Our books collection spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Kindly say, the Divine Secrets Of The Ya Sisterhood Rebecca Wells is universally compatible with any devices to read

[The Supremes at Earl's All-You-Can-Eat Little, Brown Books for Young Readers](#)

Known for her beloved Ya-Ya books (Divine Secrets of the Ya-Ya Sisterhood, Little Altars Everywhere, and Ya-Yas in Bloom), Rebecca Wells has helped women name, claim, and celebrate their shared sisterhood for over a decade. Divine

Secrets of the Ya-Ya Sisterhood held the top of the New York Times bestseller list for sixty-eight weeks, became a knockout feature film, sold more than 5 million copies, and inspired the creation of Ya-Ya clubs worldwide. Now Wells debuts an entirely new cast of

---

characters in this shining stand-alone novel about the pull of first love, the power of life, and the human heart's vast capacity for healing. The Crowning Glory of Calla Lily Ponder is the sweet, sexy, funny journey of Calla Lily's life set in Wells's expanding fictional Louisiana landscape. In the small river town of La Luna, Calla bursts into being, a force of nature as luminous as the flower she is named for. Under the loving light of the Moon Lady, the feminine force that will guide and protect her throughout her life, Calla enjoys a blissful childhood—until it is cut short. Her mother, M'Dear, a woman of rapture and love, teaches Calla

compassion, and passes on to her the art of healing through the humble womanly art of "fixing hair." At her mother's side, Calla further learns that this same touch of hands on the human body can quiet her own soul. It is also on the banks of the La Luna River that Calla encounters sweet, succulent first love, with a boy named Tuck. But when Tuck leaves Calla with a broken heart, she transforms hurt into inspiration and heads for the wild and colorful city of New Orleans to study at L'Acad Émie de Beaut É de Crescent. In that extravagant big river city, she finds her destiny—and comes to understand fully the power of her "healing hands" to change lives and

soothe pain, including her own. When Tuck reappears years later, he presents her with an offer that is colored by the memories of lost love. But who knows how Calla Lily, a "daughter of the Moon Lady," will respond? A tale of family and friendship, tragedy and triumph, loss and love, The Crowning Glory of Calla Lily Ponder features the warmth, humor, soul, and wonder that have made Wells one of today's most cherished writers, and gives us an unforgettable new heroine to treasure. **La Finca Canongate Books**  
What are the conditions needed for our

---

nation to bridge cultural and racial divides? By "writing beyond race," noted cultural critic bell hooks models the constructive ways scholars, activists, and readers can challenge and change systems of domination. In the spirit of previous classics like *Outlaw Culture* and *Reel to Real*, this new collection of compelling essays interrogates contemporary

cultural notions of race, gender, and class. From the films *Precious* and *Crash* to recent biographies of Malcolm X and Henrietta Lacks, hooks offers provocative insights into the way race is being talked about in this "post-racial" era. [Divine Secrets of the Ya-ya Sisterhood](#) Goldmann Wilhelm Verlag Gmbh When Letty Marquez discovers an elegant-but-decrepit Victorian mansion not far from school, she and her friends

decide to keep it a secret and make it their own. As the Vietnam war escalates, the nation reels from protests, riots, and a drug epidemic. Letty and her friends pit themselves against forces that want the land beneath the house. At the same time, boys, friends, and permissive American culture constantly clash with Letty's Mexican upbringing and her Catholic religion. In *A Very Fine House* by Rose Molina, we experience the turmoil of an era where political awareness and social change engulf the lives of young people struggling to come of age. Interwoven in this difficult phase

---

of life, culture clashes exacerbate the struggle in the search for an identity. The story sheds light on these complex issues with both humor and warmth.

Little Altars

Everywhere

Turtleback Books Fangirl meets Jane Austen in this deeply heartfelt love story about hiding the worst parts of ourselves, and the people who love us anyway. “How could I open that door and let him see the messiest part of me?” From the moment she first learned to read, literary genius Darcy Wells has spent most of her time living in the

worlds of her books. There, she can avoid the crushing reality of her mother’s hoarding and pretend her life is simply ordinary. But then Asher Fleet, a former teen pilot with an unexpectedly shattered future, walks into the bookstore where she works...and straight into her heart. For the first time in her life, Darcy can’t seem to find the right words. Fairy tales are one thing, but real love makes her want to hide behind her carefully constructed ink-and-paper wall. Still, after spending her whole life keeping people out, something about

Asher makes Darcy want to open up. But securing her own happily-ever-after will mean she’ll need to stop hiding and start living her own truth—even if it’s messy. “A lovely tale for bookish readers that will give them all the feels.” —Kirkus
