Crazy Rich Asians is the outrageously funny debut novel about three super-rich, pedigreed Chinese families and the gossip, backbiting, and scheming that occurs when the heir to one of the most massive fortunes in Asia brings home his ABC (American-born Chinese) girlfriend to the wedding of the season. When Rachel Chu agrees to spend the summer in Singapore with her boyfriend, Nicholas Young, she envisions a humble family home, long drives to explore the island, and quality time with the man she might one day marry. What she doesn't know is that Nick's family home happens to look like a palace, that she'll ride in more private planes than cars, and that with one of Asia's most eligible bachelors on her arm, Rachel might as well have a target on her back. Initiated into a world of dynastic splendor beyond imagination, Rachel

meets Astrid, the It Girl of Singapore society; Eddie, whose family practically lives in the pages of the Hong Kong socialite magazines; and Eleanor, Nick's formidable mother, a woman who has very strong feelings about who her son should--and should not--marry. Uproarious, addictive, and filled with jaw-dropping opulence, *Crazy Rich Asians* is an insider's look at the Asian JetSet; a perfect depiction of the clash between old money and new money; between Overseas Chinese and Mainland Chinese; and a fabulous novel about what it means to be young, in love, and gloriously, crazily rich.

Modern Monks is a retro-clone inspired role playing game with a focus on martial arts in the preset day. The rules of this game are designed to emulate the second edition of one of the world's most well known fantasy games. It can be used for campaigns focusing on gritty realism or the over the top super moves found in video games and anime. The **Modern Monks Player's Guide** contains rules for characters level 1-20. Inside you'll find: -Six character classes: the versatile martial artist who can focus on power, defense, or quick strikes, the tough soldier, the sneaky rogue, and the skillful civilian. -Skills and Techniques to customize your character -Armor,

weapons, and equipment -Guidelines for economics -11 character specialties like the rugged survivalist, the wise sensei, the daring wheelman, and the battle tested commander

The Orvis Guide to Muskies on the Fly

TopM.Publishing

Country Music consists of 24 stories, three of them novelette length, depicting rural life in America during the Great Depression and Army life during the Korean War of the 1950s. The stories are linked through setting and characters to produce the effect of two episodic novels-one concerning the basic training, combat experience and readjustment to civilian life of a group of Army draftees, the other a dissection of "small townism" during the stressful 1930s. Many of the stories are written in a colloquial and dialectal style, from the viewpoint of the characters.

The Fame Game Simon and Schuster

Having reached Eden in 4930 in search of the last pieces of the Rebus of Akhenaten and the treasure it promises, a world populated by

robots controlled by Montard, Billy discovers space, time and reality are an illusion of pulsating light and dark we perceive not outside but inside, in our consciousness of our unconsciousness. But amazingly learns our unconsciousness is the quantum unconsciousness of all things, solids, liquids and gases, the source of all that is real to us. And the future, once the home of Nanochromes is a virtual reality game controlled by the Toba Men. A game he must escape if he is to reveal the secret of the Rebus and prevent the mass extinction event of 2084. But not without hazarding the most perilous dangers imaginable and suffering the death of a friend that will change his life.

Joining the Conversation: A Guide and Handbook for Writers Anchor

A look at the revolution in game live streaming and esports broadcasting Every day thousands of people broadcast their gaming live to audiences over the internet using popular sites such as Twitch, which reaches more than one hundred million viewers a month. In these new platforms for interactive entertainment, big esports events featuring digital game competitors live stream globally, and audiences can interact with broadcasters—and each other—through chat in real time. What are the ramifications of this exploding online industry? Taking readers inside home studios and backstage at large esports events, Watch Me Play investigates

the rise of game live streaming and how it is poised to alter how we understand media and audiences. Through extensive interviews and immersion in this gaming scene, T. L. Taylor delves into the inner workings of the live streaming platform Twitch. From branding to business practices, she shows the pleasures and work involved in this broadcasting activity, as well as the management and governance of game live streaming and its hosting communities. At a time when gaming is being reinvented through social media, the potential of an ever-growing audience is transforming user-generated content and alternative distribution methods. These changes will challenge the meaning of ownership and intellectual property and open the way to new forms of creativity. The first book to explore the online phenomenon Twitch and live streaming games, Watch Me Play offers a vibrant look at the melding of private play and public entertainment.

Thoroughly revised, the fourth edition includes new student projects and more support for academic reading, critical thinking, and assessing credibility and bias.

The Rebus and the Parrot, The End Game Anchor

The Walkthrough offers a rare peek behind the curtain of the secretive video game industry from an unlikely perspective, that of a career strategy guide writer. For eighteen years, Doug Walsh was one of the most prolific authors of officially licensed video game strategy guides. One part

memoir and one part industry tell-all, *The Walkthrough* takes players on an entertaining march through gaming's recent history, from the dawn of the PlayStation to the Xbox 360 and Nintendo Switch. Follow along as Walsh retraces his career and reveals how the books were made, what it was like writing guides to some of the industry's most celebrated — and derided — titles, and why the biggest publishers of guidebooks are no longer around. Walsh devotes entire chapters to many of gaming's most popular franchises, including Tony Hawk's Pro Skater, Gears of War, and Diablo, among others. From inauspicious beginnings with Daikatana to authoring the books for the entire Bioshock trilogy, with plenty of highs, lows, and Warp Pipes along the way, Walsh delivers a rare treat to twenty-first century gamers. *The Walkthrough* is sure to satisfy the curiosity of anyone who grew up with the works of BradyGames and Prima Games sprawled across their laps. With over one hundred books to his credit, and countless weeks spent at many of the most famous studios in North America, he is uniquely qualified to give an insider's perspective of a little-known niche within the multi-billion-dollar industry.

Behind Closed Doors Ballantine Books

This book is a comprehensive overview of the history and culture of the peoples who are now known as the First Americans. Author Walter C. Fleming covers the many different tribes that stretched from the Atlantic to the Pacific, including compelling biographies of their greatest leaders. He examines the beliefs, customs, legends and the myriad contributions Native Americans have given to modern society, and details the often tragic history of their conquest by European invaders, their treatment—both historical and recent—under the U.S. government, and the harsh reality of life on today's reservations.
