In this enchanting contemporary romance, sure to delight readers of Rachel Gibson and Susan Elizabeth Phillips, a close encounter of the sexy kind leads a plain Jane to discover her wild side. Chloe Sinclair has never been bad . . . until she stumbles—literally—into the arms of a gorgeous stranger. To make matters worse, the morning after, her world is rocked completely off its axis when the sensual dreamboat turns out to be the man brought in to save the TV station where she works. Sterling Prescott is hard-driven, gorgeous as hell, and determined to turn the struggling KTEX into a success. But all bets are off when the shameless wildcat that disappeared on him last night walks back into his life—acting like a squeaky-clean librarian. Life gets truly complicated, however, when Sterling decides to win more than the station—and to show Chloe that being sexy isn't a sin.

The last man she ever wanted to see... Might be the only one who can save her... Things are about to get HOT in the bayou! Evie Baker's luck just ran out. Thanks to an ex-partner with organized crime ties, she's lost her restaurant, her money, and nearly all her self-respect. Forced to return to her hometown and work as a shampoo girl in her mother's salon, she doesn't think her luck can get any worse. But then someone starts shooting at her, her sullen baby sister is suddenly missing, and the high school heartthrob who stole her heart--and her virginity--is the only man big enough and bad enough to help. Captain Matt "Richie Rich" Girard can't afford to get involved. He's already on the verge of a court-martial after a Top Secret op gone wrong, and he's been ordered to stay out of trouble while he's home for his sister's wedding. But when Evie's ex-partner turns up dead, staying out of trouble is the last thing on Matt's mind. He failed Evie once before; he can't fail her again. If he's going to protect her from a killer, and find her sister before time runs out, he'll have to risk his entire future--and both their lives--to do it.

This book reviews the research pertaining to nutrient requirements for working in cold or in high-altitude environments and states recommendations regarding the application of this information to military operational rations. It addresses whether, aside from increased energy demands, cold or high-altitude environments elicit an increased demand or requirement for specific nutrients, and whether performance in cold or high-altitude environments can be enhanced by the provision of increased amounts of specific nutrients.

Beyond images of emaciated polar bears and drought-cracked lakes, there remains a major part of climate change's impact that the media has neglected: how our health will suffer from higher temperatures and extreme weather. From spiraling rates of asthma and allergies and spikes in heatstroke-related deaths to swarms of invasive insects carrying diseases like dengue or West Nile and increases in heart and lung disease and cancer, the effect of rising temperatures on human health will be far-reaching, and is more imminent than we think. In *Fevered*, award-winning journalist Linda Marsa blends compelling narrative with cutting-edge science to explore the changes in Earth's increasingly fragile support system and provide a blueprint—a "medical Manhattan Project"—detailing what we need to do to protect ourselves from this imminent medical meltdown. In the tradition of Rachel Carson's *Silent Spring*, Marsa sounds the alarm on a subject that has largely been ignored by governments and policy makers, and persuasively argues why preparedness for the health effects of climate change is the most critical issue affecting our survival in the coming century.

Rejecting cries of gloom and doom, *Hope for a Heated Planet* shows how the fight against global warming can be won by the grassroots efforts of individuals. Robert K. Musil, who led the Nobel Peace Prize-winning organization Physicians for Social Responsibility, explains that a growing new climate movement can produce unprecedented change—in the economy, public health, and home-while saving the planet. Musil draws on personal experience and compelling data in this practical and rigorous analysis of the causes and cures for global warming. The book presents all the players in the most pressing challenge facing society today, from the massive fossil fuel lobby to the enlightened corporations that are joining the movement to "go green." Musil thoroughly explains the tremendous potential of renewable energy sources—wind, solar, and biofuel—and the startling conclusions of experts who say society can do away entirely with fossil fuels. He tells readers about the engaged politicians, activists, religious groups, and students who are already working together against climate change. But the future depends, Musil insists, on what changes ordinary citizens make. Through personal choices and political engagement, he shows how readers can cut carbon emissions and create green communities where they live. With practical and realistic solutions, *Hope for a Heated Planet* inspires readers to be accountable and enables them to usher in an age of sustainability for future generations.

On October 15, 1967, bass player Steve Boone took the Ed Sullivan Show stage for the final time, with his band The Lovin' Spoonful. Since forming in a Greenwich Village hotel in early 1965, Boone and his bandmates had released an astounding nine Top 20 singles, the first seven of which hit the Billboard Top 10, including the iconic Boone co-writes "Summer in the City" and "You Didn't Have to Be So Nice." Little did Steve Boone know that the path of his life and career would soon take a turn for the bizarre, one that would eventually find him looking at the world through the bars of a jail cell. From captaining a seaworthy enterprise to smuggle marijuana into the U.S. from Colombia, to a period of addiction, to the successful reformation of the band he'd helped make famous, *Hotter Than a Match Head* tells the story of Boone's personal journey along with that of one of the most important and enduring groups of the 1960s.

As the magazine of the Texas Exes, *The Alcalde* has united alumni and friends of The University of Texas at Austin for nearly 100 years. The Alcalde serves as an intellectual crossroads where UT's luminaries - artists, engineers, executives, musicians, attorneys, journalists, lawmakers, and professors among them - meet bimonthly to exchange ideas. Its pages also offer a place for Texas Exes to swap stories and share memories of Austin and their alma mater. The magazine's unique name is Spanish for "mayor" or "chief magistrate"; the nickname of the governor who signed UT into existence was "The Old Alcalde."

The S.I.N. series continues with the seductive follow-up to the Stark International Novel *Dirtiest Secret*, from the New York Times bestselling author of "red-hot and angsty" fiction that "keeps readers guessing" (Publishers Weekly, on *Under My Skin*). No one can know about our love—and hiding only makes it hotter. Dallas Sykes has a reputation. He is known for his parties, his money, and the countless women on his arm. Yet the Dallas I know is a different man—darker, smarter, and unbearably sexy. Just one look from him can leave me breathless; the anticipation of his touch can make me lose control. Inextricably bound by our past, we keep each other's secrets. And while there are people who have the power to hurt us, it's the truth that threatens us most of all. Dallas can be mine only behind closed doors, our passion as searing as it is forbidden. Yet nothing in this world has ever felt so desperately, deliciously right. Praise for *Hottest Mess* "J. Kenner has done an amazing job writing about this delicate subject. . . . Be prepared for a roller coaster filled with twists and turns, ups and downs, hope, heartbreak and cliffhangers."—Book Boyfriend Blog "The heat practically radiates from the page. . . . “Empire” is the story of a woman and her husband whose combined greed and past successes amassing a huge fortune lead them to create a non-profit organization, which in short order becomes one of the most powerful cancer charities in the world. The more money the foundation makes, however, the greedier the couple becomes, especially when they discover how through redirection, money laundering and outright theft, they can funnel greater and greater portions of the money they take in, directly into their own pockets. It is also the story of how, through their own avarice and national political connections they are brought to their knees. “Empire” is an insider’s view of many of the practices actually practiced in the industry.

It'll take a tall, hot Texan and a little holiday spirit to mend a broken heart and catch a Christmas killer . . . Savanna Edwards is feeling downright Scrooge-like. Who can blame her? A truly unjolly Santa-suit, beard and all—just repossessed her car because of her ex's shady business dealings. She'd like to murder the no-good lying cheat, but somebody already did that for her—and left him right in the middle of her kitchen, wrapped up with a bow. Detective Mark Donaldson has a rule against getting involved with his neighbors. He can look—and he's studied every sweet curve of Savanna from across the street—but he can't touch. So when she lands on his doorstep in need of help, he finds himself torn between being naughty or nice, and fights every urge to unwrap her like a shiny new Christmas present. Trouble is, even Mark can't resist a little holiday magic . . . and there's definitely something magical happening between him and the girl next door. "Readers will be instantly drawn into this suspenseful story that is balanced by a fun, sexy romance. Mark and Savanna are perfectly matched. . . ." -Romantic Times
