How do you know how much to invest in a home? How do you choose the right loan and lender? How do you qualify for a home loan? How do you beat your odds to get the best deal? What to take care of during paper work? What do you do when your application gets rejected? How do you deal with the financial distress during loan repayment period? This book answers several questions like that. All living beings share a basic need to have a home, and what could be better if you could call it your own! Unless you are sitting on a pile of cash, you would agree that buying a house is expensive and may very well involve taking a life-time loan. A home loan will circumvent the need for finances which you might not possess right now to buy your dream house. It is equivalent to buying something in present with future money. Home loan gives tangible and very realistic hopes of a future of home ownership to the borrowers. However, only those who have borrowed before would know how complex the business of first looking for a right lender, then taking a loan and finally managing it for the rest of repayment period can be. This book is a simple approach to educating yourself about all there is at the end of the home loan tunnel. Potential homeowners and real estate developers alike will find significant insights about taking and managing a mortgage in the Indian market. It is one of the most comprehensive and complete works done on home loan management. A perfect guide to potential and existing homeowners who have taken or are planning to undertake a home loan. It is a step-by-step guide to buying a house on a home loan and then managing the mortgage stress, both mental and monetary, which comes with it. This book will be your guide to eliminate the stress and confusion, and provide clear cut answers to borrowing related questions through the insights of mortgage counseling experts. It covers a wide range of topics including getting the best home loan deal, understanding the terms & conditions and managing the loan.
