Dog Songs (public library)
collects her most soul-

stirring poems and short
prose celebrating that

special human-canine
relationship and what it

reveals about the meaning
of our own lives — a beautiful

manifestation of Oliver's
singular sieve for extracting

from the particularities of the
poetic subject the

philosophical universalities
of the human condition to

illuminate what it means to
live a good life, a full life, a

life of purpose and
presence.

Dog Songs Quotes by
Mary Oliver - Goodreads

Mary Oliver's Dog Songs
is a celebration of the

special bond between
human and dog, as

understood through the
poet's relationships to the

canines that have
accompanied her daily
walks, warmed her home,
and inspired her work.

You don't really own a
dog, you live with one.

You live with the wet
noses, happy wags and

unrestrained love. This
brevity of our being is

revisited courtesy
celebrated poet Mary

Oliver in the trailing lines.
In her emotionally

eloquent poetry collection
Dog Songs, Mary Oliver

brings the sheer
gentleness and genius of

her craft all over again.
