The goal and purpose of every Christian is to be "conformed into the image of Christ." A true Biblical night season is a Father-filtered period of time designed to do just that. God deprives us of the natural light that we are so used to, in order that He might strengthen our faith and we might come to know Him in His fullness.

'Raising your consciousness to the 'God Winks' that often go by unnoticed, and recognising them as tremendously personal, will affirm that your existence is not random and that you have a role to play in life's grand plan' Squire Rushnell Have you ever thought about someone who hasn't crossed your path or mind in years and then bumped into them? Are there such things as coincidences? Do they mean anything? According to Rushnell, 'coincidences, like winks from God, are encouraging signposts along your universal path.' In *WHEN GOD WINKS* he explains that a 'God Wink' is a message of reassurance that comes our way whenever we need it and that coincidences are the best way for God to establish a presence in our lives. Rushnell shows how to retrace crossroads (a new job, a death, change in relationships) that took us in an entirely different direction, showing how to map the turning points made by coincidences that have guided us throughout our lives. Best of all, *WHEN GOD WINKS* shows us how to create our own coincidences and turn wishes into winks. He explains his compelling theory of coincidences through a series of incredible stories and motivational writing on how coincidences play a role in all facets of our life, including career, love, history, medicine, entertainment, sports and politics with telling comments from Oprah Winfrey, Barbara Streisand, Mark Twain, Kevin Costner and other celebrities. *WHEN GOD WINKS* is a fascinating bridge to self-discovery.

From the authors of the popular and bestselling *Godwink* series comes a new and inspiring collection of true stories about people whose lives were changed by specific and extraordinary answers to their prayers. Prayer is a universal act that anyone can participate in. Simply stated: prayer is a conversation between you and God, and oftentimes brings incredible and astonishing results. The outcomes are called "answered prayers." Yet, with no alternative word in the English language for answered prayer, readers have begun to fill the void with *Godwink*, which is now making its way into dictionaries. In *The Godwink Effect*, Squire and Louise, husband and wife, make the case that *Godwinks* and prayer are inextricably intertwined. The first of seven secrets for more *Godwinks* is to pray. Moreover, when a *Godwink* occurs, like a pebble tossed into a pond, there are subsequent ripples that touch the lives of others. Typical of all *Godwink* books, this volume will be packed with amazing real-life stories about ordinary people, as well as some well-known figures, that reinforce the power of prayer in their lives and the *Godwinks* that followed.

When God Winks on New Beginnings Beacon Press

Despite all the hype surrounding the "New Atheism," the United States remains one of the most religious nations on Earth. In fact, 95% of Americans believe in God--a level of agreement rarely seen in American life. The greatest divisions in America are not between atheists and believers, or even between people of different faiths. What divides us, this groundbreaking book shows, is how we conceive of God and the role He plays in our daily lives. America's Four Gods draws on the most wide-ranging, comprehensive, and illuminating survey of American's religious beliefs ever conducted to offer a systematic exploration of how Americans view God. Paul Froese and Christopher Bader argue that many of America's most intractable social and political divisions emerge from religious convictions that are deeply held but rarely openly discussed. Drawing upon original survey data from thousands of Americans and a wealth of in-depth interviews from all parts of the country, Froese and Bader trace America's cultural and political diversity to its ultimate source--differing opinions about God. They show that regardless of our religious tradition (or lack thereof), Americans worship four distinct types of God: The Authoritative God--who is both engaged in the world and judgmental; The Benevolent God--who loves and helps us in spite of our failings; The Critical God--who catalogs our sins but does not punish them (at least not in this life); and The Distant God--who stands apart from the world He created. The authors show that these four conceptions of God form the basis of our worldviews and are among the most powerful predictors of how we feel about the most contentious issues in American life. Accessible, insightful, and filled with the voices of ordinary Americans discussing their most personal religious beliefs, America's Four Gods provides an invaluable portrait of how we view God and therefore how we view virtually everything else.

PassoverFeast of Unleavened BreadFeast of First FruitsFeast of PentecostFeast of TrumpetsDay of AtonementFeast of Tabernacles The Feasts of Israel, set by God, are not only commemorative in a historical context, but are also prophetic. The first three feasts in the 1st month point to the Messiah's First Coming; the last three feasts in the 7th month, to His Second Coming. The middle feast highlights the Church, in more ways than is generally recognized. Dr. Chuck Missler begins to reveal the rich background of these feasts with many surprises for the Biblical believer, and yet only scratches the surface.

"As poet, prophet, and priest, Thurman builds upon a powerful legacy of ancestral hope: belief in a liberating God who can always be found 'in and among the struggling.'" -Yolanda Pierce A universal beacon of hope and endurance for people of all faiths seeking to

meet the challenges, uncertainties, and joys of life Howard Thurman's *Meditations of the Heart* is a beautiful collection of over 150 prayers, poems, and meditations on prayer, community, and the joys and rituals of life by one of our greatest spiritual leaders. Thurman, a spiritualist and mystic, was renowned for the quiet beauty of his reflections on humanity and our relationship with God. In a new foreword, Yolanda Pierce, dean of Howard University's School of Divinity, calls attention to the justice-centered theological framework of Thurman's words. Pierce notes how Thurman brings to light an image of God who can always be found "in and among the struggling," both in times of weariness and in strength. First written for and shared with his congregation of the Church for the Fellowship of All Peoples in San Francisco, California, these meditations sustain, elevate, and inspire. They are a universal beacon of hope and endurance for people of all faiths seeking to meet the challenges, uncertainties, and joys of everyday life with a renewed and liberating faith.

New York Times bestselling author Squire Rushnell and his wife Louise DuArt share 21 brand-new and 9 classic true-life stories of extraordinary "Godwinks" at Christmastime, proving that what some thought was "coincidence" wasn't coincidence at all, but a supernatural "hotline" from God. Think back to when you were a kid and someone you loved gave you a little wink across the dining room table, like Mom or Dad or Grandma. You didn't say, "What do you mean by that?" You knew. It meant: "Hey kid, I'm proud of you." That's what a *Godwink* is: a message of reassurance from above, directly to you, out of seven billion people on the planet, saying "Hey kid...I have you on my mind right now. I love you. You're never alone." A *Godwink* can be an unexpected connection to someone you love, a mysterious pathway to a life-changing opportunity, unanticipated income out of the blue, or an answered prayer that makes you say "wow"! *Godwinks* let you know that God is always extending you a tangible connection to Him, like a firm handrail on dark, wobbly stairs. Now, just in time for the holiday season, comes *Godwinks Christmas Stories*, a collection of astonishing true-life stories centered around Christmas that demonstrate how God has shown Himself in the lives of others. He'll do the same for you. Husband and wife authors Squire Rushnell and Louise DuArt remind you that *Godwinks* are like wondrous gifts left on your doorstep. Their aim with this book is to help you open the door and open your gifts of hope and encouragement.
