Comprehending as skillfully as settlement even more than other will have the funds for each success. adjacent to, the broadcast as without difficulty as perspicacity of this Dominance Will Lavender can be taken as well as picked to act.

The Descartes Circle Rodale Books

While always well-stocked with clean sheets, Lily Hill is not expecting visitors. At least not in the numbers that descend upon her genteely dilapidated New England ancestral home in the summer of '89. Brother Harvey arrives first, thrice-widowed and eager for company; then perennially self-dramatizing niece Ginger and her teenaged daughter Betsy; then Alden, just laid-off from Wall Street, with his wife Becky, and their rowdy brood of four . . . As summer fades into fall, it becomes clear that no one intends to leave. But just as Lily's industrious hospitality gives way to a somewhat strained domestic routine, the Hill clan must face new challenges together. Brimming with wit and a compendium of Yankee curiosities, *The Hills at Home* is an irresistible modern take on an old-fashioned comedy of manners.

*A Revolutionary Approach to Wellness* Open Road Media

"Hazel Stillman is a woman of rare independence and limited opportunities. Born with a clubbed foot, she was sent away as a child and, knowing her disability means a marriage is unlikely, she devoted herself to scholarship and education. Now working as a teacher in an elite private girls' school, she is content with the way her story has unfolded. When her uncle Elliott Mayfield presents her with the prospect of a substantial inheritance if she marries, Hazel is offended. What kind of decent man would marry for her money? Besides, she loves her freedom as a professional, respected woman. When she hears rumors of the school possibly being sold, however, she knows she must consider all her options. Duncan Penhale has a brilliant mind and thrives on order and process. He

does not expect to marry because he likes his solitary life, shared only with his beloved cat. When Elliott Mayfield, his guardian's brother, presents him with an inheritance if he marries a woman of social standing, Duncan finds it intrusive. However, with the inheritance, he could purchase the building in which he works and run his own firm. It would take an impressive and intellectual woman to understand and love him, quirks and all. Hazel and Duncan believe they have found a solution to both of their problems: marry one another, receive their inheritances, and then part ways to enjoy their individual paths. But when Uncle Mayfield stipulates that they must live together as husband and wife for one year before receiving their inheritances, Hazel and Duncan reluctantly agree. Over time, their marriage of convenience becomes much more appealing than they had anticipated. At the end of the full year, will they go their separate ways or could an unlikely marriage have found unsuspecting love?"--

A New York Times Notable Book: In 2025, with the world descending into madness and anarchy, one woman begins a fateful journey toward a better future. "A stunner." —Flea, musician and actor, *TheWall Street Journal* Lauren Olamina and her family live in one of the only safe neighborhoods remaining on the outskirts of Los Angeles. Behind the walls of their defended enclave, Lauren's father, a preacher, and a handful of other citizens try to salvage what remains of a culture that has been destroyed by drugs, disease, war, and chronic water shortages. While her father tries to lead people on the righteous path, Lauren struggles with hyperempathy, a condition that makes her extraordinarily sensitive to the pain of others. When fire destroys their compound, Lauren's family is killed and she is forced out into a world that is fraught with danger. With a handful of other refugees, Lauren must make her way north to safety, along the way conceiving a revolutionary idea that may mean salvation for all mankind. This ebook features an illustrated biography of Octavia E. Butler including rare images from the author's estate. Think Like a Feminist: The Philosophy Behind the Revolution Ballantine Books

New York Times Bestseller and Man Booker Prize Finalist: A novel of ancient Greece by the author Hilary Mantel calls "a shining light." Alexander the Great stands alone as a leader and strategist, and *Fire from Heaven* is Mary Renault's unsurpassed dramatization of the formative years of his life. His parents fight for their precocious son's love: On one side, his volatile father, Philip, and on the other, his overbearing mother, Olympias. The story tells of the conqueror's two great bonds—to his horse, Oxhead, and to his dearest friend and eventual lover, Hephaestion—and of the army he commands when he is barely an adult. Coming of age during the battles for southern Greece, Alexander the Great appears in all of his colors—as the man who first takes someone's life at age twelve and who swiftly eliminates his rivals as soon as he comes to power—and emerges as a captivating, complex, larger-than-life figure. *Fire from Heaven* is the first volume of the *Novels of Alexander the Great* trilogy, which continues with *The Persian Boy* and *Funeral Games*. This ebook features an illustrated biography of Mary Renault including rare images of the author. "Mary Renault is a shining light to both historical novelists and their readers. She does not pretend the past is like the present, or that the people of ancient Greece were just like us. She shows us their strangeness; discerning, sure-footed, challenging our values, piquing our curiosity, she leads us through an alien landscape that moves and delights us." —Hilary Mantel *Directions of the Heart* Oxford University Press

[Siren Allure: Erotic Consensual BDSM Romance, M/F with M/F/M, spanking, whipping, HEA] Kerri doesn't know she is waiting outside a BDSM club until the hottest attorney at her firm pulls her out of the crowd and asks her to be his sub for the night. Explore the past 150 years through the eyes of Indigenous creators in this groundbreaking graphic novel anthology. Beautifully illustrated, these stories are an emotional and enlightening journey through Indigenous wonderworks, psychic battles, and time travel. See how Indigenous peoples have survived a post-apocalyptic world since Contact. This is one of the 200 exceptional projects funded through the Canada Council for the Arts ' New Chapter initiative. With this \$35M initiative, the Council supports the creation and sharing of the arts in communities across Canada.

Dominance Independently Published

An audacious and accessible guide to feminist philosophy—its origins, its key ideas, and its latest directions. Think Like a Feminist is an irreverent yet rigorous primer that unpacks over two hundred years of feminist thought. In a time when the word feminism triggers all sorts of responses, many of them conflicting and misinformed, Professor Carol Hay provides this balanced, clarifying, and inspiring examination of what it truly means to be a feminist today. She takes the reader from conceptual questions of sex, gender, intersectionality, and oppression to the practicalities of talking to children, navigating consent, and fighting for adequate space on public transit, without deviating from her clear, accessible, conversational tone. Think Like a Feminist is equally a feminist starter kit and an advanced refresher course, connecting longstanding controversies to today ' s headlines. Think Like a Feminist takes on many of the essential questions that feminism has risen up to answer: Is it nature or nurture that ' s responsible for our gender roles and identities? How is sexism connected to racism, classism, homophobia, transphobia, and other forms of oppression? Who counts as a woman, and who gets to decide? Why have men gotten away with rape and other forms of sexual violence for so long? What responsibility do women themselves bear for maintaining sexism? What, if anything, can we do to make society respond to women ' s needs and desires? Ferocious, insightful, practical, and unapologetically opinionated, Think Like a Feminist is the perfect book for anyone who wants to understand the continuing effects of misogyny in society. By exploring the philosophy underlying the feminist movement, Carol Hay brings today ' s feminism into focus, so we can deliberately shape the feminist future.

The Burning Wire Simon and Schuster

Embark on a remarkable journey of drama, romance, and passion... In all of these amazing stories, there's one burning question...is love worth the risk? Poems from the First Five Years Penguin

This work outlines a groundbreaking approach to treating illnesses traditionally considered incurable because the effects of excess adrenaline have been virtually ignored by the medical community. Excess amounts of adrenaline have been proven to result in such disorders as ADHD, fibromyalgia, anger, depression, anxiety, bipolar disorders, PTSD, severe PMS, and more. Platt shows how these disorders can be controlled with diet and bio-identical progesterone, demonstrated to be safer and more beneficial than pharmaceutical progestins. Original.

Toward a Feminist Theory of the State Open Road Media

Mark F. Sohn ' s classic book, Mountain Country Cooking, was a James Beard Award nominee in 1997. In Appalachian Home Cooking, Sohn expands and improves upon his earlier work by using his extensive knowledge of cooking to uncover the romantic secrets of Appalachian food, both within and beyond the kitchen. Shedding new light on Appalachia ' s food, history, and culture, Sohn offers over eighty classic recipes, as well as photographs, poetry, mail-order sources, information on Appalachian food festivals, a glossary of Appalachian and cooking terms, menus for holidays and seasons, and lists of the top Appalachian foods. Appalachian Home Cooking celebrates mountain food at its best.

Enduring Truth Womens Project

SOON TO BE A MAJOR TELEVISION EVENT FROM NBC, STARRING RUSSELL HORNSBY, ARIELLE KEBBEL, AND MICHAEL IMPERIOLI. From New York Times bestselling author Jeffery Deaver—Lincoln Rhyme is back, and on the trail of a killer whose weapon of choice cripples New York City with fear. The weapon is invisible and omnipresent. Without it, modern society grinds to a halt. It is electricity. The killer harnesses and steers huge arc flashes with voltage so high and heat so searing that steel melts and his victims are set afire. When the first explosion occurs in broad daylight, reducing a city bus to a pile of molten metal, officials fear terrorism. Rhyme, a world-class forensic criminologist known for his successful apprehension of the most devious criminals, is immediately tapped for the investigation. Long a quadriplegic, he assembles NYPD detective Amelia Sachs and officer Ron Pulaski as his eyes, ears and legs on crime sites, and FBI agent Fred Dellray as his undercover man on the street. As the attacks continue across the city at a sickening pace, and terrifying demand letters begin appearing, the team works

desperately against time and with maddeningly little forensic evidence to try to find the killer. Or is it killers...? Meanwhile, Rhyme is consulting on another high-profile investigation in Mexico with a most coveted quarry in his crosshairs: the hired killer known as the Watchmaker, one of the few criminals to have eluded Rhyme ' s net. Juggling two massive investigations against a cruel ticking clock takes a toll on Rhyme ' s health. Soon Rhyme is fighting on yet another front—and his determination to work despite his physical limitations threatens to drive away his closest allies when he needs them most...

Infinity Publishing

The author traces the boyhood enthusiasm for rockets that eventually led to a career at NASA, describing how he built model rockets in the family garage in West Virginia, inspired by the launch of the Soviet satellite Sputnik. Reprint.

Lavender and Red Simon and Schuster

This is to be a story of a battle, at least one murder, and several sudden deaths. For that reason it begins with a pink tea and among the mingled odors of many delicate perfumes and the hale, frank smell of Caroline Testout roses. There had been a great number of debutantes "coming out" that season in San Francisco by means of afternoon teas, pink, lavender, and otherwise. This particular tea was intended to celebrate the fact that Josie Herrick had arrived at that time of her life when she was to wear her hair high and her gowns long, and to have a "day" of her own quite distinct from that of her mother.

The Archetype Diet Mayfield Family

The 1975 publication of Robin Tolmach Lakoff's Language and Woman's Place, is widely recognized as having inaugurated feminist research on the relationship between language and gender, touching off a remarkable response among language scholars, feminists, and general readers. For the past thirty years, scholars of language and gender have been debating and developing Lakoff's initial observations. Arguing that language is fundamental to gender inequality, Lakoff pointed to two areas in which inequalities can be found: Language used about women, such as the asymmetries between seemingly parallel terms like master and mistress, and language used by women, which places women in a double bind between being appropriately feminine and being fully human. Lakoff's central argument that "women's language" expresses powerlessness triggered a controversy that continues to this day. The revised and expanded edition presents the full text of the original first edition, along with an introduction and annotations by Lakoff in which she reflects on the text a quarter century later and expands on some of the most widely discussed issues it raises. The volume also brings together commentaries from twenty-six leading scholars of language, gender, and sexuality, within linguistics, anthropology, modern languages, education,

information sciences, and other disciplines. The commentaries discuss the book's contribution to feminist research on language and explore its ongoing relevance for scholarship in the field. This new edition of *Language and Woman's Place* not only makes available once again the pioneering text of feminist linguistics; just as important, it places the text in the context of contemporary feminist and gender theory for a new generation of readers.

**THE PROCEDURE HAS BEGUN** . . . Fifteen years earlier, Jasper College is buzzing with the news that famed literature professor Richard Aldiss will be teaching a special night class called *Unraveling a Literary Mystery*—from a video feed in his prison cell. In 1982, Aldiss was convicted of the murders of two female grad students; the women were killed with axe blows and their bodies decorated with the novels of notoriously reclusive author Paul Fallows. Even the most obsessive Fallows scholars have never seen him. He is like a ghost. Aldiss entreats the students of his night class to solve the Fallows riddle once and for all. The author's two published novels, *The Coil* and *The Golden Silence*, are considered maps to finding Fallows's true identity. And the only way in is to master them through a game called the Procedure. You may not know when the game has begun, but when you receive an invitation to play, it is an invitation to join the elite ranks of Fallows scholars. Failure, in these circles, is a fate worse than death. Soon, members of the night class will be invited to play along . . . Present day. Harvard professor Alex Shipley made her name as a member of Aldiss's night class. She not only exposed the truth of Paul Fallows's identity, but in the process uncovered information that acquitted Aldiss of the heinous 1982 crimes. But when one of her fellow night class alums is murdered—the body chopped up with an axe and surrounded by Fallows novels—can she use what she knows about Fallows and the Procedure to stop a killer before each of her former classmates is picked off, one by one?

*Enduring Truth* argues that faithfulness to Scripture is the solution to a “ crisis ” among African American preaching. Though misinterpreting God's Word is not restricted to one race or culture, author Aaron Lavender identifies three factors that have precipitated the decline of black preaching specifically: racial segregation, black liberation theology, and prosperity theology. The book's first chapter recounts the history of the crisis, noting how discrimination in theological education led black ministers to liberal colleges and seminaries that prophetically confronted Jim Crow but taught the social gospel and other forms of theological error. Such schools ultimately were harmful to the spiritual health of black churches. Subsequent chapters discuss the role of biblical exegesis in preaching, develop a theology of preaching, and suggest preaching methods for the postmodern world. Every biblical text has one meaning, according to Lavender. The preacher's job is to determine and communicate that meaning, then show its relevance in the cultural context of his hearers. Proof-texting and relativism, Lavender writes, are two great enemies of biblical preaching. While focused on the African American context, this volume addresses topics relevant to all preachers. *Enduring Truth* is suited both for ministry practitioners and preaching courses. It will help readers elevate the Word of God over the worldly allures of any ministry setting.

**Rocket Boys** University of Chicago Press

An internationally acclaimed thriller of love, espionage and subterfuge, in which Middle East meets West with dangerous consequences. Years of training have transformed Michel Khoury into a skilled intelligence operative. A refugee whose family was murdered by extremists, he has one mission: the peaceful resolution of the Middle East conflict that upended his life. An alluring enigma, he attracts the attention of Helen, a pretty English girl who lives in the adjacent apartment. As their relationship develops, Michel is unable to tell Helen about his past -- or the collection of passports and unmarked bills he's concealed in the bathroom they share. When Michel's secrets turn deadly, Helen and Michel find themselves pursued through the streets of London, Berlin and the Scottish countryside, on the run from the very people they thought they could trust. A critically celebrated novel

that "recalls the cool detachment and compelling eye for ordinary detail that characterized the early thrillers of Graham Greene" (*Independent on Sunday*), *Shake Off* is that rare breed of riveting tale -- of intrigue and suspense, love and betrayal -- that announces a bold new voice for our increasingly global times.
