The Eight Doctors Penguin UK

An original novel set in the universe of the smash-hit British sci-fi show Doctor Who, featuring BBC-authorized official cover art and storylines, timed to coincide with exploding U.S. interest in the show,

Nightmare Fair Duke University Press

Twelve extraordinary Doctor Who stories, each featuring a monstrous villain from the Doctor Who world. On every planet that has existed or will exist, there is a winter . . . Many of the peoples of Old Earth celebrated a winter festival. A time to huddle together against the cold; a time to celebrate being half-way out of the dark. But shadows are everywhere, and there are some corners of the universe which have bred the most terrible things, lurking in the cold between the stars. Here are twelve stories - one for each of the Twelve Days of Christmas - to remind you that to come out of the darkness we need to go into it in the first place. We are not alone. We are not safe. And, whatever you do: don't blink. Written by popular children's author, and lifelong Doctor Who fan, Dave Rudden.

The Dark Half Simon and Schuster

When Doctor Who and Steven journey back in time to 1572, Steven is surprised to learn that the Doctor seems to be behind the persecution of the Huguenots

Doctor Who, the Nightmare Fair Penguin UK

"Welcome to your nightmares. 14 year-olds Esteban and Tristan have a special after-school job. They enter Tristan's father's Sleep Clinic where they have one goal: help people get rid of their worst nightmares. With unique equipment the Nightmare Brigade can literally infiltrate their patients' nightmare to seek its root and destroy the cause. Things are shaken up a bit, however, when they meet the young sleep study patient Sarah. Esteban thinks he has seen her before... but why are his memories all fuzzy? But the Nightmare Brigade is in jeopardy of getting stuck inside a nightmare forever when a rogue patient, with tragic ties to Tristan's family, hijacks a nightmare they are trying to fix. Will they help avoid a breakdown in their patient and return to the real world? Or is this one nightmare no one wakes up from?"--Provided by publisher.

The Feast of the Drowned Carol Publishing Group

A comprehensive and interpretative biography of Franz Kafka that is both a monumental work of scholarship and a vivid, lively evocation of Kafka's world.

The Janus Doctor BBC Children's Books

When a naval cruiser sinks in mysterious circumstances in the North Sea, all aboard are lost. Rose is saddened to learn that the brother of her friend, Keisha, was among the dead. And yet he appears to them as a ghostly apparition, begging to be saved from the coming feast... the feast of the drowned. As the dead crew haunt loved ones all over London, the Doctor and Rose are drawn into a chilling mystery. What sank the ship, and why? When the cruiser's wreckage was towed up the Thames, what sinister force came with it? The river's dark waters are hiding an even darker secret, as preparations for the feast near their conclusion Featuring the Tenth Doctor and Rose as played by David Tennant and Billie Piper in the acclaimed Doctor Who series from BBC Television.

Doctor Who: Twelve Angels Weeping St. Martin's Paperbacks

On December 21, 1980, the author, a morally insane, drug-

addicted surgeon hit bottom. Guilty of fraudulent research, he finds himself reduced to a terrified non-entity in a barred bedlam oiled by a system bent on destroying the things that once defined human beings. There, he endures the angst of withdrawal and the savage revenge of a fellow con that had once been the target of the doctor's ignorant, racist tongue. Prison, however, turns out to be less a punishment than a restorative sanctuary, for there, guided by a notorious Black Panther and a wise rabbi, he confronts a soul overburdened with contemptible sin. Set free by the truth, he becomes humanized and ultimately rejoices in the glory of redemption and resurrection. Interjected between the prison scenes, the author recounts the intimate details that spawned a personality destined for tragedy. He speaks of a childhood spent in a house of horrors, of an adolescence spent slaving in a sweatbox of a bakery, of an obtuse alcoholic father, and an abusive perfunctory mother who, with every other breath, cleverly brainwashes him into presuming he wants to become a doctor. Ill-prepared for college, he resorts to drugs and duplicity in order to propel himself to the top of his class and through the doors of the Kafkaesque training grounds of medicine. His malignant idiosyncrasies carry over into his private practice, causing it to turn into a chaos, which, thanks to a profession gripped by a conspiracy of silence, is allowed to endure for almost a decade. It was not until he cripples a myriad of lives-including those closest to him-that his scalpel is finally taken out of his trembling hands. In need of money, he offers to perform clinical trials on experimental drugs for several pharmaceutical firms. Having no patients, however, to participate in the trials, he invents them and makes a go of it until the Food and Drug Administration stumbles upon his spurious dealings. Striving to thwart their efforts, the author engages in a series of reckless, self-destructive schemes; one of which-the use of drugs and alcohol to beguile his assistant into taking responsibility for his evil-proves tragic. In an Afterword bearing on the portentous problem of Janus doctors, the author discloses that more or less 15 percent of doctors

are, at any one time, addicted to alcohol, to other drugs, or to both. And, probably, because of it, kill more people than motor vehicle accidents, breast cancer, or AIDS. He discusses why the problem remains unchecked, and proffers a prescription for its solution.

Doctor Who, the Massacre New York : Pocket Books ; Markham, Ont. : Distributed in Canada by PaperJacks
THE SUNDAY TIMES BESTSELLER What are you afraid of? In his first-ever Doctor Who novel, Tom Baker's incredible imagination is given free rein. A story so epic it was originally intended for the big screen, *Scratchman* is a gripping, white-knuckle thriller almost forty years in the making. The Doctor, Harry and Sarah Jane Smith arrive at a remote Scottish island, when their holiday is cut short by the appearance of strange creatures – hideous scarecrows, who are preying on the local population. The islanders are living in fear, and the Doctor vows to save them all. But it doesn't go to plan – the time travellers have fallen into a trap, and *Scratchman* is coming for them. With the fate of the universe hanging in the balance, the Doctor must battle an ancient force from another dimension, one who claims to be the Devil. *Scratchman* wants to know what the Doctor is most afraid of. And the Doctor's worst nightmares are coming out to play...

[The Dangerous Book of Monsters](#) Ebury Press

A “wondrously frightening” (Publishers Weekly) tale of terror and #1 national bestseller about a writer's pseudonym that comes alive and destroys everyone on the path that leads to the man who created him. Thad Beaumont is a writer, and for a dozen years he has secretly published violent bestsellers under the name of George Stark. But Thad is a healthier and happier man now, the father of infant twins, and starting to write as himself again. He no longer needs George Stark and so, with nationwide publicity, the pseudonym is retired. But George Stark won't go willingly. And now Thad would like to say he is innocent. He'd like to say he has nothing to do with the twisted imagination that produced his bestselling novels. He'd like to say he has nothing to do with the series of monstrous murders that keep coming closer to his home. But how can Thad deny the ultimate embodiment of evil that goes by the name he gave it—and signs its crimes with Thad's bloody fingerprints? *The Dark Half* is “a chiller” (The New York Times Book Review), so real and fascinating that you'll find yourself squirming in Stephen King's heart-stopping, blood-curdling grip—and loving every minute of it.

Doctor Who Carol Publishing Group

Recuperating after the trauma of his recent regeneration, the Doctor falls foul of a final booby-trap set by his arch-enemy, the Master. When he recovers, the disoriented Doctor looks in a mirror and sees the face of a stranger. He knows only that he is called “the Doctor” -- nothing more. But something deep inside tells him to trust the TARDIS, and his hands move over the controls of their own accord. The TARDIS takes him to a strangely familiar junkyard in late-nineties London, where he is flung into a confrontation between local drug-dealers and Samantha Jones, a rebellious teenage from Coal Hill School. But the Doctor soon finds the TARDIS transporting him to various other places in order to recover all of his memories -- and that involves seeing seven strangely-familiar faces.”--Page 4 of cover.

The Doctor Who Would Be King Random House

When Rose is locked up in a teenage borstal and the Doctor in a scientific labor camp in Justicia, they are determined to find each other and escape, but their plans are complicated by the presence of fellow inmates who may be old enemies.

Doctor Benjamin Franklin's Dream America Carol Publishing Group

“If Julian has not already won readers' hearts with his [earlier] exploits, he will here when he tries to find out his father's secret dream for a birthday present. Surprised at hearing his father mumble ‘two snakes,’ Julian duly catches and presents them, only to discover that snakes are his father's recurring nightmare. Cameron's style is elegantly smooth and the characters come alive through easy dialogue and involving action.”--Bulletin, Center for Children's Books.

Julian, Dream Doctor Carol Publishing Group

From award-winning science-fiction writer Alastair Reynolds, a spellbinding new adventure featuring the Third Doctor. After billions of years of imprisonment, the vicious Sild have broken out of confinement. From a ruined world at the end of time, they make preparations to conquer the past, with the ultimate goal of rewriting history. But to achieve their aims, they will need to enslave an intellect greater than their own... On Earth, UNIT is called in to investigate a mysterious incident on a North Sea drilling platform. The Doctor believes something is afoot, and no sooner has the investigation begun when something even stranger takes hold: the Brigadier is

starting to forget about UNIT's highest-profile prisoner. And he is not alone in his amnesia. As the Sild invasions begins, the Doctor faces a terrible dilemma. To save the universe, he must save his arch-nemesis...the Master.

Eleven Doctors, eleven months, eleven stories: a year-long celebration of Doctor Who! The most exciting names in children's fiction each create their own unique adventure about the time-travelling Time Lord. Thousands of years ago, Time Lords built a Prison for the Kin. They made it utterly impregnable and unreachable. As long as Time Lords existed, the Kin would be trapped forever and the universe would be safe. They had planned for everything . . . everything, that is, other than the Time War and the fall of Gallifrey. Now the Kin are free again and there's only one Time Lord left in the universe who can stop them! Author Neil Gaiman puts his own unique spin on the Doctor's amazing adventures through time and space in the eleventh and final story in the bestselling 50th anniversary series!

Ask a Manager Graphix

An action-packed novelisation of a classic TV adventure for the Fourth Doctor, Romana and K9. A freak accident locks two ships together in space - and a distress call brings the Doctor, Romana and the faithful K9 onto the scene. There they discover traces of the highly addictive drug Vraxoin, and the presence of the ferocious Mandrels. As the Doctor attempts to separate the two spaceships, he and Romana are pulled into a web of intrigue involving treacherous drug smugglers, undercover spies, and a savagely dangerous planet called Eden... [The Nightmare Brigade #1](#) Aegitas

The Doctor and Peri find themselves at Blackpool Pleasure Beach along with the evil Chinese Mandarin
Doctor Who and the Nightmare of Eden Random House
In *The Doctor Who Would Be King* Guillaume Lachenal tells the extraordinary story of Dr. Jean Joseph David, a French colonial army doctor who governed an entire region of French Cameroon during World War II. Dr. David—whom locals called “emperor”—dreamed of establishing a medical utopia. Through unchecked power,

he imagined realizing the colonialist fantasy of emancipating colonized subjects from misery, ignorance, and sickness. Drawing on archives, oral histories, and ethnographic fieldwork, Lachenal traces Dr. David's earlier attempts at a similar project on a Polynesian island and the ongoing legacies of his failed experiment in Cameroon. Lachenal does not merely recount a Conradian tale of imperial hubris, he brings the past into the present, exploring the memories and remains of Dr. David's rule to reveal a global history of violence, desire, and failure in which hope for the future gets lost in the tragic comedy of power.
