India in 1947 is a country in the grip of chaos, torn apart by internal strife. When the Doctor and Donna arrive in Calcutta, they discover Ghandi's role in history is under threat, and that the city is rife with tales of half-made men who roam the streets at night and steal people away.

The Dangerous Book of Monsters carl (tuchy) palmieri

The Doctor, Romana, and K-9 are hoping for a holiday in London in the sweltering summer of 1930. But the TARDIS is warning of time pollution. And that's not the only problem. What connects the isolated Sussex resort of Nutchurch with the secret society run by the eccentric Percy Closed? Why has millionaire Hepworth Stackhouse dismissed his staff and hired assassin Julia Orlostro? And what is the truth behind the infernal vapour known only as Zodaal? With the heat building, the Doctor and his friends set out to solve the mysteries. An adventure set in 1930s London, featuring the Fourth Doctor as played by Tom Baker and his companions Romana and K-9.

Doctor Who: Harvest of Time BBC Children's Books

When a naval cruiser sinks in mysterious circumstances in the North Sea, all aboard are lost. Rose is saddened to learn that the brother of her friend, Keisha, was among the dead. And yet he appears to them as a ghostly apparition, begging to be saved from the coming feast... the feast of the drowned. As the dead crew haunt loved ones all over London, the Doctor and Rose are drawn into a chilling mystery. What sank the ship, and why? When the cruiser's wreckage was towed up the Thames, what sinister force came with it? The river's dark waters are hiding an even darker secret, as preparations for the feast near their conclusion Featuring the Tenth Doctor and Rose as played by David Tennant and Billie Piper in the acclaimed Doctor Who series from BBC Television.

Nightmare Random House

An action-packed novelisation of a classic TV adventure for the Fourth Doctor, Romana and K9. A freak accident locks two ships together in space - and a distress call brings the Doctor, Romana and the faithful K9 onto the scene. There they discover traces of the highly addictive drug Vraxoin, and the presence of the ferocious Mandrels. As the Doctor attempts to separate the two spaceships, he and Romana are pulled into a web of intrigue involving treacherous drug smugglers, undercover spies, and a savagely dangerous planet called Eden... The Janus Doctor Big Finish Productions

THE SUNDAY TIMES BESTSELLER What are you afraid of? In his first-ever Doctor Who novel, Tom Baker ' s incredible imagination is given free rein. A story so epic it was originally intended for the big screen, Scratchman is a gripping, white-knuckle thriller almost forty years in the making. The Doctor, Harry and Sarah Jane Smith arrive at a remote Scottish island, when their holiday is cut short by the appearance of strange creatures — hideous scarecrows, who are preying on the local population. The islanders are living in fear, and the Doctor vows to save them all. But it doesn ' t go to plan — the time travellers have fallen into a trap, and Scratchman is coming for them. With the fate of the universe hanging in the balance, the Doctor must battle an ancient force from another dimension, one who claims to be the Devil. Scratchman wants to know what the Doctor is most afraid of. And the Doctor ' s worst nightmares are coming out to play...

Doctor Who: The Christmas Invasion (Target Collection) Createspace Independent Publishing Platform

Discover the new Doctor Who classics. Earth is under attack by power-hungry aliens. This is no time for the Doctor to be out of action. When a British space probe is intercepted by a sinister alien vessel on the eve of Christmas, it marks the beginning of an audacious invasion of the Earth by the Sycorax — horrifying marauders from beyond the stars. Within hours, a third of humanity stands on the brink of death with not a single shot fired. Our planet needs a champion — but the Doctor is not fit for service. He ' s just regenerated, delirious in a new body and a dressing gown. Forced into his battered shoes is his friend, Rose Tyler, a girl from a London council estate. Will she save the world from this nightmare before Christmas — or see it destroyed?

Doctor Who: Travels in Time Colouring Book Crown

What won ' t we try in our quest for perfect health, beauty, and the fountain of youth? Well, just imagine a time when doctors prescribed morphine for crying infants. When liquefied gold was touted as immortality in a glass. And when strychnine—yes, that strychnine, the one used in rat poison—was dosed like Viagra. Looking back with fascination, horror, and not a little dash of dark, knowing humor, Quackery recounts the lively, at times unbelievable, history of medical misfires

and malpractices. Ranging from the merely weird to the outright dangerous, here are dozens of outlandish, morbidly hilarious " treatments " —conceived by doctors and scientists, by spiritualists and snake oil salesmen (yes, they literally tried to sell snake oil)—that were predicated on a range of cluelessness, trial and error, and straight-up scams. With vintage illustrations, photographs, and advertisements throughout, Quackery seamlessly combines macabre humor with science and storytelling to reveal an important and disturbing side of the ever-evolving field of medicine.

Divided Loyalties Random House

On December 21, 1980, the author, a morally insane, drug-addicted surgeon hit bottom. Guilty of fraudulent research, he finds himself reduced to a terrified non-entity in a barred bedlam oiled by a system bent on destroying the things that once defined human beings. There, he endures the angst of withdrawal and the savage revenge of a fellow con that had once been the target of the doctor's ignorant, racist tongue. Prison, however, turns out to be less a punishment than a restorative sanctuary, for there, guided by a notorious Black Panther and a wise rabbi, he confronts a soul overburdened with contemptible sin. Set free by the truth, he becomes humanized and ultimately rejoices in the glory of redemption and resurrection. Interjected between the prison scenes, the author recounts the intimate details that spawned a personality destined for tragedy. He speaks of a childhood spent in a house of horrors, of an adolescence spent slaving in a sweatbox of a bakery, of an obtuse alcoholic father, and an abusive perfunctory mother who, with every other breath, cleverly brainwashes him into presuming he wants to become a doctor. Ill-prepared for college, he resorts to drugs and duplicity in order to propel himself to the top of his class and through the doors of the Kafkaesque training grounds of medicine. His malignant idiosyncrasies carry over into his private practice, causing it to turn into a chaos, which, thanks to a profession gripped by a conspiracy of silence, is allowed to endure for almost a decade. It was not until he cripples a myriad of lives-including those closest to him-that his scalpel is finally taken out of his trembling hands. In need of money, he offers to perform clinical trials on experimental drugs for several pharmaceutical firms. Having no patients, however, to participate in the trials, he invents them and makes a go of it until the Food and Drug Administration stumbles upon his spurious dealings. Striving to thwart their efforts, the author engages in a series of reckless, self-destructive schemes; one of which-the use of drugs and alcohol to beguile his assistant into taking responsibility for his evil-proves tragic. In an Afterword bearing on the portentous problem of Janus doctors, the author discloses that more or less 15 percent of doctors are, at any one time, addicted to alcohol, to other drugs, or to both. And, probably, because of it, kill more people than motor vehicle accidents, breast cancer, or AIDS. He discusses why the problem remains unchecked, and proffers a prescription for its solution.

The Stone Rose Random House

Dan Starkey reads this imaginative original story featuring the Twelfth Doctor and Nardole. "Time: the present. Place: Smalltown, USA. A town like any other. A sleepy world of white picket fences, front porch gliders and freshly-mown lawns, a Pontiac or Chevrolet in every driveway. "But the streets are empty, with not a sound to be heard, and no-one to hear it if there was. Because this town is merely an empty stage, waiting for its players to take their parts. They're due to make their entrance any moment now, strangers in a strange land, somewhere in that timeless space known only as The Nightmare Realm." It's into this strange world of shifting sands that the TARDIS propels the Doctor and Nardole, who think they're in 1950s suburbia until an apparent nuclear attack takes them into far darker territory, with a series of terrifying consequences... Dan Starkey, who played the Sontaran Strax in the TV series, reads this unsettling original story by Jonathan Morris (P) 2021 BBC Studios Distribution Ltd Reading produced by Neil Gardner Sound design by David Roocroft Project editor: John Ainsworth Executive producer: Michael Stevens

Ghosts of India Random House

When Doctor Who and Steven journey back in time to 1572, Steven is surprised to learn that the Doctor seems to be behind the persecution of the Huguenots

Science fiction-roman.

Sarah Jane Adventures: The Nightmare Man Random House

The Novrosk Peninsula: the Soviet naval base has been abandoned, the nuclear submarines are rusting and rotting. Cold, isolated, forgotten.

Until the Russian Special Forces arrive and discover that the Doctor and his companions are here too. But there is something else in Novrosk. Something that predates even the stone circle on the cliff top. Something that is at last waking, hunting, killing. Can the Doctor and his friends stay alive long enough to learn the truth? With time running out, they must discover who is really responsible for the Deviant Strain... Featuring the Ninth Doctor as played by Christopher Eccleston, together with Rose and Captain Jack as played by Billie Piper and John Barrowman in the hit Doctor Who series from BBC Television.

Neverland Random House

In "Letter from Birmingham Jail," Martin Luther King Jr. explains why blacks can no longer be victims of inequality.

The Nightmare of Black Island Penguin UK

Eleven Doctors, eleven months, eleven stories: a year-long celebration of Doctor Who! The most exciting names in children's fiction each create their own unique adventure about the time-travelling Time Lord. Thousands of years ago, Time Lords built a Prison for the Kin. They made it utterly impregnable and unreachable. As long as Time Lords existed, the Kin would be trapped forever and the universe would be safe. They had planned for everything . . . everything, that is, other than the Time War and the fall of Gallifrey. Now the Kin are free again and there's only one Time Lord left in the universe who can stop them! Author Neil Gaiman puts his own unique spin on the Doctor's amazing adventures through time and space in the eleventh and final story in the bestselling 50th anniversary series!

The English Way of Death National Geographic Books

When Rose is locked up in a teenage borstel and the Doctor in a scientific labor camp in Justicia, they are determined to find each other and escape, but their plans are complicated by the presence of fellow inmates who may be old enemies.

Doctor Who and the Nightmare of Eden Random House

On a lonely stretch of Welsh coastline a fisherman is killed by a hideous creature from beneath the waves. When the Doctor and Rose arrive, they discover a village where the children are plagued by nightmares, and the nights are ruled by monsters. The villagers suspect that ancient industrialist

Nathanial Morton is to blame, but the Doctor has suspicions of his own. Who are the ancient figures that sleep in the old priory? What are the monsters that prowl the woods after sunset? What is the light that glows in the disused lighthouse on Black Island? As the children's nightmares get worse, The Doctor and Rose discover an alien plot to resurrect an ancient evil... Featuring the Tenth Doctor and Rose as played by David Tennant and Billie Piper in the hit Doctor Who series from BBC Television.
