Be sure that the question number on the answer sheet matches the number on the test. Then mark your answer by filling in

the circle on your answer sheet. Do not write your answers in the test booklet.

Physical Science

Physical Science is the study of matter and energy. Students in the Acellus Physical Science course study the basic components that matter is made of, as well as different forms of energy that make things move and change.

Enlightening, on-screen demonstrations of the concepts being taught bring the science to life and enhance student understanding.
