A Wild Patience Has Taken Me This Far: Poems 1978-1981 UNC Press Books

In this bold defense of so-called confessional poetry, Alan Williamson shows us that much of the best writing of the past twenty-five years is about the sense of being or having a self, a knowable personal identity. The difficulties posed by this subject help explain the fertility of contemporary poetic experiment--from the jaggedness of the later work of Robert Lowell to the montage--like methods of John Ashbery, from the visual surrealism of James Wright and W. S. Merwin to the radical plainness of Frank Bidart. Williamson examines these and other poets from a psychological perspective, giving an especially striking reading of Sylvia Plath.

Midnight Salvage: Poems 1995-1998 Souvenir Press

"An impressive new volume. . . . Rich's admirers will recognize the complex symbiosis between the activist and the maker of new language, each propelling, describing, provoking the other's words."—Publishers Weekly "Look: with all my fear I'm here with you, trying what it means, to stand fast; what it means to move." In these astonishing new poems, Adrienne Rich dares to look and to extend her poetic language as witness to the treasures—the midnight salvage—we rescue from fear and fragmentation. Rich's work has long challenged social plausibilities built on violence and demoralizing power. In *Midnight Salvage*, she continues her explorations at the end of the century, trying, as she has said, "to face the terrible with hope, in language as complex as necessary, as communicative as possible—a poetics which can work as antidote to complacency, self-involvement, and despair. I have wanted to assume a theater of voices rather than the restricted I. To write for both readers I know exist and those I can only imagine, finding their own salvaged beauty as I have found mine." "In her vision of warning and her celebration of life, Adrienne Rich is the Blake of American letters."—Nadine Gordimer

The pathbreaking investigation into motherhood and womanhood from an influential and enduring feminist voice, now for a new generation. In *Of Woman Born*, originally published in 1976, influential poet and feminist Adrienne Rich examines the patriarchic systems and political institutions that define motherhood. Exploring her own experience—as a woman, a poet, a feminist, and a mother—she finds the act of mothering to be both determined by and distinct from the institution of motherhood as it is imposed on all women everywhere. A " powerful blend of research, theory, and self-reflection " (Sandra M. Gilbert, *Paris Review*), *Of Woman Born*

revolutionized how women thought about motherhood and their own liberation. With a stirring new foreword from National Book Critics Circle Award – winning writer Eula Biss, the book resounds with as much wisdom and insight today as when it was first written.

A Change of World W. W. Norton & Company

Built from the lives and stories of undocumented immigrants, these mournful, mystical poems are artifact, a cry for remembrance

Later Poems W. W. Norton & Company

A global pandemic has America under quarantine. In a run-down apartment building, with nowhere to go and nothing to do, five people—a philosopher, an academic, a filmmaker, a sculptor, and a philanthropist—come together, at first only for the pleasure of company. But then they find themselves in a ferocious debate about the obsessions that drive their lives and a ruthless quest to discover the secrets that brought them together. Their passions and betrayals play out against the dangerous backdrop of a state-enforced lockdown and a disease that can strike anyone at any time. The eventually explosive conflicts among these poor artists, underfed intellectuals, and desperate fanatics pose urgent questions of art and inequality, health and freedom, faith and power, love and death. *The Quarantine of St. Sebastian House* is at once a Platonic dialogue, a poem in prose, and a suspenseful story of mystery and romance: a fresh narrative for a new era.

When first published in 1977, *A Literature of Their Own* quickly set the stage for the creative explosion of feminist literary studies that transformed the field in the 1980s. Launching a major new area for literary investigation, the book uncovered the long but neglected tradition of women writers in England. A classic of feminist criticism, its impact continues to be felt today. This revised and expanded edition contains a new introductory chapter surveying the book's reception and a new postscript chapter celebrating the legacy of feminism and feminist criticism in the efflorescence of contemporary British fiction by women.

"The Will to Change is an extraordinary book of poems...It has the urgency of a prisoner's journal: patient, laconic, eloquent, as if determined thoughts were set down in stolen moments." —David Kalstone in *The New York Times Book Review* "The Will to Change must be read whole: for its tough distrust of completion and for its cool declaratives which fix us with a stare more unsettling than the most hysterical questions...It includes moments when poverty and heroism explode grammar with their own dignified unsyntactical demands...The poems are about departures, about the pain of breaking away from lovers and from an old sense of self. They discover the point where loneliness and politics touch, where the exercise of the radical courage takes its inevitable toll."—David Kalstone in *The New York Times Book Review*

Time's Power is a new book by a major American poet, and a landmark in a distinguished ongoing career. For thirty years, Rich's poetry has revealed the individual personal life—sexualities, loves, damages, struggles—as inseparable from a wider social condition, a world with others, in which the empowering of the disempowered is increasingly the source of human hope. Now her mature vision engages with the power of time itself: memory and its contradictions, the ebb and

flow between parents and children, the deaths we all face sooner or later, the meaning of human responsibility in all this. "Letters in the Family," for example, is written in the voices of three women—from the Spanish Civil War, from a Jewish rescue mission behind Nazi lines, and from present-day Southern Africa. *Time's Power* shows Rich writing with unprecedented range, complexity, and authority. *An Atlas of the Difficult World: Poems 1988-1991* Princeton University Press A Study Guide for Adrienne Rich's "Diving into the Wreck," excerpted from Gale's acclaimed *Poetry for Students*. [Introspection and Contemporary Poetry](#) W. W. Norton & Company

"Trust Rich, a clarion poet of conscience, to get the fractured timbre of the times just right."--Booklist, starred review In this new collection Adrienne Rich confronts dislocations and upheavals in the United States at the beginning of the twenty-first century. The title poem, in a young schoolteacher's voice, evokes the lessons that children ("Not of course here") learn amid violence and hatred, "when the whole town flinches / blood on the undersole thickening to glass." "Usonian Journals 2000" intercuts faces and conversations, building to a dystopic/utopic vision. Throughout these fierce and musical poems, Rich traces the imprint of a public crisis on individual experience: personal lives bent by collective realities, language itself held to account.

A Study Guide for Adrienne Rich's "Diving into the Wreck" W. W. Norton & Company

More than 200 poems collected from Adrienne Rich's first six books, plus a dozen others of those decades. From their first publication, when Rich was twenty-one, in the prestigious *Yale Younger Poets* series, the successive volumes of her poetry have both charted the growth of her own mind and vision and mirrored our tempestuous, unsettled age. Her unmistakable voice, speaking even from the earliest poems with rare assurance and precision, wrestles with urgent questions while never failing to explore new poetic territory. In *Collected Early Poems*, readers will once again bear witness to Rich's triumphant assertion of the centrality of poetry in our intertwined personal and political lives.

A classic poem with a timeless message, presented in a small and beautiful gift book. Rose Milligan never intended to publicly share her poem 'Dust If You Must', but a series

Her charming message about what we value in life resonated with audiences, and it has since been read on BBC radio, posted on Instagram, printed on tea towels, read at funerals and put to music. Now appearing as a book for the first time, beautifully illustrated throughout by illustrator Hayley Wells, *Dust If You Must* is a timeless reminder to focus on the things we can enjoy in the world, rather than the things we think we need to do.
