The Irish Setter - Its History, Temperament And Training (A Vintage Dog Books Breed Classic) Little, Brown

There are many potential causes of your dog's bad

breath, including their diet or a condition. The possibility of having your dog's teeth cleaned should be explored with the vet. These fantastic options might be able to assist you in getting rid of that disgusting canine breath. One of the most disgusting odors in the world is that of a dog with bad breath. Your dog may believe you appreciate his kisses, but if he has bad breath, you should stay away in case it gets on you. In addition to being disgusting, bad dog breath may indicate that the dog is

ill. You should conduct some study on the various causes of canine bad breath, as well as potential treatments and preventative measures, before giving your dog a canine breath mint.

Dogs: their points, whims [&c.] ed. by H. Webb
Workman Publishing Company

This eBook examines the lovable and affectionate American Water Spaniel. It provides a direct analysis of the dog's behavioral patterns, personality traits, and characteristics. This includes a general

discussion of the American Water Spaniel's health concerns, grooming and training requirements, as well as nutritional needs. Baking Soda Solutions Mayorline via PublishDrive For more than a quarter century, How to Be Your Dog's Best Friend has been the standard against which all other dog-training books have been measured. This expanded edition preserves the best features of the original classic while bringing the book fully up-to-date. The result: the ultimate training manual for a new generation of dog

owners--and, of course, for their canine best friends. The Monks of New Skete have achieved international renown as breeders of German shepherds and as outstanding trainers of dogs of all breeds. Their unique approach to canine training, developed and refined over four decades, is based on the philosophy that "understanding is the key to communication, compassion, and communion" with your dog. How to Be Your Dog's Best Friend covers virtually every aspect of living with and caring for your dog, including: Selecting a dog (what breed? male? female? puppy or

older dog?) to fit your lifestyle Where to get--and where not to get--a dog Reading a pedigree Training your dog or puppy--when, where, and how The proper use of praise and discipline Feeding, grooming, and ensuring your dog's physical fitness Recognizing and correcting canine behavioral problems The particular challenges of raising a dog where you live - in the city, country, or suburb The proper techniques for complete care of your pet at every stage of his or her life In its scope, its clarity, and its authority, How to Be Your Dog's Best Friend

remains unrivaled as a basic training guide for dog owners. Like no other book, this guide can help you understand and appreciate your dog's nature as well as his or her distinct personality--and in so doing, it can significantly enrich the life you share with your dog.

and MORE!
Henley's Twentieth Century Formulas, Recipes and Processes
Celestial Arts
A terrific and important resource for anyone who is serious about their dog's health and well-being, *Healing Dogs Their Way* takes a thoughtful and reasoned approach to the myriad of health issues facing modern dogs and offers a solid, practical approach to canine health. It is a book that, at once, lets owners know how best

to feed and care for their dogs to keep them healthy and how to identify and treat their problems when something goes wrong. The author, with over twenty-five years of experience as a natural animal health practitioner and medical intuitive, also voices her concerns - and it ought to be a concern of all dog owners - that modern veterinary medicine is overly dependent on the pharmaceutical industry, and that while this alliance is not necessarily sinister, at least not on the part of vets, it has effectively reshaped the way health issues are framed and thus approached. This reshaping is now so pervasive that owners with suffering dogs have lowered their expectations in terms of canine quality of life to accommodate the shortcomings and side effects of pharmaceutical medicine. But this need not be the case as our dogs have many options. Whether you are a first-time dog owner or someone who has been around dogs all your life, this is an important and valuable reference. If you love your dog, it's up to you to safeguard their well-being and quality of life, and this book will help you do just that.

The Dog Fancier Rodale Books

Originally published in London 1932, this extremely scarce early work on the Irish Setter is both expensive and hard to find in its first edition. The author was a highly respected dog breeder of the day whose knowledge of this breed in

particular was unsurpassed. The book consists of one hundred and thirty-two pages and contains photos of several famous Irish Setters and a frontispiece sketch of Field Trial Champion "Sulhamsted Sheilin D'or" by Cecil Aldin. Eleven Detailed chapters offer well researched history and professional advice: The Irish Setter's Ancestry and Some Famous Old Strains. How the Breed has Progressed: Famous Winners and Names.

Choosing an Irish Setter. The Irish Setter as House Dog. Standard Description. Training for Sport and Field Trials. Some Famous Modern Strains. Hints on Breeding. Hints on Showing. Ailments and Remedies. The Irish Setter's Future. This is a fascinating read for any Irish Setter enthusiast or historian of the breed and also contains much information that is still useful and practical today. "No Better Breed Exists".

Idstone. Many of the earliest dog breed books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. VINTAGE DOG BOOKS are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

The American Water Spaniel Scholastic Bookshelf: Humor
The wooftasticsecond

edition. "This attractive, copiously illustrated easy-to-understand volume covers every aspect of responsible dog ownership."
—Library Journal
The revised and expanded second edition of the bestselling *The Original Dog Bible* remains the most comprehensive dog lover's resource on the market! The

book is divided into eight parts—each fully illustrated and designed for easy reference—plus helpful, entertaining sidebars covering hundreds of related topics. With detailed chapters on the requirements of caring for a dog, health, training, and so much more, this book will prepare you for a wonderful

life with a dog. Also included is a catalog of over 250 purebred dog breeds with insightful articles for each! "Being a veteran veterinarian of twenty five years and a lifetime pet lover, I can enthusiastically say 'this old doc learned new tricks' upon reading the consummate book on all things dogs . . . I highly

recommend it!" -Dr. Marty Becker, former resident veterinarian on ABC's Good Morning America and coauthor of Chicken Soup for the Dog Lover's Soul "This comprehensive book certainly lives up to its subtitle . . . The best part of the book, however, covers 'life with a dog,' with sections on pet care partners like

sitters and walkers, emergencies, lost dogs, biting, traveling with a dog, and a fantastic chapter on activities one can do with one's dog." -Publishers Weekly
Heinerman's New Encyclopedia of Fruits & Vegetables Read Books Ltd
"Henley's Formulas, Recipes and Processes" is a compilation of ten thousand selected household and workshop

formulas, recipes, processes and money-saving methods for the practical use of manufacturers, mechanics, housekeepers and home workers. Each recipe from this book is to be regarded as a basis of experiment, to be modified to suit the particular purpose in hand, or the peculiar conditions which may affect the experimenter. Chemicals are not always of uniform relative purity and strength; heat or cold may markedly influence the result obtained, and lack of skill in the handling of utensils and instruments may sometimes cause failure. In some instances a series of formulas is given which apparently differ but slightly in their ingredients. This has been done on the principle that one or more may be chosen for the purpose in hand. Apart from the modern methods and formulas, old recipes and so-called trade secrets which have proven their value by long use are also included in this useful edition.

The Diseases of Dogs; Their Causes, Symptoms, and Treatment Penguin Hally, the Tosis family dog, has such bad breath that Mr. and Mrs. Tosis plan to give her away, until she proves to be an invaluable watchdog.

Water-cure Journal Good Press

The author of this encyclopedic volume was appointed

veterinarian to His Majesty King George V and his wife Her Majesty Queen Elizabeth. He was also chief veterinarian to the Kennel Club of Great Britain. Many pictures of the pets of royalty and the aristocracy grace the pages. The subjects of the book are presented in alphabetical order. **The Dog Encyclopedia** Independently Published
A big new book on

household solutions from the 5-million-copy-selling Who Knew? brand! Whether you're cleaning house, cooking a meal, improving your appearance, or fighting a cold, this indispensable guide will help you with natural and simple solutions to your daily tasks requiring only basic-and inexpensive-items with multiple uses that you should always keep on hand in your home. Vinegar, baking soda, lemons, duct tape, and beer are just a few of

the all-purpose tools you need to eliminate odors, keep your food fresher longer, get rid of pests, increase storage space, de-stress, give yourself a spa treatment, and so much more. With easy-to-follow instructions, you'll discover clever and creative ways to give your home-and yourself-a makeover while saving time and money.
