Dollarocracy: How
the Money and ...
These pillars have
been eroded by*

what Nichols and McChesney label 'the money-and-media election complex,' an incestuous and self-interested marriage of big media and big money. The result is a 'dollarocracy' resting on four new pillars: media corporations, disenchanted and manipulated citizens, elections that go to the highest bidder, and government that is only responsive to and responsible for the needs of the privileged class.
