In a remote clinic in 18th century Italy, a lonely girl writes to her mother. She tells of pale English aristocrats and mysterious Russian nobles. She tells of intrigues and secrets, and strange faceless figures that rise up from the sea. And she tells about the enigmatic Mrs Pond, who arrives with her husband and her trusted physician. What the girl doesn't tell her mother is the truth that everyone at the clinic knows and no one says – that the only people who come here do so to die. An adventure set in 18th century Italy, featuring the Eleventh Doctor as played by Matt Smith and his companions Amy and Rory.

" Eerie . . . A book you will gulp down " (The New York Times). Lyons, Basche, and Tyler—three ordinary guys—find their fourth poker night partner, Reece, fatally beaten on the floor of his apartment. Reece was a quiet, unassuming fellow but he had one outstanding trait: his fabulous memory. On Friday nights he could recall every card that was played. Yet his final slurred words were: " I don ' t remember. " His three remaining friends, shocked by the indifference of the police, form their own tribunal of retribution: to find the people who had used Reece so ruthlessly and who had disposed of him in the same way; to deal with the assassins with a like kind of justice; and to ferret out the " lost " information that cost Reece his life. Their motivation and their mission culminate in an unforgettable tale of vengeance and its consequences. " Breathtaking and tough. " —Library Journal

A collection of fantastical and macabre Gullah-

inspired folklore that illuminates African-American life in nineteenth-century South Carolina. You ask for a story. I will tell you one, fact for fact and true for true. . . . So begins “ Crook-Neck Dick, ” one of twenty-three stories in this beguiling collection of Charleston lore. John Bennett ’ s interpretations of the legends shared with him by African-descended Charlestonians have entertained generations. Among them are tales of ghosts, conjuring, superhuman feats, and supernatural powers; accounts of ingenuity, humor, terror, mystery, and solidarity will enchant folklorists, students of Charleston history, and all those who love a good ghost story. Julia Eichelberger, the Marybelle Higgins Howe Professor of Southern Literature and an executive board member of the Center for Study of Slavery at the College of Charleston in South Carolina, provides an introduction. “ A collection of folk story, myth, drolleries, macabre unreason . . . old tales of death, mystery, bizarre incredibilities, diabolic influence, demanding ghosts, buried treasure, enchantments, miracles, visitations, and the dead that are not dead. ”

Dottie Lou in her SECOND Note in the life of a Northland Musician reveals an emotional, incomprehensible reality, when her music career clashes with Marriage. She discloses how perpetually

they fail to compliment each other. She embraces intrigue and indepth into the infectious temptations, the ultimate pitfalls, but not without abundant humor, the many nonsensical days of Wine and Roses that permeates the behind the Limelight scenes of the entertainment world, blending the silly with the serious. Tender sentiments and the sometimes risqué glow of passion jump from the provocative pages of penned relationships. And from her pen emerges, with poignant concern, the traumatic anguish of her children as they cope with the unexpected death of a parent.

In a world of HMOs, insurance companies, and an endless flood of forms, Hull Cook reminds us that there was a time when a visit to the doctor's office cost three dollars and doctors still made house calls. Cook recounts fifty years of service as a rural doctor in Texas and Nebraska, where a wide spectrum of dilemmas tested his resourcefulness, endurance, and sense of humor. He describes helping to deliver a baby via telephone during the Blizzard of '49, and he explains his "special delivery" of medication in the dead of winter—an operation involving his Beechcraft Bonanza airplane and a p.

"[Rennie Airth's] meticulously detailed procedural mysteries are beautifully written . . . well worth reading, and rereading."—Marilyn Stasio, The New York Times Book Review Rennie Airth's The Decent Inn of Death is forthcoming. On a freezing London night in 1944, Rosa Novak is brutally murdered during a blackout. Scotland Yard suspects the young Polish refugee was the victim of a random act of

violence and might have dropped the case if former police investigator John Madden hadn't been her employer. Madden feels he owes it to Rosa to find her killer and pushes the investigation, uncovering her connection to a murdered Parisian furrier, a member of the Resistance, and a stolen cache of diamonds. Delivering the atmospheric writing and compelling characters that have already established Rennie Airth as a master of suspense as well as style, this long-awaited third installment in the John Madden series is historical crime writing at its best.

Ashildr, a young Viking girl, died helping the Doctor and Clara to save the village she loved. And for her heroism, the Doctor used alien technology to bring her back to life. Ashildr is now immortal — *The Woman Who Lived*. Since that day, Ashildr has kept journals to chronicle her extraordinary life. *The Legends of Ashildr* is a glimpse of some of those stories: the terrors she has faced, the battles she has won, and the treasures she has found. These are tales of a woman who lived longer than she should ever have lived — and lost more than she can even remember. An original novel featuring the Twelfth Doctor as played by Peter Capaldi, and Ashildr as played by Maisie Williams.

When her brother calls to say he's been in an accident and needs her help, literary agent and amateur sleuth Allie Cobb doesn't hesitate to go to him. And though she's worried for his safety, her concern turns to confusion when she learns that he ran his truck into a ditch to avoid hitting a large safe sitting in the middle of the road. Stranger still, when the safe is opened, police discover the grisly remains of the local gun club president. All the evidence indicates the dead man was

poisoned by lethal injection, and that the drugs could only have come from Allie's favorite veterinarian. Determined to prove the woman's innocence, Allie's digging reveals that the victim's wife may have wanted him out of the picture, and also that he was embroiled in a long-running dispute with a local businessman. With no shortage of suspects and a very ominous sense of danger lurking around her, Allie will have to watch her back, because until the killer is caught, nobody's safe . . . Praise for the Allie Cobb Mysteries: "Mr. Kenney has written a complicated mystery . . . Who, the first ever Doctor Who poetry
collection—a charming, funny and
whimsical illustrated collection of verse that
celebrates the joys and pitfalls of getting older
. . . Time-Lord older. Like many of us, the
older they get, the more Time Lords realize
how little they understand the universe

around them. This delightful collection of
poems—the first volume of Doctor Who
verse published—offers moments of insight,
wit, and reassurance for the maturing
inhabitants of Gallifrey (and everywhere else),
including such delights as: THE END When I
was One I was not much fun When I was Two
I was barely through When I was Three I liked
strong tea When I was Four I hated a bore
When I was Five I was really alive When I was
Six I somehow could never quite fit in to what
was expected of me, well, not exactly but that
was because things weren ’ t neat and there
are no easy rhymes in the universe and
scansion, my dear Peri, is a thing that ’ s
really overrated and you only have to look at
a sunset to realise that creation itself is a poem
and oh no wait, got it, of course, Fix! The line
needed to end with Fix! (Or tricks. That ’ s
works too.) When I was Seven I sent the gods
to Heaven When I was Eight Kissing was great
When I was Nine I had forgotten time When I
was Ten I began again When I was Eleven I
totally got even When I was Twelve, I became
as clever as clever And now I think I ’ ll be
Twelve for ever and ever* (*Unless, of course,
there is a terrible catastrophe involving
explosions, radiation, or heights. And then I

guess we ' ll find out what comes next. But the
eyebrows won ' t be as good.)
