The sudden appearance of a stranger disrupts the lives of three very different individuals. Ruby Darling, a young African-American girl, is visited by an angel and subsequently

gains the ability to speak in tongues and heal the sick. A graduate student nicknamed Warlock intercepts an apparent extraterrestrial transmission and sets out on a quest with his new alien lover. Miss Anne Shipley escapes Whitman Psychiatric Hospital through the aid of the magically reanimated corpse of the chief orderly. Drawn into these interconnected events, linguistics professor Adam Wren discovers that changes in the very nature of human language itself are

transforming reality and that only he has any chance of stopping this.
