America in their book *Dollarocracy: How the money-and-election complex is destroying America..*

Dollarocracy - definition of dollarocracy by The Free ...

Yet when the evidence of the decay of democracy is pieced together, as it is in our new book *Dollarocracy*, the picture is even more troubling than most observers and activists imagine. To wit: § The 2012 elections were the most expensive in the Republic ' s history, with spending of roughly \$10 billion.

Book > Dollarocracy: How the Money and Media Election ...

In the smartest treatment I have seen, *Dollarocracy* also details how the Internet is being incorporated into the system; its fantastic potential to empower citizens to battle big money has been effectively neutered. Most important, Nichols and McChesney provide a roadmap to a better and more just election system,...

"Dollarocracy is the most important
political book of the year, maybe of our
times. Nichols and McChesney provide an
original and painstakingly researched
account of how corporations and
billionaires have come to dominate the
political process, as well as the contours
of what they term the 'money-and-media
election complex.'
