When Pleasing You Is Killing Me Christian Large Print

"A Touchstone book." Includes bibliographical references.

When God Winks Thomas Nelson Inc

It's a case of cold feet—and cold-blooded murder—as a 92-year-old poet/sleuth Victoria Trumbull gets more than she bargained for after hosting an ill-fated wedding. A wedding on picturesque Martha's Vineyard promises to be the affair of the season when Penny Arbuthnot asks her cousin, feisty 92-year-old poet Victoria Trumbull, if she can use her property for the reception. Victoria agrees—but she has no idea what's in store for the hapless couple. For one, Penny is seriously in debt and desperate to marry money. She thinks she's on the road to riches when she hooks Rocco Bufano, whose father is a multi-billionaire. But unbeknownst to Penny, Rocco's been disowned by dad. He's also in hock up to his ears, and thinks he's bagged the catch of a lifetime in a wealthy Vineyard native. He also knows that someone is out to kill him. In fact, several guests have a reason to off Rocco, among them an autistic savant with a prodigious knowledge

of murder weapons. Victoria has assumed the reception will be a modest lemonade-and-gingersnap affair—but when a body is found in her cellar, it may be a happily-never-after in *Widow's Wreath*, the fourteenth engaging installment in Cynthia Riggs's beloved Martha's Vineyard mysteries.

Love You More Windblown Media

THE MISUNDERSTOOD GOD tells the truth about who the Creator is. This book analyzes what religion says about God's heart and personality and measures it up to what God calls Himself: Love. It simplifies a generation's tangled perceptions of God by taking a journey through the sixteen aspects of love described in one of the most well-known Bible passages in the world: 1 Corinthians 13, also known as "the love chapter." So many Christians have been bombarded with confusing teachings and doctrines that their understanding of God resembles a tightly tangled ball of Christmas tree lights. This book takes that twisted mess and replaces it with one soft, warm light of truth that anyone can embrace: God is love.

God Winks and Miracles Happen Simon and Schuster

'Raising your consciousness to the 'God Winks' that often go by unnoticed, and recognising them as tremendously personal, will affirm that your existence is not random and that you have a role to play in life's grand plan' Squire Rushnell Have you ever thought about someone who hasn't crossed your path or mind in years and then bumped into them? Are there such things as coincidences? Do they mean anything? According to Rushnell, 'coincidences, like winks from God, are encouraging signposts along your universal path.' In **WHEN GOD WINKS** he explains that a 'God Wink' is a message of reassurance that comes our way whenever we need it and that coincidences are the best way for God to establish a presence in our lives. Rushnell shows how to retrace crossroads (a new job, a death, change in relationships) that took us in an entirely different

direction, showing how to map the turning points made by coincidences that have guided us throughout our lives. Best of all, **WHEN GOD WINKS** shows us how to create our own coincidences and turn wishes into winks. He explains his compelling theory of coincidences through a series of incredible stories and motivational writing on how coincidences play a role in all facets of our life, including career, love, history, medicine, entertainment, sports and politics with telling comments from Oprah Winfrey, Barbara Streisand, Mark Twain, Kevin Costner and other celebrities. **WHEN GOD WINKS** is a fascinating bridge to self-discovery.

Learn the Bible in 24 Hours Simon and Schuster

The Hebrew and Christian Bible is replete with its use of numbers from beginning to end. Why is God so specific with numbers? Why do the same numbers keep coming up over and over again, and what is so important about the number seven? Using my own testimony, I will show you how God has used numbers in my life to prove His existence, and demonstrate how He has used them to back up important events in my life. God has proven to me over and over again that He is the source and inspiration behind certain events, and has backed them up by using numbers. If you want proof of God, look no further! Hopefully by the end of reading this book, you too will be able to see the perfect design and precise timing with which God deals with His people, and the world.

Theophany Thomas Nelson Publishers

Passover Feast of Unleavened Bread Feast of First Fruits Feast of Pentecost Feast of Trumpets Day of Atonement Feast of Tabernacles The Feasts of Israel, set by God, are not only commemorative in a historical context, but are also prophetic. The first three feasts in the 1st month point to the Messiah's First Coming; the last three feasts in the 7th month, to His Second Coming. The middle feast highlights the Church, in more ways than is generally recognized. Dr. Chuck Missler

begins to reveal the rich background of these feasts with many surprises for the Biblical believer, and yet only scratches the surface.

Proving God with Numbers Oxford University Press

The bestselling and beloved Godwink series returns with a charming, dog-focused collection of stories, all of which provide plenty of hope, encouragement, and laughter. With delightfully uplifting stories and enthralling prose, DogWinks is the perfect gift for dog lovers of all backgrounds. Featuring several never-before-published and true stories about coincidences and divine intervention, DogWinks is an inspirational and entertaining book that illustrates the overwhelming power of faith and how miracles can change our lives and those of our canine companions.

Godwink Stories Archangel Ink

It's happened to you. You received a phone call out of the blue; or you bumped into someone who led you to a new job, a new relationship, or opportunity that totally changed your life. You probably even said, "Wow, what a coincidence I met so and so." But did you ever stop to ask what caused that person to be right there, at that exact moment, in your path? It was Divine Alignment: the arrangement of coincidences into a pattern of alignment so astonishing they could have come only from a higher source. In this inspiring new work, Squire Rushnell shows readers how they can navigate life's thorniest hurdles, rediscover the deep meaning and impact of personal prayer, and develop the individual conviction and wherewithal it takes to reach their full potential and fulfill their most ambitious dreams by honoring the book's seven easy-to-follow steps. In his charmingly avuncular and wonderfully optimistic voice, Squire shares moving stories from his own and others' lives to show the awesome strength inherent in what he calls God's Positioning System, or GPS. All of us, he assures readers, can use our own personal GPS to grow more closely aligned with God to become vastly more effective, successful, and fulfilled in our relationships, careers, and everything we do. ***

DIVINE ALIGNMENT offers a comprehensive approach for living our lives in harmony with God—every minute of every day—offering a whole new paradigm for understanding the mysterious connections between people and events, challenges and solutions. GPS STEP 1: Speak with the Navigator GPS STEP 2: Listen to Your Own Inner Compass GPS STEP 3: Mapping Your Destination GPS STEP 4: Unshackle Your Baggage GPS STEP 5: Step Out in Faith and Believe You'll Arrive GPS STEP 6: Read the Signs, Recalculate, and Accelerate GPS STEP 7: Gratefully Arrive with a Full Well Within

Touchstone

The fascinating, true account of the quest for one of the Old Testament's most infamous cities. Like many Christians today in the academic world, Dr. Steven Collins felt pulled in different directions when it came to apparent conflicts between the Bible and scholarly research and theory—an intellectual crisis that inspired him to lay it all on the line as he set off to locate the lost city of Sodom. Recounting Dr. Collins's quest for Sodom in absorbing detail, this adventure-cum-memoir reflects the tensions that define biblical archaeology as it narrates a tale of discovery. Readers follow "Dr. C" as he tracks down biblical, archaeological, and geographical clues to the destruction of Sodom and Gomorrah, narrowing the list of possible sites as he weighs evidence and battles skeptics. Finally, he arrives at a single location that looms as the only option: a massive ancient ruin called Tall el-Hammam in the Hashemite Kingdom of Jordan. Many scholars who were initially opposed to Dr. Collins's theory now concede that history books may need to be rewritten in light of his groundbreaking discovery. It—along with several other recent finds—is challenging the assumptions of academics and asserting a new voice in the controversy of biblical archaeology and the dispute over using the Bible as a credible historical source. ***

From respected archaeologist Dr. Steven Collins and award-winning author Dr. Latayne C. Scott comes the fascinating, true account of the frustrating search and exciting excavation of the city the Bible calls Sodom, which scholars and others had "misplaced" for hundreds of years. Like many modern-day Christians, Dr. Collins struggled with what seemed to be a clash between his heritage of belief in the Bible and the research regarding ancient history and human evolution. This crisis of faith led him to embark on a quest to put both his archaeological education and the Bible to the test by seeking out the lost ancient city, an expedition that has led to one of the most exciting finds in recent archaeology. Challenging the assumptions of academics around the world, Discovering the City of Sodom may well inspire a revision of the history books. Dr. Collins has become a new voice in the controversy over using the Bible as a credible source of understanding the past—and opened a new chapter in the struggle over the soul of biblical archaeology.

Experiencing God Harper Collins

Futureproof Your Career is the essential guide to improving your career and taking full advantage of opportunities for progression. With a major focus on the changing business, economic and technological landscape, it explores the new challenges of job retention and career progression. With the impact of the pandemic, the ongoing fourth industrial revolution, the broadening awareness of institutionalized discrimination and the concerns around an economic recession, it is an understatement to say that we're entering a 'new normal' in which working patterns and career trajectories have irreversibly changed. From two leading academics, this is both a practical guide to success and an enlightening insight into the future of work. It draws upon both the authors' academic research and an international array of case studies and interviews to provide engaging and

illuminating insights *Futureproof Your Career* features key insights into how jobs and networking are dramatically transforming, and provides readers with the ability to develop a stronger awareness of new opportunities and become better prepared to safeguard their jobs and bolster their career in this new landscape.

Draw the Circle Koinonia House

Legally Separated and Unemployed with a Year to Kill - What Will Jeanne Do? A unique and timely set of circumstances create the perfect storm for a woman on the cusp of multiple changes. Her somewhat flippant decision to volunteer sets the stage for profound relationships you won't soon forget. When the housing bubble burst in 2008, Jeanne Corvese Hussin found herself at a fork in the road. She could either continue her job as a senior vice president for a mortgage banker at a significant pay cut or take the year-long severance and travel with her son, Jason. She chose the latter. Now what? After Jason would go to bed, the nights stretched out before Jeanne like a long black highway cutting through the desert. She spent the hours flirting with men online but was often disappointed by the real person behind the dating profile. Suddenly, she had an epiphany. Or maybe it was a message from God. She should find a way to give back. Drawn to senior citizens, Jeanne found herself at a local assisted living facility volunteering her time to memory care residents in a ward ironically named *Recollections*. From her inspired impulse to serve emerge the colorful characters who comprise *I See Old People(c)*. You will never be the same. In these pages, Jeanne tells the story of her family, her interactions with the seniors at *Recollections*, and finally, her storybook "never too late" romance in this extraordinary memoir. *I See Old People* is much more than a book; it's an experience.
