All Together Now St. Martin’s Press

The small town of Bridgeford is in crisis. Downtown is deserted, businesses are closing, and the idea of civic pride seems old-fashioned to residents rushing through the streets to get somewhere else. Bridgeford seems to have lost its heart. But there is one thing that just might unite the community--music. The local choir, a group generally either ignored or mocked by most of Bridgeford's inhabitants, is preparing for an important contest, and to win it they need new members, and a whole new sound. Enlisting (some may say drafting) singers, who include a mother suffering from empty-nest syndrome, a middle-aged man who has just lost his job and his family, and a nineteen-year-old waitress who dreams of reality-TV stardom, the choir regulars must find--and make--harmony with neighbors they've been happy not to know for years. Can they all learn to work together, save the choir, and maybe even save their town in the process? All Together Now is a poignant and charming novel about community, family, falling in love--and the big rewards of making a small change.

This Is Where I Leave You Vintage

A powerful and heartbreaking novel that chronicles the epic story of two families, two sons, and two marriages Siri Hustvedt's What I Loved begins in New York in 1975, when art historian Leo Hertzberg discovers an extraordinary painting by an unknown artist in a SoHo gallery. He buys the work; tracks down the artist, Bill Wechsler; and the two men embark on a life-long friendship. Leo's story, which spans twenty-five years, follows the evolution of the growing involvement between his family and Bill's-an intricate constellation of attachments that includes the two men; their wives, Erica and Violet; and their children, Matthew and Mark. The families live in the same building in New York, share a house in Vermont during the summer, keep up a lively exchange of thoughts and ideas, and find themselves permanently altered by one another. Over the years, they not only enjoy love but endure loss-in one case sudden, incapacitating loss; in another, a different kind, one that is hidden and slow-growing, and which insidiously erodes the fabric of their lives. Intimate in tone and seductive in its complexity, the novel moves seamlessly from inner worlds to outer worlds, from the deeply private to the public, from physical infirmity to cultural illness. Part family novel, part psychological thriller, What I Loved is a beautifully written exploration of love, loss, and betrayal-and of a man's attempt to make sense of the world and go on living.

“This book will make you laugh and cry in public.” —Larry Doyle, author of I Love You, Beth Cooper Jessica Anya Blau's passionate and poignant debut novel of one girl’s coming of age in 1970s southern California, replete with stoners, hippies, surfers, bitchy girlfriends, first love, first heartbreak, and OPI shorts Jamie Green will remember “the summer of naked swim parties” for the rest of her life. It’s the summer in which she has her first serious boyfriend, Flip, who is three years older and comes with friends for Jamie’s friends; it’s the summer in which Jamie’s older sister is away at Outward Bound, leaving Jamie with her parents (and very often the house) to herself; it’s the summer in which Jamie’s parents throw naked swim parties, leaving Jamie cringing with embarrassment. And it’s the summer in which Jamie will be forced to confront love, loss, family, and heartbreak for the very first time.

Forever Is the Worst Long Time Legend Press Ltd

A globetrotting, time-bending, wildly entertaining masterpiece hailed by the New York Times Book Review as "Audaciously well written...the book I was raving about to my friends before I'd even finished it." Publishers Weekly raved that "with near-universal appeal . . . Seay’s debut novel is a true delight, a big, beautiful cabinet of wonders that is by turns an ominous modern thriller, a supernatural mystery, and an enchanting historical adventure story." Set in three cities in three eras, The Mirror Thief calls to mind David Mitchell and Umberto Eco in its mix of entertainment and literary bravado. The core story is set in Venice in the sixteenth century, when the famed makers of Venetian glass were perfecting one of the old world's most wondrous inventions: the mirror. An object of glittering yet fearful fascination—was it reflecting simple reality, or something more spiritually revealing?—the Venetian mirrors were state of the art technology, and subject to industrial espionage by desirous sultans and royals world-wide. But for any of the development team to leave the island was a crime punishable by death. One man, however—a world-weary war hero with nothing to lose—has a scheme he thinks will allow him to outwit the city's terrifying enforcers of the edict, the ominous Council of Ten . . . Meanwhile, in two other Venices—Venice Beach, California, circa 1958, and the Venice casino in Las Vegas, circa today—two other schemers launch similarly dangerous plans to get away with a secret . . . All three stories will weave together into a spell-binding tour-de-force that is impossible to put down—an old-fashioned, stay-up-all-night

novel that, in the end, returns the reader to a stunning conclusion in the original Venice . . . and the bedazzled sense of having read a truly original and thrilling work of art.

Totally Killer Bantam

A “funny, heart-hammering, wise” (The New York Times) best-selling portrait of a family that will remind you why "to read a novel by Anne Tyler is to fall in love" (PEOPLE). Abandoned by her wanderlusting husband, stoic Pearl raised her three children on her own. Now grown, the siblings are inextricably linked by their memories—some painful—which hold them together despite their differences. Hardened by life’s disappointments, wealthy, charismatic Cody has turned cruel and envious. Thrice-married Jenny is errant and passionate. And Ezra, the flawed saint of the family, who stayed at home to look after his mother, runs a restaurant where he cooks what other people are homesick for, stubbornly yearning for the perfect family he never had. Now gathered during a time of loss, they will reluctantly unlock the shared secrets of their past and discover if what binds them together is stronger than what tears them apart. “[In Dinner at the Homesick Restaurant Tyler] has arrived at a new level of power.” —John Updike, The New Yorker “Marvelous, astringent, hilarious, [and] strewn with the banana peels of love.” —Cosmopolitan

Mitch Lovett, a recently divorced father of two, wasn't looking for anything serious--but when he fooled around with an old friend, Dee Wynn, serious was what he got. Dee, a thirty-something partner at her architecture firm, has decided that Mitch will be hers, and nothing is going to stand in her way. But another old friend from college, Gail, has had her eye on Mitch as well-never mind the fact that she's married, to a jealous, abusive husband, Ed Strickland, who just happens to have received a new gun for his birthday. When Mitch and Gail consummate their long-standing attraction-recklessly following their heart's desires-they set into motion a series of events with ultimately tragic consequences for all involved. Set in Takoma Park (a close-knit liberal community that borders Washington, D.C.) among a group of college friends now raising families together, Lady Killer explores spousal abuse and the ways that both long-standing friendships and marriages can unravel when put to the test. Ultimately, both Mitch and Gail will have to decide who they really are and what they really want-both for themselves and their children. Trivia: We're All Damaged: a Novel by Matthew Norman (Trivia-On-Books) Macmillan

The heartwarming debut novel by the New York Times bestselling author of This is Where I Leave You and One Last Thing Before I Go. Turning thirty was never supposed to be like this. Ten years ago, Ben, Lindsey, Chuck, Alison, and Jack graduated from New York University and went out into the world, fresh-faced and full of dreams for the future. But now Ben's getting a divorce; Lindsey's unemployed; Alison and Chuck seem stuck in ruts of their own making; and Jack is getting more publicity for his cocaine addiction than his multimillion-dollar Hollywood successes. Suddenly, turning thirty-- past the age their parents were when they were born, older than every current star athlete or pop music sensation-- seems to be both more meaningful and less than they'd imagined ten years ago. Plan B, Jonathan Tropper's wonderful debut novel, is about more than friendship, love, celebrity, addiction, kidnapping, or even turning thirty-- it's a heartfelt comic riff on what it means to be an adult against your will, to be single when you thought you'd have a family, to discover you are not, in fact, immortal, and to learn that Star Wars is as good a life lesson today as it was when you were six years old.

How to Talk to a Widower Santa Fe Writers Project

A young man must confront his traumatic childhood when his estranged father dies under suspicious circumstances in this “raw, startlingly honest novel” (Matthew Norman). Lucas is just a boy in the summer of 1989, when he witnesses an event that will tear his family apart. Over a decade later, Lucas learns that his estranged father has succumbed to a heart attack—news that leaves him oddly cold. Confused by his own lack of grief, Lucas escapes to New York with his lovely colleague Mariana. But a dark secret from his past threatens to destroy their burgeoning relationship before it has even begun. When something suspicious about his father’s death comes to light, Lucas begins looking for clues to what really happened. But his search draws him back into his own traumatic childhood. As the startling truth is revealed, Lucas must confront the fact that father and son may not have been so different after all.

The National Book Award finalist and debut novel by the bestselling author of The Dinner Party: "A readymade classic of the office-novel genre. . . . A truly affecting novel about work, trust, love, and loneliness." --Seattle Times No one knows us quite the same way as the men and women who sit beside us in department meetings and crowd the office refrigerator with their labeled yogurts. Every office is a family of sorts, and the ad agency Joshua Ferris brilliantly depicts in his debut novel is family at its strangest and best, coping with a business downturn in the time-honored way: through gossip, pranks, and increasingly frequent coffee breaks. With a demon's eye for the details that make life worth noticing, Joshua Ferris tells a true and funny story about survival in life's strangest environment--the one we pretend is normal five days a week.

**The Summer of Naked Swim Parties** Melville House

The Accidental Buddhist is the funny, provocative story of how Dinty Moore went looking for the faith he'd lost in what might seem the most unlikely of places: the ancient Eastern tradition of Buddhism. Moore demystifies and explains the contradictions and concepts of this most mystic-seeming of religious traditions. This plain-spoken, insightful look at the dharma in America will fascinate anyone curious about the wisdom of other cultures and other religions. Cutting through religious jargon and abstract concepts, Moore explains in clear terms why Buddhism is becoming part of popular culture. He has the rare ability to be at once sincere about religion and good-humored about the human condition. The Accidental Buddhist never takes itself too seriously—which, as Moore discovers, Buddhists aren’t supposed to do, even when they are mindful, enlightened, and sitting perfectly still. “Moore’s hilarious and sometimes irreverent look at Buddhism is a perfect primer for the budding Buddhist.”—Publishers Weekly “[Moore’s] witty and candid ‘regular guy’ approach to these experiences is entertaining and comforting, and his conclusions are right on target.”—Booklist
