Diet for Divine Connection Koinonia House

Are you in a season of life where every search for direction, encouragement, or fulfillment seems to come up empty? You thought God had you in a place to thrive and grow, but you are ready to call it quits. There has to be something better. You don't need a new garden; you just need to learn how to dig! In *Acres of Diamonds*, pastor and New York Times bestselling author Jentezen Franklin helps you discover the unfathomable riches Jesus Christ has for you. Rather than chase after a better life, you can celebrate the untold spiritual provision to be found even in the midst of spiritual deprivation. Readers will learn to cherish where God has placed them as they uncover the hidden potential within their families, jobs, ministries, and communities . . . right where they are.

[Proving God with Numbers](#) Howard Books

New York Times bestselling author Squire Rushnell and his wife Louise DuArt share 21 brand-new and 9 classic true-life stories of extraordinary "Godwinks" at Christmastime, proving that what some thought was "coincidence" wasn't coincidence at all, but a supernatural "hotline" from God. Think back to when you were a kid and someone you loved gave you a little wink across the dining room table, like Mom or Dad or Grandma. You didn't say, "What do you mean by that?" You knew. It meant: "Hey kid, I'm proud of you." That's what a Godwink is: a message of reassurance from above, directly to you, out of seven billion people on the planet, saying "Hey kid...I have you on my mind right now. I love you. You're never alone." A Godwink can be an unexpected

connection to someone you love, a mysterious pathway to a life-changing opportunity, unanticipated income out of the blue, or an answered prayer that makes you say "wow"! Godwinks let you know that God is always extending you a tangible connection to Him, like a firm handrail on dark, wobbly stairs. Now, just in time for the holiday season, comes *Godwinks Christmas Stories*, a collection of astonishing true-life stories centered around Christmas that demonstrate how God has shown Himself in the lives of others. He'll do the same for you. Husband and wife authors Squire Rushnell and Louise DuArt remind you that Godwinks are like wondrous gifts left on your doorstep. Their aim with this book is to help you open the door and open your gifts of hope and encouragement.

[God Winks on Love](#) Barbour Publishing

An intimate family memoir written by a mother on the adoption process. Following the invisible thread of connection between people who are seemingly intended to become family, journalist Jennifer Grant shares the deeply personal, often humorous story of adopting a fifteen-month-old girl from Guatemala when she was already the mother of three very young children. Her family's journey is captured in stories that will encourage not only adoptive families but those who are curious about adoption or whose lives have been indirectly touched by it. *Love You More* explores universal themes such as parenthood, marriage, miscarriage, infertility, connection, destiny, true self, failure and stumbling, and redemption. Sections

include: *A Whisper The Waiting Learning to Know In Love You More*, Jennifer describes the way she feels God has brought her family together and completed it with the adoption of her daughter.

[Theophany](#) Light Technology Publishing  
In *One Mind*, New York Times best-selling author Larry Dossey, M.D., proposes an inspiring view of consciousness that may reshape our destiny. Dossey's premise is that all individual minds are part of an infinite, collective dimension of consciousness he calls the One Mind. This state—which we can all access—explains phenomena as diverse as epiphanies, creative breakthroughs, premonitions of danger or disaster, near-death experiences, communication with other species and with the dead, reincarnation, the movement of herds, flocks, and schools, and remote healing. Dossey presents his theory in easily digestible, bite-sized vignettes. Through engaging stories, fascinating research, and brilliant insights from great thinkers throughout history, readers will explore the outer reaches of human consciousness, discover a new way to interpret the great mysteries of our experience, and learn how to develop the empathy necessary to engender more love, peace, and collective awareness. The result is a rich new understanding of what it means to be human and a renewed hope that we can successfully confront the challenges we face at this crossroads in human history. Even before publication *One Mind* drew praise from the finest minds of our time. It has been heralded as "landmark," "a brilliant synthesis," "a magnum opus," "a feast" of ideas, "compelling," "gripping," and "a major shift in our understanding of consciousness."

[Learn the Bible in 24 Hours](#) Bloomsbury Publishing

The astonishing story of a woman with an extraordinary psychic gift and a powerful message from the Other Side that can help us to live more beautifully in the here and now. *The Feasts of Israel* Simon and Schuster 'Raising your consciousness to the 'God Winks' that often go by unnoticed, and recognising them as tremendously personal, will affirm that your existence is not random and that you have a role to play in life's grand plan' Squire Rushnell

Have you ever thought about someone who hasn't crossed your path or mind in years and then bumped into them? Are there such things as coincidences? Do they mean anything?

According to Rushnell, 'coincidences, like winks from God, are encouraging signposts along your universal path.' In *WHEN GOD WINKS* he explains that a 'God Wink' is a message of reassurance that comes our way whenever we need it and that coincidences are the best way for God to establish a presence in our lives. Rushnell shows how to retrace crossroads (a new job, a death, change in relationships) that took us in an entirely different direction, showing how to map the turning points made by coincidences that have guided us throughout our lives. Best of all, *WHEN GOD WINKS* shows us how to create our own coincidences and turn wishes into winks. He explains his compelling theory of coincidences through a series of incredible stories and motivational writing on how coincidences play a role in all facets of our life, including career, love, history, medicine, entertainment, sports and politics with telling comments from Oprah Winfrey, Barbara Streisand, Mark Twain, Kevin Costner and other celebrities. *WHEN GOD WINKS* is a fascinating bridge to self-discovery.

*Faith in the Night Seasons* Thomas Nelson Inc

The Light Weaver Disk quickly and easily patches auric holes that leak life force. The Grounding Disk keeps you from getting hazy during psychic work as it anchors astral information down into the physical plane. The Magnet Disk pu

*I See Old People* Howard Books

*THE MISUNDERSTOOD GOD* tells the truth about who the Creator is. This book analyzes what religion says about God's heart and personality and measures it up to what God calls Himself: Love. It simplifies a generation's tangled perceptions of God by taking a journey through the sixteen aspects of love described in one of the most well-known Bible passages in the world: 1 Corinthians 13, also known as "the love chapter." So many Christians have been bombarded with confusing teachings and doctrines that their understanding of God resembles a tightly tangled ball of Christmas tree lights. This book takes that twisted mess and replaces it with one soft, warm light of truth that anyone can embrace: God is love.

*Experiencing God* Simon and Schuster

The mega-bestselling author of the *Godwinks* series reveals seven steps to growing more closely aligned with God using your internal GPS and becoming more effective, successful, and fulfilled in everything you do. It's happened to you. You received a phone call out of the blue, or you bumped into someone who led you to a new job, a new relationship, or opportunity that totally changed your life. You probably even said, "Wow, what a coincidence I met so-and-so." But . . . did you ever stop to ask what caused that person to be right there, at that exact moment, in your path? It was Divine Alignment: the arrangement of coincidences into a pattern of alignment so astonishing they could have come only from a higher source. In this inspiring work, Squire Rushnell shows readers how they can navigate life's thorniest hurdles, rediscover the deep meaning and impact of personal prayer, and develop the individual conviction and wherewithal it takes to reach their full potential and fulfill their most ambitious dreams by honoring the book's seven easy-to-follow steps. In his charmingly avuncular and wonderfully optimistic voice, Squire shares moving stories from his own and others' lives to show the awesome strength inherent in what he calls God's Positioning System, or GPS. All of us, he assures readers, can use our own personal GPS to grow more closely aligned with God and become vastly more effective, successful, and fulfilled in our relationships, careers, and everything we do. *Godwink Stories* Simon and Schuster  
Nationally known psychotherapist Les Carter, formerly of the Minirth-Meier Clinic, shows readers how to develop their God-given gift of service without allowing others to take advantage of them.

*The Light Between Us* Thomas Nelson Publishers

Building on the themes in his popular book *When God Winks*, Squire Rushnell shares real-life stories that are certain to uplift and encourage you. The stories in this book reaffirm that godwinks happen to everyone. We just need to learn how to see them, allow them to unfold, and accept them as direct, person-to-person communications from God to each of us. As you'll see, those so-called coincidences that you'd been dismissing so easily really do mean something. And you need to pay attention. They are like unopened gifts that have been placed upon your doorstep. You will be amazed to read how every joy, every hurt, and every worry that happens to you has already been written about in the Bible. *Godwink Stories* simply draws upon the

parallel between the stories of real people and God's wisdom in the scriptures. *Godwink Stories* can be read in various ways. You can read the book cover to cover. Or follow along each week for a year. It's also perfect to read for a pick-me-up story that fits your need of the day. Whether you're looking for encouragement in a time of need or a story that speaks of joy, there's a godwink story just for you. \*\*\* *Godwink Stories* offers weekly readings of godwinks and miracles to encourage and inspire you in every situation. These true stories—from ordinary people—provide Messages of "don't give up" Heartfelt need for love and guidance Hope in the midst of medical crises "Just in time" moments Peace in times of sorrow Tender love stories Amazing answers to prayer

*Dogwinks* Simon and Schuster

The best is yet to be . . . "GodWinks" are the so-called circumstances and that are delivered directly to you, one of nearly seven-billion people on the planet, at particularly needed moments in your life. Like the wink you received from a loved one as a child that meant, "Hey, kid, I'm thinking of you right now," . . . GodWinks are messages of encouragement from above. With more incredible-but-true stories about how God communicates with us through everyday circumstances, Squire Rushnell delivers another powerful book geared toward people at a crossroads in life—a time when these winks are most needed!

*Godwink Christmas Stories* Crooked Lane Books

Despite all the hype surrounding the "New Atheism," the United States remains one of the most religious nations on Earth. In fact, 95% of Americans believe in God—a level of agreement rarely seen in American life. The greatest divisions in America are not between atheists and believers, or even between people of different faiths. What divides us, this groundbreaking book shows, is how we conceive of God and the role He plays in our daily lives. *America's Four Gods* draws on the most wide-ranging, comprehensive, and illuminating survey of American's religious beliefs ever conducted to offer a systematic exploration of how Americans view God. Paul Froese and Christopher Bader argue that many of America's most intractable social and political divisions emerge from religious convictions that are deeply held but rarely openly discussed. Drawing upon original survey data from thousands of Americans and a wealth of in-depth interviews from all parts of the country, Froese and Bader trace America's cultural and political diversity to its ultimate source—differing opinions about God. They show that regardless of our religious tradition (or lack thereof), Americans worship four distinct types of God: The Authoritative God—who is both engaged in the world and judgmental; The Benevolent God—who loves and helps us in spite of our failings; The Critical God—who catalogs our sins but does not punish them (at least not in this life); and The Distant God—who stands apart from the world He created. The authors show that these four conceptions of God form the basis of our worldviews and are among the most powerful predictors of how we feel about the most contentious issues in American life. Accessible, insightful, and filled with

the voices of ordinary Americans discussing their most personal religious beliefs, America's Four Gods provides an invaluable portrait of how we view God and therefore how we view virtually everything else. The Gift of Forgiveness Simon and Schuster "A Touchstone book." Includes bibliographical references.

In this entertaining, highly readable book, couples learn that a fabulous marriage can be the outcome of learning to pray together, a minimum of five minutes a day, causing a 20 to 30% increase in romance, conversation and happiness.

When God Winks Light Technology Publishing

The fascinating, true account of the quest for one of the Old Testament 's most infamous cities. Like many Christians today in the academic world, Dr. Steven Collins felt pulled in different directions when it came to apparent conflicts between the Bible and scholarly research and theory—an intellectual crisis that inspired him to lay it all on the line as he set off to locate the lost city of Sodom. Recounting Dr. Collins 's quest for Sodom in absorbing detail, this adventure-cum-memoir reflects the tensions that define biblical archaeology as it narrates a tale of discovery. Readers follow " Dr. C " as he tracks down biblical, archaeological, and geographical clues to the destruction of Sodom and Gomorrah, narrowing the list of possible sites as he weighs evidence and battles skeptics. Finally, he arrives at a single location that looms as the only option: a massive ancient ruin called Tall el-Hammam in the Hashemite Kingdom of Jordan. Many scholars who were initially opposed to Dr. Collins 's theory now concede that history books may need to be rewritten in light of his groundbreaking discovery. It—along with several other recent finds—is challenging the assumptions of academics and asserting a new voice in the controversy of biblical archaeology and the dispute over using the Bible as a credible historical source. \*\*\* From respected archaeologist Dr. Steven Collins and award-winning author Dr. Latayne C. Scott comes the fascinating, true account of the frustrating search and exciting excavation of the city the Bible calls Sodom, which scholars and others had " misplaced " for hundreds of years. Like many modern-day Christians, Dr. Collins struggled with what seemed to be a clash between his heritage of belief in the Bible and the research regarding ancient history and human evolution. This crisis of faith led him to embark on a quest to put both his archaeological education and the Bible to the test by seeking out the lost ancient city, an expedition that has led to one of the most exciting finds in recent

archaeology. Challenging the assumptions of academics around the world, Discovering the City of Sodom may well inspire a revision of the history books. Dr. Collins has become a new voice in the controversy over using the Bible as a credible source of understanding the past—and opened a new chapter in the struggle over the soul of biblical archaeology.

God Winks and Miracles Happen Thomas Nelson

This Personal Application Workbook is designed to help you apply the Scriptural principles presented in the Faith in the Night Seasons textbook. The goal and purpose of every Christian is to be "conformed into the image of Christ." A true Biblical night season is a Father-filtered period of time designed to do just that. God deprives us of the natural light that we are so used to, in order that He might strengthen our faith and we might come to know Him in His fullness.

The Gentle Way Hay House, Inc

Futureproof Your Career is the essential guide to improving your career and taking full advantage of opportunities for progression. With a major focus on the changing business, economic and technological landscape, it explores the new challenges of job retention and career progression.
