inclusion in *The Best American Mystery Stories 2013*, edited by Otto Penzler and Lisa Scottoline Brand-new stories by: Bill Loehfelm, S.J. Rozan, Ted Anthony, Todd Craig, Ashley Dawson, Bruce DeSilva, Louisa Ermelino, Binnie Kirshenbaum, Michael Largo, Mike Penncavage, Linda Nieves-Powell, Patricia Smith, Shay Youngblood, and Edward Joyce. "Staten Island, the last of New York City's five boroughs to enter Akashic's noir series, serves as the setting for this exceptionally strong anthology." --Publishers Weekly (starred review) "Smith 's introduction is a revelation. She knows the Island I have in my head. It was like finding a literary sibling, separated since birth." --Washington Independent "It 's not enough for noir to be dark. It 's got to be bad-ass. Its words, its decaying and horrible beauty have got to hit you like a spiked heel dragged from your guts to your gullet. It 's got to twist the hot knife of passion in that soft space right below your belly while pumping bullets into your heart. It 's got to make you bleed. Akashic Books ' latest in their noir series, *Staten Island Noir* features some dusky and drop-dead gorgeous gems (emphasis on the dead) that do just that." --Grub Street Daily "Staten Island is the forgotten borough, lacking a subway system, left out of Jay-Z's songs, known for organized crime, bad accents, fake tans, and garbage--which makes it a rich setting for Akashic's noir series...In a thrilling tilt-a-whirl of crime and drama, editor Patricia Smith has carefully chosen writers concerned with the true nature of the small suburban borough." --Electric Literature's "The Outlet" "Each story in this enjoyable collection has its own charms, if the words 'enjoyable' or 'charms' can be used with these dark tales, and each can stand-alone. However, if, like me, you had always looked at Staten Island as banal and benign, by the book's end your ideas will be forever changed." --ReviewingTheEvidence.com Patricia Smith, editor of *Staten Island Noir*, has won the Robert L. Fish Memorial Award for her short story

The popular names of many yogic asanas - from Virbhadrā-asana and Hanuman-asana to Matsyendra-asana, Kurma-asana and Ananta-asana - are based on characters and personages from Indian mythology. Who were these mythological characters, what were their stories, and how are they connected to yogic postures? Devdutt Pattanaik's newest book *Yoga Mythology* (co-written with international yoga practitioner Matt Rulli) retells the fascinating tales from Hindu, Buddhist and Jain lore that lie behind the yogic asanas the world knows so well; in the process he draws attention to an Indic worldview based on the concepts of eternity, rebirth, liberation and empathy that has nurtured yoga for thousands of years.

Few scholars have been as influential in finance, both as an academic field and an industry, as Eugene Fama. Since writing his groundbreaking 1970 essay on efficient capital markets, Fama has written over 100 papers and books that have been cited hundreds of thousands of times. Yet there is no one collection where one can easily find his best work in all fields. "The Fama Portfolio" will be an outstanding and unprecedented resource in a field that still concentrates mainly on questions stemming from Fama's work: Is the finance industry too large or too small? Why do people continue to pay active managers so much? What accounts for the monstrous amount of trading? Do high-speed traders help or hurt? The ideas, facts, and empirical methods in Fama's work continue to guide these investigations. "The Fama Portfolio" will be a historic and long-lasting collection of some of the finest work ever produced in finance."
