The Laws of Human Nature BenBella Books

Star and executive producer of the hit TV show *Bar Rescue* and New York Times bestselling author of *Don't Bullsh*t Yourself*, Jon Taffer reveals the transformational power of conflict, sharing his toolkit for arguing smarter--at home, at work, and in life. Most people try their best to avoid conflict. *Bar Rescue* host Jon Taffer understands that. Conflict can have

negative results. It's easy to think that the key to a happy workplace or marriage is to avoid conflict. In reality, that's not the case--the key is to argue smarter. Enter the Toolkit for Getting Conflict Right. Taffer's approach is focused on deliberate conflict--otherwise known as "conflict with a purpose." There are selective and strategic ways to have difficult conversations, and when doing so, to stay aware of your objectives rather than escalating tension unnecessarily. As Taffer explains, "The key is to act affirmatively, constructively, and productively." Eliminating conflict isn't always the answer; inevitably there will be times when it will arise. Engaging in conflict can be a way to clear the air, and get to the bottom of issues that, once resolved, can strengthen friendships, ease tensions at work, and address problems before they have a chance to bubble over. With easy-to-follow advice that shows how to best engage in constructive discourse to get the results you want, *The Power of Conflict* provides you with the rules to argue smarter, uphold your values, and keep the conversation real. The step-by-step guide starts with the inception of the conflict and carries through the difficult conversation's

conclusion, arming readers with the skills and confidence to fight for their principles.

The Case for Settling for Mr. Good

Enough Simon and Schuster
From bestselling writer David Graeber— “ a master of opening up thought and stimulating debate ” (Slate)—a powerful argument against the rise of meaningless, unfulfilling jobs...and their consequences. Does your job make a meaningful contribution to the world? In the spring of 2013, David Graeber asked this question in a playful, provocative essay titled “ On the Phenomenon of Bullshit Jobs. ” It went viral. After one million online views in seventeen different languages, people all over the world are still debating the answer. There are hordes of people—HR consultants, communication coordinators, telemarketing researchers, corporate lawyers—whose jobs are useless, and, tragically, they know it. These people are caught in bullshit jobs. Graeber explores one of society ' s most vexing and deeply felt concerns, indicting among other villains a particular strain of finance capitalism that betrays ideals shared by thinkers ranging from Keynes to Lincoln. “ Clever and charismatic ” (The New Yorker), *Bullshit Jobs* gives individuals, corporations, and societies permission to undergo a shift in values, placing creative and caring work at the center of our culture. This book is for everyone who wants to turn their vocation back into an avocation and “ a thought-provoking examination of our working lives ” (Financial Times).

Jon Taffer presents a new guide to getting
what you want in life and business--to
stop making excuses so you can get back
to winning. During his many years as an
entrepreneur, consultant, and star of the
Paramount Network's hit show Bar
Rescue, Jon Taffer has witnessed the
destruction that results when people
bullsh*t themselves. Excuses are the root
cause of nearly every business and
personal problem, but fortunately, Jon
knows how to fix your excuse habit for
good. This book is almost as good as
having Jon in your face on Bar Rescue,
telling you the hard truths you've been
avoiding. Don't Bullsh*t Yourself! is Jon
Taffer's brutally honest, no-nonsense
guide to help you kick those excuses to
the curb. If you can stop bullsh*tting
yourself and address your real issues, you
will gain the power to turn your life
around completely. Taffer breaks excuses
down into six major categories, illustrating
them with real-life examples such as
Marcus Luttrell, the lone survivor of a
SEAL team mission in Afghanistan who
barely escaped Taliban territory, and
Christine King, founder and CEO of Your
Best Fit, who, despite being paralyzed in a
horrific boating accident, went on to build
a successful fitness company. These
inspiring stories, combined with Taffer's
own experiences, will give you the
confidence to identify and face your own
excuses head-on. It's Taffer Time! Time
to stop bullsh*tting yourself and start
crushing it!

For entrepreneurs ready to reach
the next level of success, small
business owner turned

multibillionaire Tilman Fertitta shares the commonsense principles that have rocketed his worldwide hospitality empire to the top. For aspiring entrepreneurs or people in business, this book will help you take your company to the next level. When you put this book down, you 'll know what you 're doing right and what you 're doing wrong to operate your business, and if you 're just getting started, it will help set you up for success. Tilman Fertitta, also known as the Billion Dollar Buyer, started his hospitality empire thirty years ago with just one restaurant. So he knows the challenges that business owners face, as well as the common pitfalls that cause them to go under. Over the years he 's stayed true to the principles that helped him scale his business to what is believed to be the largest single-shareholder company in America, with over \$4 billion in revenue, including hundreds of restaurants (Landry 's Seafood, Bubba Gump Shrimp Company, Morton 's Steakhouse, Mastro 's, The Chart House, Rainforest Caf é , and over forty more restaurant concepts) and five Golden Nugget Casinos. He 's also sole owner of the NBA 's Houston Rockets. In *Shut Up and Listen!*, he shares the key insights that made it all possible. When entrepreneurs appear on *Billion Dollar Buyer*, the biggest obstacles they often face are ones they don 't suspect: not knowing your numbers, not knowing your strengths and weaknesses, or not being willing to go that extra mile with your customers. Fertitta has seen it all. He knows that what you aren 't paying attention to can either sink your business or become the very things that launch you to the top. As Fertitta says: " You might think you know what you 're doing, but I 'm going to show you what you don 't know. " Fertitta shares straight-talk " Tilmanisms " around six key action items that any entrepreneur can adopt today: Be the Bull No Spare Customers Change, Change, Change Know Your Numbers Follow the 95/5 Rule Take No Out of Your Vocabulary A groundbreaking, no-holds-barred book, *Shut Up and Listen!* offers practical, hard-earned wisdom from one of the most successful business owners in the world.

A Memoir W. W. Norton & Company

Avoid negative relationships. There are people in this life who will build you up and those who will tear you down. Which type of person do you want to spend the rest of your life with? Let me tell you the truth-if that person asking you out doesn't treat you like a queen, they don't deserve to be your king, ever. Leave that negative relationship. When things are falling apart and you don't know what to do, don't be afraid to leave. Don't shut up that voice in the back of your head. Don't let somebody else make you live life the way they think you should. Nobody else can walk the path to your sunshine but you. And sometimes, you have to walk that path alone. In a negative relationship? It's possible to recover. It's not too late. It's not too late for that relationship. It's not too late for love. Love can still be everything you imagined it can be. But recovery takes both of you-both of you all

in all the time.

The uneasy balance between these worlds is shattered when Starr witnesses the fatal shooting of her childhood best friend Khalil at the hands of a police officer. Khalil was unarmed. Soon afterward, his death is a national headline. Some are calling him a thug, maybe even a drug dealer and a gangbanger. Protesters are taking to the streets in Khalil's name. Some cops and the local drug lord try to intimidate Starr and her family. What everyone wants to know is: what really went down that night? And the only person alive who can answer that is Starr. But what Starr does—or does not—say could upend her community. It could also endanger her life. Want more of Garden Heights? Crush the Excuses That Are Holding You Back Simon and Schuster

An eye-opening, funny, painful, and always truthful in-depth examination of modern relationships and a wake-up call for single women about getting real about Mr. Right. You have a

fulfilling job, great friends, and the perfect apartment. So what if you haven't found "The One" just yet. He'll come along someday, right? But what if he doesn't? Or what if Mr. Right had been, well, Mr. Right in Front of You—but you passed him by? Nearing forty and still single, journalist Lori Gottlieb started to wonder: What makes for lasting romantic fulfillment, and are we looking for those qualities when we're dating? Are we too picky about trivial things that don't matter, and not picky enough about the often overlooked things that do? In *Marry Him*, Gottlieb explores an all-too-common dilemma—how to reconcile the desire for a happy marriage with a list of must-haves and deal-breakers so long and complicated that many great guys get misguidedly eliminated. On a quest to find the answer, Gottlieb sets out on her own journey in search of love, discovering wisdom and surprising insights from sociologists and neurobiologists, marital researchers and behavioral economists—as well as single and married men and women of all generations.

Don't Bullsh*t Yourself! HarperCollins From the millionaire entrepreneur and New York Times bestselling author of *The 10X Rule* comes a bold and contrarian wake-up call for anyone truly ready for success. One of the 7 best motivational books of 2016, according to Inc. Magazine. Before Grant Cardone built five successful companies (and counting), became a multimillionaire, and wrote bestselling books... he was broke, jobless, and drug-addicted. Grant had grown up with big dreams, but friends and family told him to be more reasonable and

less demanding. If he played by the rules, they said, he could enjoy everyone else ' s version of middle class success. But when he tried it their way, he hit rock bottom. Then he tried the opposite approach. He said NO to the haters and naysayers and said YES to his burning, outrageous, animal obsession. He reclaimed his obsession with wanting to be a business rock star, a super salesman, a huge philanthropist. He wanted to live in a mansion and even own an airplane. Obsession made all of his wildest dreams come true. And it can help you achieve massive success too. As Grant says, we're in the middle of an epidemic of average. The conventional wisdom is to seek balance and take it easy. But that has really just given us an excuse to be unexceptional. If you want real success, you have to know how to harness your obsession to rocket to the top. This book will give you the inspiration and tools to break out of your cocoon of mediocrity and achieve your craziest dreams. Grant will teach you how to:

- Set crazy goals—and reach them, every single day.
- Feed the beast: when you value money and spend it on the right things, you get more of it.
- Shut down the doubters—and use your haters as fuel.

Whether you're a sales person, small business owner, or 9-to-5 working stiff, your path to happiness runs through your obsessions. It's a simple choice: be obsessed or be average. Real Frank Zappa Book Penguin Includes an excerpt from Love on the brain.

Master Your Mind and Defy the Odds - Clean Edition HarperCollins Leadership Four-time New York Times bestselling author Gary Vaynerchuk offers new lessons and inspiration drawn from the

experiences of dozens of influencers and entrepreneurs who rejected the predictable corporate path in favor of pursuing their dreams by building thriving businesses and extraordinary personal brands. In his 2009 international bestseller *Crush It*, Gary insisted that a vibrant personal brand was crucial to entrepreneurial success. In *Crushing It!*, Gary explains why that ' s even more true today, offering his unique perspective on what has changed and what principles remain timeless. He also shares stories from other entrepreneurs who have grown wealthier—and not just financially—than they ever imagined possible by following *Crush It* principles. The secret to their success (and Gary ' s) has everything to do with their understanding of the social media platforms, and their willingness to do whatever it took to make these tools work to their utmost potential. That ' s what *Crushing It!* teaches readers to do. In this lively, practical, and inspiring book, Gary dissects every current major social media platform so that anyone, from a plumber to a professional ice skater, will know exactly how to amplify his or her personal brand on each. He offers both theoretical and tactical advice on how to become the biggest thing on old standbys like Twitter, Facebook, YouTube, Instagram, Pinterest, and Snapchat; podcast platforms like Spotify, Soundcloud, iHeartRadio, and iTunes; and other emerging platforms such as Musical.ly. For those with more experience, *Crushing It!* illuminates some little-known nuances and provides innovative tips and clever tweaks proven to enhance more common tried-and-true strategies. *Crushing It!* is a state-of-the-art guide to building your own path to professional and financial success, but it ' s not about getting rich. It ' s a blueprint to living life on your own terms. *Crushing It!* Grand Central Publishing Includes an excerpt from: Super fake love song.

No Disrespect HarperCollins Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection

in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.
