**TIME ECHOES (TIME ECHOES TRILO** Diviner Winner of the 2011 Newbery Award. The movement of the train rocked me like a lullaby. I closed my eyes to the dusty countryside and imagined the sign I ’ d seen only in Gideon ’ s stories: Manifest—A Town with a rich past and a bright future. Abilene Tucker feels abandoned. Her father has put her on a train, sending her off to live with an old friend for the summer while he works a railroad job. Armed only with a few possessions and her list of universals, Abilene jumps off the train in Manifest, Kansas, aiming to learn about the boy her father once was. Having heard stories about Manifest, Abilene is disappointed to find that it ’ s just a dried-up, worn-out old town. But her disappointment quickly turns to excitement when she discovers a hidden cigar box full of mementos, including some old letters that mention a spy known as the Rattler. These mysterious letters send Abilene and her new friends, Lettie and Ruthanne, on an honest-to-goodness spy hunt, even though they are warned to “ Leave Well Enough Alone. ” Abilene throws all caution aside when she heads down the mysterious Path to Perdition to pay a debt to the reclusive Miss Sadie, a diviner who only tells stories from the past. It seems that Manifest ’ s history is full of colorful and shadowy characters—and long-held secrets. The more Abilene hears, the more determined she is to learn just what role her father played in that history. And as Manifest ’ s secrets are laid bare one by one, Abilene begins to weave her own story into the fabric of the town. Powerful in its simplicity and rich in historical detail, Clare Vanderpool ’ s debut is a gripping story of loss and redemption.

**The Diary of Juliet Thompson** Zondervan Who that cares much to know the history of man, and how the mysterious mixture behaves under the varying experiments of Time, has not dwelt, at least briefly, on the life of Saint Theresa, has not smiled with some gentleness at the thought of the little girl walking forth one morning hand-in-hand with her still smaller brother, to go and seek martyrdom in the country of the Moors? Out they toddled from rugged Avila, wide-eyed and helpless-looking as two fawns, but with human hearts, already beating to a national idea; until domestic reality met them in the shape of uncles, and turned them back from their great resolve. That child-pilgrimage was a fit beginning. Theresa's passionate, ideal nature demanded an epic life: what were many-volumed romances of chivalry and the social conquests of a brilliant girl to her? Her flame quickly burned up that light fuel; and, fed from within, soared after some illimitable satisfaction, some object which would never justify weariness, which would reconcile self-despair with the rapturous consciousness of life beyond self. She found her epos in the reform of a religious order.

**The King of Crows: The Diviners 4** WaterBrook First published in 1888, Robert Elsmere was probably the biggest-selling novel of the nineteenth century. Inspired by the religious crises of her father, Ward tells the story of an Oxford clergyman who begins to doubt the doctrines of the Anglican church after he encounters the work of German rationalists. Rather than becoming an atheist, Elsmere pursues the idea of "constructive liberalism," stressing the importance of social work among the poor and uneducated. The Times called it "a clever attack upon revealed religion," and William Gladstone's copy was annotated with objections to Ward's heterodoxy. In the Victorian age, nothing was more likely to generate publicity than religious controversy, and Robert Elsmere became a runaway success. More than one million copies were sold, generating around 4,000 in royalties, which would today put Ward in the millionaire author bracket. Her earning would have been higher if it weren't for the absence of international copyright laws when Robert Elsmere was first published. Many cheap US editions were hurriedly produced to cash in on its success. Some were sold as loss leaders for just 4 cents, and other copies were given away free with every cake of Maine's Balsam Fir Soap, conveying the idea that cleanliness was next to godliness. Out of print for twenty five years, this new edition brings Ward's publishing phenomenon to a new audience. The text is completely reset, and the edition includes: \* critical introduction by Miriam Elizabeth Burstein \* explanatory notes \* excerpts from Gladstone's famous review of Robert Elsmere \* extracts from Ward's David Grieve **Advanced Dungeons & Dragons, Players Handbook** Allen & Unwin "Adrian and Marcelle continue their quest to free the human slaves on the dragon planet of Starlight. Sword maiden Marcelle returns in spirit form to their home planet in search of military aid and runs into deadly obstacles because of her strange appearance. For her, death by burning is on the horizon. Adrian stays on Starlight to search for his brother Frederick, hoping to join forces and liberate the slaves. Adrian is carrying the nearly lifeless body of Marcelle, not knowing that her ghostly self is in desperate trouble back at home."--P. [4] of cover.
