"This inspiring story introduces Ron, an average guy, who is increasingly disturbed by social media updates from his peers and feels he is not doing as well in his own life. He feels stuck in his day-to-day routine and is struggling to accept if that is all life had to offer, after all the hard work that he put in over the years to establish himself. Although his life is comfortable, he feels something is missing within the entire scheme of things. One day, through a 'magical meeting', he is introduced to the step-by-step approach to finding one's answers. Ron embarks on this journey, becomes his best self and in the process, discovers his life purpose, a sense of passion and ever-lasting contentment. The book offers those key concepts from the science of achievement and personal development that can have maximum impact on your life. In addition, simple exercises have been provided, each of which can be integrated into your busy day-to-day lives. If you are new to self-help and personal development, this book will provide you with most of what you need to become your best self and continue pushing further. If you are already a self-help enthusiast, this book will serve as a quick reminder of the core principles and high-impact exercises."
