empty nest years, infidelity, family secrets, and the necessity of forgiveness.
