Don't forget to remember me. And the love that used to be. I still remember you. I love

you. In my heart lies a memory to tell the stars above. Don't forget to remember me my love. On my wall lies a photograph of you girl. Though I try to forget you somehow. You're the mirror of my soul so take me out of my hole.

Don’t Forget to Remember Me is the second  
book in the Remembrance Trilogy. I honestly  
can’t find the right words to even write this  
review. I had a love/hate relationship with this  
book.

"Don't Forget to Remember Me" is a song  
written by Morgane Hayes (now known as  
Morgane Stapleton), Kelley Lovelace and  
Ashley Gorley, and recorded by American  
country music artist Carrie Underwood. It was  
released in March 2006 as the fourth single  
from Underwood's debut album, *Some Hearts*.  
It is also her second release to country radio.
